# ACKNOWLEDGING COUNTRY

In the spirit of reconciliation, the Anglesea Surf Life Saving Club Inc acknowledges the Traditional Custodians of the land on which our club stands and their connections to land, sea and community. We pay our respect to their elders past and present, and extend that respect to all Aboriginal and Torres Strait Islander peoples.

## PRESIDENT'S REPORT

DAVID MARSH

**The 2023/24 season has been a remarkable one for Anglesea SLSC.** Our membership continues to be more engaged than ever, and I'm sure this will continue to be a highlight for us. Membership numbers are sitting around the 1800 mark, and most pleasingly we saw an increase in active membership this season.

**We once again successfully fulfilled all our patrol obligations.** This is our number one reason for existing, so I'm ever so proud of this achievement.

To our volunteer patrollers – who have literally contributed thousands of hours

of their own time, unselfishly and without asking for anything in return – we salute you and thank you from the bottom of our hearts.

There are so many highlights for the year, many of which are detailed

in the following reports. Here is a handful of quick highlights from me:

- This year saw the return of Silver Camp, run in conjunction with Bonze Camp. Both camps were a huge success, and without them our pipeline of new patrollers, and IRB drivers/crew would not exist.
- Before the season, the Board committed to increasing our focus on fundraising, and we achieved this in spades. Our 'Club Nights' over the summer break were a huge success, helping to raise much-needed funds for the Club.
- Over that same period, our regular

fundraising events such as Rock2Ramp and DoorKnock were also hugely successful

• Competition at all levels has seen Anglesea SLSC back on the map! As you know, we came away as State Champions at the Youth/Senior Victorian Champs. So many unbelievable results from Junior through to Masters in Local Carnivals as well as State and National competitions. And of course, who can forget Jeremy (Jez) Dalli's performance at the Aussies, coming away with a gold.

• Earlier this year you voted to update our Club's Constitution which will see some flexibility come into the way we manage our Board, and broadens who can vote on certain matters. Thanks so much for your input over the process, as the constitution is really the backbone of the way we govern the Club, and it's important that we get it right.

The future looks bright for Anglesea SLSC! Thank you all for your dedication and hard work. On a personal note I would also like to quickly thank my family for their love and support.

Let's celebrate our achievements and look forward to another fantastic season ahead while remembering those Club members that are no longer with us to celebrate – we miss them dearly.

“  
*The future looks bright for Anglesea SLSC! Thank you all for your dedication and hard work.*  
”

David "Ducky" Marsh with David "Fanbelt" Eades

Ducky with Mike Martin and "Great Whites" skull cap!

## VICE PRESIDENT OPERATIONS' REPORT

NOEL LANGFORD

**No doubt you would all agree that** the Anglesea Surf Life Saving Club had an outstanding 2023/2024 season. I won't recount all of the Club's achievements during the past season as these are touched on in other Director's reports, however I would like to acknowledge that the Club's success is a reflection of its members':

- Commitment to keeping our beach safe;
- Recognition of the importance of ongoing skills development;
- Hard work and commitment to do better;
- Active participation in Club activities;
- Teamwork, collaboration and open communication across the Club; and
- Openness to change and opportunities for growth.

The past year has been a busy one for the Operations team and we have been fortunate to benefit from the hard work and support that we have received from our Club Manager and Office Staff, ASLSC Sub-Committees and our hospitality provider, Love House.

You should all be aware that eligible Club members voted on proposed changes to the ASLSC Constitution at a Special General Meeting that took place in January 2024. The proposed changes were all carried at the meeting and the updated Constitution is now available on the Club website.

The changes to the Constitution are important and it would be an oversight on my part if I did not acknowledge and thank the key parties that worked behind the scenes to enable the change. These include:

- Barry White who started the journey of change during his tenure as ASLSC Vice President Lifesaving;
- Members of the ASLSC Governance Committee;
- Ian Fullagar, General Counsel Life Saving Victoria;
- ASLSC Life Members who provided their support and counsel; and
- The Directors of the ASLSC.

In closing, I would like to thank retiring Director of Facilities, Peter Williams for his tireless work around the Club, particularly as his actions, efforts and attention extend well beyond his responsibilities. While he will no longer be part of the Board, he will no doubt continue to be one of our most committed volunteer members.

“

*The changes to the Constitution are important and it would be an oversight on my part if I did not acknowledge and thank the key parties that worked behind the scenes to enable the change.*

”

Gull's eye view of our wonderful facility

## VICE PRESIDENT LIFESAVING REPORT

ROB TENNANT

### What another wonderful year we have had at this great club!

If someone had told me 12 months ago what we would have achieved over this time, I would have thought they were crazy, yet here we are!

It is very rewarding to see what can happen when everyone works together in a positive manner and trusts the process. The buzz around the club is a testament to everyone's hard work, and I believe it is going to continue for years to come.

Our patrols have had another great season, with us fulfilling all of our

obligations for volunteer patrols.

A great number of new members have become qualified lifesavers, and along with several members who are

paid lifeguards during the summer season – and even another group of members who are on our out-of-hours callout group – it shows the dedication of our members. Thank you to everyone for this.

Our Nipper program, once again, was just massive! Well done to everyone involved. It is a huge task that you all manage so well. It's great to watch how seamlessly it all pans out on the beach, although we all know how much work is involved to ensure it runs that way! It was wonderful to see some Nippers make their debut at the Anglesea carnival this year, and the big smiles on their faces is something that I'll never forget. I hope they remember that day as I do.

Our Youth & Senior competition areas are going from strength to strength. Did

anyone else hear that we won the State Championship?! We had this as a goal for the next five years, and it happened in 12 months! Such things don't happen by accident. There is a lot of hard work: cold mornings at the beach, in the gym and at the pool. It's not just athletes but our incredible coaches, who's efforts are often overshadowed by the performance of the athletes. Coaches don't do it for the recognition, but without them we wouldn't be where we are now.

The club is in such a strong position, with a great board, supporting the club and its members in all walks of life. It isn't just about lifesaving, it's about life.

For the younger members, we hope that the Club provides the building blocks for the rest of your life, filled with memories and friendships. For the older members, whether you be a new parent at the Club, a competitor, or a member who has been at the club for a long time, we hope that you get the enjoyment, friendship and support from the Club that many of us cherish.

Lifesaving clubs are a pivotal part of the community and Anglesea is very unique where our membership is made up by both locals and people who travel great distances to spend time at the Club. This is not a coincidence; it is a fantastic Club to be a part of, and I know it is going to continue to grow and reach more people in the years to come.

See you on the beach!

“It isn't just about lifesaving, it's about life.”

# RESCUE SERVICES REPORT

EDWARD MACKAY

As I round out my first full season as Director of Rescue Services, I'd like to look back on the season that was.

## THE SEASON IN NUMBERS

PREVENTATIVE ACTIONS	8,956
MINOR FIRST AIDS	20
MAJOR FIRST AIDS	4
RESCUES	4
BEACH ATTENDANCE	72,030
TOTAL VOLUNTEER HOURS	5,853

Despite an estimated 72,030 beach attendees while Anglesea volunteer patrols were being conducted, we managed to have a very minor number of first aids/rescues. This is a metric to be extremely proud of; when the flags are up, incidents on Anglesea beach are drastically reduced. This point is furthered by the fact that quite a few of these responses occurred outside of patrol hours – therefore demonstrating not only the

amazing job our patrols are doing, but also the readiness of our teams to stand up even when not rostered on.

Once again, I wish to thank the Polar Bears and Supporters Group for their assistance in making patrols run smoothly and comfortably this year. They have, for years now, generously contributed funds to allow patrols to be well-fed during and after patrols, through the Jimpy's Bar and the Fish & Chip Shop.

This year we gained 2 new ASRs – ASR 2 and ASR 4. These teams came in effortlessly to help alleviate some of the load that the 5 ASRs from last season had been carrying. Thank you to these teams for stepping up. Thank you also to those 5 ASRs from last season for very capably handling that previous season without complaint.

- ASR 1 – Lachlan Sallabank (C), Connor Huysing (VC)
- ASR 2 – Rob Tennant and David Marsh (Co-Captains)
- ASR 3 – Hannah Shaw (C), Matt Anghie (VC)
- ASR 4 – Will Popovic (C), Steve Christofi (VC)
- ASR 5 – Marli Wilkinson and Kate Owen (Co-Captains)
- ASR 6 – Tilly Campbell (C), Max Mauderer (VC)
- ASR 7 – Will Ussher (C), Maddie Hume (VC)

## ~ AWARD RECIPIENTS ~

Service to Rescue Services <b>Matt Anghie</b>	Most Outstanding ASR Team <b>ASR 2</b>	Margaret Marsh Award for Most Outstanding Club Member <b>James Betson</b>	Lifeguard of the Year <b>Steve Christofi</b>	ASR Team Member of the Year <b>Seb Crozier</b>
---	--	---	--	--

## ~ THE RESCUE SERVICES TEAM ~

**James Betson** needs no introduction as our IRB captain. His commitment to the club for countless years has been recognised at the highest level, receiving the Margaret Marsh Award for Most Outstanding Club Member.  
**Will Pereira** has been an excellent member of the team as always in his role as Patrol Coordinator. His passion for the role and for the Club are demonstrated week in and week out.

**Matt Anghie** rounded out his final year as the First Aid Manager. He has been exceptional not only in this role but as a help to the Club in general. He very deservedly was recognised for this by receiving the award for his significant contribution to Rescue Services at this year's awards night. I'm immensely grateful to have such a competent and helpful team who week in and week out work so hard so that the beach gets patrolled.

## ~ SIGNIFICANT PATROL HOURS ~

### 70+ PATROL HOURS

MAX MAUDERER	89.5 HOURS
SEB CROZIER	81.34 HOURS
JAMES BETSON	79.83 HOURS
DAVID MARSH	77.65 HOURS
MITCHELL REITHER	70.8 HOURS
MATILDA CAMPBELL	70.51 HOURS
KRISTIN REITHER	70.3 HOURS

Thank you to the members who went above and beyond what was required of them and achieved 70+ patrol hours. It's worth noting that these are beach patrol hours only, and these patrollers poured even more volunteer hours into the Club than shown here.

These are immense efforts, for which I'm extremely grateful. There are 239 more names that we unfortunately don't have the space to list here. However, anyone reading who pulled on the red and yellow this season, regardless of how many hours you did, I want to say thanks. At times you may feel

underappreciated, but I promise that every little bit helps, and is absolutely appreciated by myself, the wider Club, and the tens of thousands who come to our beach every year. It's indisputable that surf lifesaving patrols at our beach save lives every single year, and each of you who patrolled played a direct role in that.

# 30+ PATROL HOURS REPORT

30+  
HOURS  
INCLUDING  
WATER  
SAFETY

Max Mauderer	89.50	Matilda McIntyre	42.75
Sebastian Crozier	81.34	Lucy Wallace	42.53

Robert Thomas	44.48	Jeremy Farrington	31.14
Charmaine Turner	43.83	Manning Gratwick	30.97
Lauren Tennant	43.80		

## ADMINISTRATION REPORT

ROBERT MURRAY  
DIRECTOR OF ADMINISTRATION

**The 2023/24 season has been a real standout** for the administration team led by our tireless Club Manager, Raylene. The team have settled into their adjusted roles and there has been a real focus on supporting our membership to ensure that the Club can deliver a safe experience at the beach.

We feel that the realigned positions have been a success and enabled the team to best support our members ensuring membership, nippers competition entries are processed quickly and accurately as well as leading the important day to day administration of the Club and fulfilling the ever-increasing LSV administrative requirements. Jennie Mauderer has continued to shine in this role, and I thank her for her ongoing commitment to our members.

We have had a few new faces in the office this year with Rachael Marano joining the team in the Business Officer position, Rachael has since taken up a new opportunity outside of the Club. We have been lucky to have Lyn Gray take

“  
*We are always open to feedback or new ideas.*  
”

Lyn's many years' experience in financial administration has provided valuable support to the team. Thank you for your continued support Lyn.

I want to thank our Club Manager, Raylene, who continues to work tirelessly to ensure that our great Club continues to function smoothly year round. On top of Raylene's day to day she can be seen

on the additional responsibility of the Business Officer managing the bookkeeping and financial reporting on top of her Support Officer role.

Jennie, Rob and Raylene

helping organise BBQs at carnivals, setting up for Club functions, coming in early to let in events and late at night to clean and lock up. We all want to thank Raylene for her continued dedication to the Club and its members.

Coming in to the 23/24 season administration team had a real focus to ensure that the needs of the members was our No.1 priority and we think we were able to achieve that this season. We look forward to continuing to improve on our processes for the coming season and provide even greater administrative support for all.

As I said last year, we are always open to feedback or new ideas, please don't hesitate to pop in and say hi.

## CLUB CAPTAIN'S REPORT

TILLY CAMPBELL

**What a season we've had!** As I reflect on this last year, and the goals we set as a Club, I couldn't be prouder of the position that we find ourselves in, and our progression from last season until now.

With our two-year Covid nightmare well and truly behind us, we have come so far and achieved, or are on our way to achieving, each and every goal we have set as a surf club. We continued and reinstated traditions, grew our club culture, went above and beyond in competition and training, and we've come out the other side in a position we haven't been in for a long time.

It is now that we are able to look back and reflect on the incredible efforts of all areas of our Club: Nippers and Starfish, Competition Teams, Bronze and the rest of Member Development, the list goes on.

“  
*We've come out the other side in a position we haven't been in for a long time.*  
”

are so proud to have reinstated. This saw us put 16 successful candidates through the IRB Drivers' course, a number we haven't seen in many seasons. We can't thank this incredible crew more for setting the precedent for years of IRB Drivers to come, and for being so outstanding and receptive to our new course. This program could never have succeeded without the amazing support and

work of our IRB captain, James Betson, so from the rest of the Member Development team, we thank you immensely. Alongside this, we had over 75 candidates complete their Bronze Medallion – the biggest camp we have run in years – and we are so proud of our 75 new patrolling members. A big thank you to Will Ussher and our incredible trainers and assessors who helped pull together such a successful camp.

With a raging success in club events last season, we continued this into 2023/24, running yet another Ding Alley Pro surf competition. With competitor numbers far above imaginable and spectator numbers even higher, the event was an incredible success. We ran this event on Good Friday over the Easter period and put on a combined after party/dinner & drinks with the Nippers and broader Club cohort. Open to members of other surf clubs and non-surf lifesaving members, we drew the broader community into our amazing surf club and had an incredible day and night. This amazing event could not have gone ahead without our major sponsor, Go Ride a Wave, as well as the countless hours of work from Bailey Wraith and Will Pereira.

Another huge success was hosting the Wieland Shield competition, where we saw athletes from Victoria compete against the Californian Lifeguards. We put on another extremely fun night, which commenced on the lower lawn for dinner, then transitioned

Tilly with James Betson, receiving the Margaret Marsh Award

Tilly with Anna Hume and Marli Wilkinson. Ding Alley Pro

IRB team

upstairs into Jimpy's Bar for a genuine party, drawing in crowds from our Club and all around the surf coast. This season, we have upheld our place as a family club, but have grown that family to include those far and

“  
*Our Club is what it is today because of the community that we've built for over 70 years.*  
”

Bar, was another huge success. We saw over 160 attendees and recognised outstanding achievements from extremely special people in all areas of our Club and lifesaving. Though we recognised a number

wide. ASLSC has become a home for so many this year and we couldn't be prouder to be the host of such a tight-knit community.

Awards night this year, fuelled by an incredible spit roast and drinks in Jimpy's

of people, I believe it is important to formally recognise James Betson as our recipient for the Margaret Marsh Award as the Most Outstanding Club Person of the Year.

As I look back on this season, and past seasons as well, I sit in a state of pride for the Club we represent. I am proud to be a leader in a club that means so much to so many people, and to see where we've come in the past few years is such an exciting feeling. The Club has such a future ahead of it and although it has come time to step down from my role as Club Captain, I can't wait to see the progression we make in the coming seasons. Our Club is what it is today because of our community that we've built for over 70 years and the dedication of every Club Member to make this Club the best it can be.

Once again, thank you to everyone for their involvement in such an amazing season – what a year it's been!

## CLUB MANAGER'S REPORT

RAYLENE FORDHAM

**This past year has been very rewarding** for both myself, in the role as Club Manager but also for the Club, with success in Competition, Club Fundraising, our on the ground programs like Nippers and Bronze Medallion.

### A SUCCESSFUL YEAR

**On reflection,** I think that the commitment by the leadership team to pre-plan, really fostered an environment to succeed. And it wasn't just the pre-planning but also the genuine commitment from those involved to follow through to a conclusion, working as a cohesive team, supporting each other where needed. I've witnessed such goodwill and positive attitudes from so many Members, which has elevated our Club Culture to one of collective achievement.

### TEAM WORK

**It goes without saying** that to achieve what we need to, requires great team work and I am very fortunate to have a terrific team in the Office. Jennie Mauderer experienced a big year, with hundreds/thousands of memberships to process, programs to administer as well as the ever-growing competition team to support.

“*I've witnessed such goodwill and positive attitudes.*”

We were delighted that Lyn Gray made a commitment to stay on as support, for more hours than was her early retirement plan. A

huge thank you to both who humour my busy style of working.

It would be remiss not to mention the Board, especially when speaking of team work. The leadership of the executive and the broader group is so very

important. From Peter and his helpers here at the Club on all thing's facilities (and more...) to each of the divisions and their commitment to their programs and the wonderful outcomes from their fundraising efforts, all lead by a great President – David Marsh, who leads by example. David would never ask someone to do something he wouldn't, and doesn't, hesitate to do himself. I appreciate and stand taller from being able to support you all in your roles.

The Shop was also quite successful this past season, with a well-received new range. We are really lucky to have a team of wonderful shop volunteers. Without their contribution, the Club could not achieve the outcomes from the shop full stop. Thank you ladies, you know who you are.

Finally, we continue to grow our working relationship with Love House, our hospitality provider. To Tom Mc, Tom L, Simon and the entire hospitality team, we hope you enjoyed a fantastic year and are looking forward to the one to come.

### THE CLUB AND OUR MEMBERS

I feel very lucky to have been embraced with such warmth by the members. Beach Safety is what we are all about, and I'm fortunate to play a small part, however, my biggest reward comes from supporting all of you in any way that I can. I thank you for allowing me the opportunity to be a part of this wonderful Club.

## FACILITIES REPORT

PETER WILLIAMS

DIRECTOR OF FACILITIES

**This past year has been relatively unexciting** in the facilities space with the only new works being additional board racking in the Main Store.

**We have, however, identified several relatively sizeable works** that require attention, the most significant being the replacement of the power distribution board located in the lower carpark. This is the main supply to the club and although it was only installed in 2015 the supply housing has fallen apart! It is necessary to replace the housing and contents and it is anticipated this will cost between \$35 and \$40K. We are also looking to replace the gravel area outside the Main Store with concrete to better control how wet that area gets. This is likely to be between \$10 and \$15K.

“*This is YOUR club, so please help to keep it clean and tidy.*”

As older members would know there was a mural painted by noted illustrator Robert Ingpen in the old clubhouse. Unfortunately, this did not survive the redevelopment but fortunately a photographic record was kept. Thanks to Andrew Mauderer a wall art print was created by having dyes infused into aluminium. This now hangs outside the John Worrell Room.

Thanks to Matt Taylor and James Pollard, the club has embraced the Container Deposit Scheme with a number of bins spread around the club. To date we have raised several hundred dollars.

An area of real concern is the rate of increase of the electricity charges which

are some 41% greater than 12 months ago, although usage has not increased. Members should note that the restaurant area is separately metered thus ensuring Love House pay in full for their usage. The gas supply has also been separated so that the club and Love House each pay for their usage rather than us having to estimate the split.

It's gratifying to note that this year we had only one False Alarm, this time due to insects getting into one of the sensors. If only we could figure a way to get them to pay the \$1850 CFA false alarm charge.

On a more serious note the continued lack of support from members in helping maintain our facility is concerning. Time and again it is left to one or two to clean up the Youth Room or gym or put equipment back from where it was taken. This is YOUR club so please help to keep it clean and tidy rather, than leaving it to two or three volunteer members to do it for you. If you think you can contribute in this way please reach out to us via the office.

Again, my thanks to Matt Taylor, James Betson, Graeme Weber, Mike Martin, Geoff Elliot, Adrian McNaughton and Mick McConnell who all give freely of their time and expertise to keep both the building and the grounds in great shape. My role in overseeing our facility has been made that much easier by the wonderful support I get from Raylene, Jennie and Lyn in the office.

# MARKETING REPORT

EMILY WATSFORD  
DIRECTOR OF MARKETING

The 2023-2024 season has been a landmark period for Anglesea Surf Life Saving Club marked by exceptional achievements both on and off the beach. Among the many highlights, the marketing efforts across the club have played an important role in enhancing the club's visibility, member engagement, and community support.

## BUILDING AN ENGAGED COMMUNITY

Whether online or in person, one of the key highlights for this season was a strong feeling of engagement and passion

“All members and guests feel welcomed and enjoy themselves.”

for the club. Events throughout the season have been extremely well attended which has meant the club has generated significantly more

revenue from events such as the Friday member nights over Summer and the Ladies Lunch than previous years. More importantly, events such as these have created a club environment where all members and their guests feel welcomed and enjoy themselves.

Anglesea social media accounts have grown 11% year on year which demonstrates members are keen to stay connected with the club and share the highlights on and off the beach throughout the year.

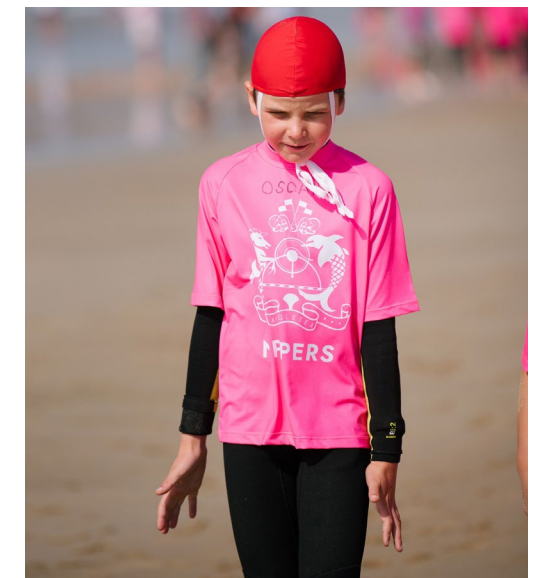

## SPONSORSHIP AND FUNDRAISING

With several sponsors coming to the end of their tenure at the start of this season, we welcomed a number of new sponsors to the club. Of particular note are Hamlan Homes and Bay Plumbing and

Drainage who came on as major partners of the Nipper program and Community Bank who have also given generously to the club this season. We thank all our sponsors for their ongoing support and look forward to a lasting partnership over the coming years.

One of the biggest highlights and sources of pride over the season was seeing the number of members wearing their Anglesea SLSC merchandise around town. Revenue from merchandise was up 34% year on year, with several re-orders for popular items required in January and February. The competition team looked like a professional outfit in their Anglesea uniform too, which was an extension of the most popular shop items. Many thanks to Rob and Emily Murray and their business Sourcey M for their ongoing and tireless support to bring the range to life.

The 2023-2024 season has been a testament to the power of great people doing great things. I am always blown away by the tireless hours so many of our members give to this club and I am truly grateful to be part of this wonderful place. I look forward to continuing to look for new ways to engage and retain our members and drive more growth and revenue through partnerships and sponsorships for this vital community institution.

## YOUTH DEVELOPMENT REPORT

SAM HUME

DIRECTOR OF YOUTH DEVELOPMENT

**Starfish coordinator Matilda Cameron**, alongside our dedicated trainers and families, organised a highly successful Starfish program for over 20 participants this season.

The Starfish team experienced a range of fun and engaging activities throughout the sessions both on the beach and in the water, and at the end of season awards, Deb McKinnon was honoured as Starfish Trainer of the Year. Notably, Jez Dalli won gold in the beach run at the inaugural Adaptive Aussies and secured several fourth-place finishes as well.

The Summer Program was led by Big Nipper Patrick Haseler who, in his second year, was awarded both the Bruce Edmonds Award for outstanding contribution to the nipper program and the Service to Youth Culture Award. Assisting Patrick again this year was James Pollard who ran a team responsible for setup and post-session BBQs. A huge thank you also to Scott Tannahill for frequently volunteering as an IRB driver, as well as our water safety personnel that assisted with keeping our nippers safe in the water. A real highlight for the program was a visit from the Life

Saving Victoria rescue helicopter which thrilled our nippers thanks to the coordination of pilot and club member Wayne Cartwright. Club championships

were held in pleasant conditions, and it was fantastic to see so many nippers having a go in the great conditions. Our Family Night saw a large number of members attend at

the football club for some food, company and presentations.

Now into its fourth year, our shoulder season Nipper program had up to 30 local nippers, providing an additional opportunity for members to engage with the club, improve their confidence and skills in the water, and strengthen the club community. A huge thank you to Matt Taylor who coordinated and ran the program this year with help from numerous parents including Heidi Littleford, Mim Martin, Rachael Marano, Tara Flynn and Eliza Barry.

The club's Youth activities were supported by great sponsors including Hamlan Homes, Bay Plumbing and Drainage, Great Ocean Road Real Estate & Great Ocean Road Holidays, Ocean Road Landscaping, A-Z Plumbing, Big4 Anglesea Holiday Park, the Great Ocean Road Chocolaterie and Anglesea Fruitz. These sponsors help with providing the nippers, age managers and water safety with rash shirts, hats and t-shirts. A huge thank you to each of them for their contribution which keeps our members seen and safe. I would specifically like to thank Hamlan Homes and Bay Plumbing & Drainage who have come on this season as a major supporters of the club nipper program for three years. Please support the sponsors of our club whenever you can and remember to mention you are a club member if you are able to.

Many of the nippers who competed

“  
*It was fantastic to see so many nippers having a go.*  
”

successfully across the season have regularly attended our Club Training Days (CTDs) throughout the year where there is an emphasis on learning surf and beach skills, developing fitness and strengthening friendships. The Anglesea nipper competition team finished 7th overall at the Victorian Nipper Titles at Warrnambool on 8-10 March which was a fantastic effort. Coaches Ivor Morgan, Naantali Marshall, Matt Taylor and I were exceptionally proud of the team's efforts over the three competition days. With a team of just over 40 competitors, Anglesea had some fantastic team and individual results. Grace Hamilton came 3rd in the U9 beach run, and Nilu Hansen came 2nd in the U10 beach flags. Our U11 girls, with enough members to make up two teams, won medals in Aqua Cam, beach relay, flags, long run, sprint, board relay, surf teams, iron and wade relay. Congratulations to Ella Robertson, Ava Macgowan, Charlotte Marsh, Tessa Parr, Chloe McGilton, Ivy Chapple, Maya

McConnell, Amelia Charles and Amelia Hamilton. Byron Morgan came 2nd in the U12 surf race, while in the U12 girls, Kate Taylor took home two silver and one bronze individual medal, and combined with her teammates Zoe Hume, Maddie Crozier and Bonnie McCarroll to come third in the Aqua Cam. Our U13 girls won gold in the beach relay (Eliza Parr, Eloise Spinks, Ruby Macgowan, Mary-Jane Gilbert). Eliza Parr also won gold in the beach sprint and flags. We also came a gallant 6th place in the March Past with a fairly modest preparation!

At the Youth/Senior Victorian Championships held at Ocean Grove on 22-24 March, Anglesea youth had some fantastic results over three long and trying days and were a large part of Anglesea winning the overall point score for the first time in many decades. In the U14s, Noah Chapple won gold in the surf race, iron and tube, while Summer Morgan won gold in the surf race, board, tube and iron, and Mahli McCarroll came 2nd in the flags. In the U15s, Jas Hume

Our Youth Team at The Aussies

“  
*The Aussies was a great experience for our youth girls.*  
”

won gold in the long run and iron as well as team gold in the board rescue with Summer Morgan and 2x1km with Amelia Parr. Caitlin Haseler and Evie Theodore had fantastic swims to secure gold in the surf teams with Summer and Jas. Evie and Amelia Parr also came 3rd and 5th in the beach sprint. In the U15 males, Anthony Chandrasekara came 1st in the flags and Archie Farrow came 2nd, while Anthony also came 2nd in the beach sprint. Archie came 2nd in the 2km run and Fitzy Gilbert came 3rd, and they combined for gold in the 2x1km run, and with Max Bone the four came 3rd in the beach relay. At the Australian Championships on the Sunshine Coast in Queensland, Summer Morgan and Jas Hume won silver medals in the U14 surf race and U15 2km run respectively. They made numerous other finals as did their teams in the board relay,

Cameron relay and surf teams events. Mahli McCarroll came 5th in the U14 flags which was a fantastic effort and Evie Theodore, Caitlin Haseler and Ed Pollard all performed at a high level in their first Australian Championships. The Aussies was a great experience for our youth girls who represented the club with immense effort and pride. Ed Pollard attended the Life Saving Victoria U13 Development Camp, and Jas Hume attended the U15 Camp where they both developed leadership, interpersonal and teamwork skills while also broadening their understanding of lifesaving pathways. In 2024, 10 members between their SRC and Bronze years attended a 3-day Gap Year program in mid-January. This program provided the opportunity to refresh first aid, resuscitation and surf skills through fun and immersive experiences and social events. Paramedic Jacqui Cook and Club Captain Tilly Campbell assisted with some practical aspects of the training sessions,

“  
*A huge thank you to the Supporters Group*  
”

and I would like to thank them for their assistance. A huge thank you to the Supporters Group who once again provided funding for the Youth area of the club including the Starfish Nipper Program through the Hilton White Estate, the competition team and Summer Program via the Gladys Stott Estate, and the local nipper program with training and operational expenses, including funding necessary competition and lifesaving equipment. The Supporters Group also assisted on numerous occasions setting up at events and running some much-loved BBQs. I would also like to thank Trevor and Jacinta Chetcuti who have worked tirelessly in their role as Nipper Team Managers in coordinating entries, water safety, officials and carnival set up and pack up workers.

Yvette Morgan moved up to become the Youth Team Manager and did a magnificent job managing our youth team. At the end of season awards night, the Youth Development Award for outstanding contribution to the youth space went to Jemima Fitzgerald for her fantastic effort and enthusiasm with her nipper age group. The Foundation Future Leadership Award went to Summer Morgan for most promising youth leader, as did the Shane Edmonds Award for most outstanding junior competitor and the Margaret Worrell Award for most points at local carnivals. The President's Award went to Morgan Taylor for most promising youth member for his hard work around the club and general enthusiasm. As we approach the 2024-25 season, please think about how you may be able to support our youth programs and develop the surf club culture in our future lifesavers. Please feel free to reach out if you feel you may be able to contribute.

# NIPPERS REPORT

PATRICK HASELER  
BIG NIP

**This year, there were 416 Nippers who registered for the summer Nipper program, which ran over the Christmas break until the early weekends of January.**

**This is a massive list of young members,** nippers, lifesavers either entering our community for the first time, or continuing their Nipper experience from previous years. Whilst a frantic role, somewhat exhausting, and at times stressful; I am honoured to lead this group of amazing youngsters who are developing into not only fantastic athletes, but more importantly, beautiful young kids.

There are many highlights to reflect on. For me, the highlight is seeing 30-50 nippers in the ocean, all day every day, catching countless waves on the boards and having the time of their lives. Aged between eight and 15, both sexes, just one big bunch of lifelong friends.

This year, the 416 nippers were broken into the following age groups.

## NIPPERS BY AGE GROUP

	U / 7	U / 8	U / 9	U / 10	U / 11	U / 12	U / 13	
	43	53	85	59	63	62	51	

**My barometer of how well the program runs is by how little I do.** This year, I found the program to run seamlessly as there are many hands helping. I don't ask for volunteers, I voluntold. There are many people to thank.

My other goal is to reduce the amount of work Sam Hume does. While this is not easy and I still have a lot of work to do, I did find him doing less this year which is great.

I am ably supported by a wonderful group of age group leaders. Some of them are past Nippers with years of experience, and some are parents who just want to help. The culture at the club is remarkable and something we need to continue to foster and develop.

With people like the Marsh's, Nai Symington, Brad MacGowan, Rob Murray, Tom McCann, Ross Ackland, Brent Walsh

and Morgan Lacey; there is a wealth of experience and can-do attitude to lead the kids through the program.

Furthermore, there is a team lead by James Pollard assisted by Justin Pattinson who help each morning, at 0700-ish, to help get the boards and all necessary equipment on the beach for a 0900 start. Matilda Cameron is always there also, not only leading her incredible Starfish Nippers, but also is a significant help to the Nipper program. Each of them here in the morning, with a smile of their faces. We do get along well, so it is a nice chore to have. We must remember it is their holiday also.

The water safety kids were in solid numbers and a great assistance to the program. Again, the program could not occur without them, so we need to thank and appreciate them.

Scott Tannahill and Kristin Reither were superb in their help with the IRB driving. There nearly every morning between the two of them. They too need to be recognised.

There was a good shipment of new boards at the start of the season which was welcomed. It must be noted that we still need more. Whilst the damage was minimal, there is wear and tear. As the group continues to grow, we need to be able to provide more boards. We will do a formal stock take and request.

This year we were very active in the fundraising. There were many nights at the club where Nippers walked around with the EFTPOS machine and raised money. We were very successful this year:

- Nipper BBQs' \$10,695
- Sale of Old G Boards \$760
- Youth Fundraising Nights \$13,460
- DoorKnock \$36K

It was great to see the Kiosk open this year. With more than 400 nippers and their parents I look forward to seeing how we can

“  
*I don't ask for  
volunteers, I  
voluntold.*

”

As per last year, I dedicated an age group to man the BBQ on one morning only. Again, this works well as most people are happy to help, they just don't know where nor how. Dedicating a morning session to them gives them a sense of pride that they contributed, but also, they make some new friends as

make it even bigger and better next season. We should support making this a centerpiece over that busy period. This area of the Club should shine.

they spend time with them. As evidenced, this was a profitable venture for the Nippers and it highlights the community spirit.

The Nippers are the future of the club. The strength of the club is building, and this is proven with the success seen at the Nipper State carnival where we were placed 7th which is a great result. As a per capita, I would argue we are top 3. Coming 1st in the State Youth / Senior event is just remarkable. Whilst this is not necessarily related to the Nipper program as such, the Nippers recognise the achievements and want to follow in their footsteps.

Special mention must go to Ivor Morgan, Naantali Marshall, Sam Hume, Matt Taylor and Yvette Morgan who dedicate most of their Sunday mornings off season to help prepare the nippers for competition. We often had 20-40 kids training on a Sunday morning which is a remarkable result. The training is hard, very hard, and the kids were exhausted. Still they returned each week – often for a day trip from Melbourne.

I do feel we still need to make more of Jimpy's Bar. Whilst Lifesaving is, and must remain so, the core principle of the club; we do need to increase the community spirit even further. We need more of an incentive to go to Jimpy's Bar. Often at night, at peak season, there are less than 10 people at the club at 7:30pm which I personally believe should not be happening.

Finally, I personally am honored to receive two awards. Being awarded both the Bruce Edmonds Award and the Service to Youth Culture Award, blew me away. I am excited and so proud to support a great Club under the leadership of David 'Ducky' Marsh.

# STARFISH NIPPERS REPORT

MATILDA CAMERON  
ASLSC STARFISH NIPPERS COORDINATOR

The beach was filled with 25 Starfish Nippers this season, along with their brilliant support team of friends, carers, family, and Starfish Nipper trainers.

This group of wonderful individuals means it is an inclusive, respectful, fun, cooperative, safe, supportive and educational environment for all. These key values allow each nipper to strive for their personal best and develop their skills and confidence throughout the season in the water and on the sand. Not forgetting developing their communication and relationship building skills as they interact with nippers from other age groups, other starfish nippers and the trainers. All of this is supported by the incredible trainers

who work one on one with the nippers throughout the eight sessions. The season is a success due to their dedication, commitment, passion and support.

Whether rain or shine, and we had a bit of everything this

our involvement and engagement in the community. We had many nippers, along with their friends, family and trainers, running in the Anglesea Motor Yacht Club's Roo Run. We had entries in both the Janet Jones Classic and 4km event. It was a brilliant effort by all! With thanks to the Anglesea Golf Club, we also enjoyed a day out in their picturesque and kangaroo filled grounds. The Lighthouse Classic walk was another chance for us to connect as a group off the beach and take part in a meaningful event. A large group of us made our way to the Aireys Lighthouse which we touched in honour of Janet Jones and others impacted by cancer. This event raises money for the Fiona Elsey Cancer Research Institute. These experiences give the nippers the opportunity to engage with the wider Anglesea community and connect with one another off the beach.

There are so many people at the club that continue to support our Starfish program and deserve our greatest thanks.

Patrick Haseler was a fantastic big Nipper and I have greatly appreciated his support, encouragement and inclusion of Starfish Nippers. Patrick got us all through another safe and enjoyable Nipper's season.

Naomi Symington, Sam Hume, David Marsh, Matt Taylor, Peter Williams, James Pollard, Jennie Mauderer and Raylene Fordham all go above and beyond to ensure a successful Summer Nippers' program for all. Your support is essential in the running

“  
*I'm always greeted by a group of people who are ready to embrace whatever comes their way.*  
”

season, I'm always greeted by a group of people who are ready to embrace whatever comes their way. It is because of everyone on the beach that this program has such a profound impact on people's lives.

We enjoyed welcoming Kellie from Life Saving Victoria for one of our sessions. Thank you for coming along, getting involved and seeing the way we run our Starfish Nippers program at Anglesea SLSC.

This season was no exception with

of the Starfish Nippers' program so we thank you for the integral part you each play. The team spirit and inclusion does not go unnoticed and is hugely appreciated.

John Russell and the Anglesea Uniting Church have been proudly supporting Anglesea Starfish Nippers for many years and we thank them for their continued generous support of our program.

We were fortunate this season to be supported by The ASLSC Supporter's Group. Their generosity allowed us to put together a Starfish Fun Day in October 2023 involving a canoeing session with the wonderful YMCA Anglesea and lunch at the Anglesea clubhouse. This day gave our nippers, and their friends and families along with some trainers, a chance to connect before the season and explore another aspect that Anglesea has to offer as well as enjoy the clubhouse that we are all a part of. We also hosted an educational session, run by a psychologist, for any trainers that were available. This was an opportunity for them to learn more and inquire into supporting people with a disability. We thank Geoff Elliot and his committee members for their willingness to support the Starfish Nippers program.

The Starfish Fun Day fell on the day after the anniversary of the passing of Janet Jones', co-founder of Starfish Nippers and past Anglesea SLSC Starfish Nippers Coordinator, so the timing also allowed people who Janet meant a lot to, to be together and acknowledge and appreciate that we wouldn't be here if it wasn't for her. Janet continues to motivate us with all that we do in this program and beyond.

On the 20th of April 2024, Mooloolaba Beach was host to many excited athletes as they participated in the inaugural Adaptive Surf Sports events at the Australian Surf Life Saving Championships. Jeremy Dalli competed for Anglesea and won a gold medal in the beach long Run. He came 4th in beach flags, wade race, beach sprint and the board race. His outstanding efforts and achievement were due to his incredible hard work and dedication in training every day in the lead up to the event. We look forward to being a part of this event as it continues to grow in the years to come.

Over 50 Surf and Life Saving Clubs now have a Starfish Nippers program running. It is incredibly encouraging and uplifting to see this number climb as we work towards the mission to have all clubs running an inclusive nippers' program.

# COMPTETITION SURF SPORTS REPORT

IVOR MORGAN  
DIRECTOR OF SURF SPORTS

The past season in Surf Sports at Anglesea Surf Lifesaving Club has been nothing short of remarkable. Our athletes and sectional leaders have demonstrated unwavering dedication, resulting in outstanding achievements at both State and National levels.

### ACHIEVEMENTS

Our success is the culmination of years of hard work and commitment to excellence across all areas. Anglesea's victory at the Youth/Senior State Championships was unexpected yet well-deserved. This triumph exemplifies the principle of quality over quantity, as our smaller team outperformed larger contingents.

### NATIONAL CHAMPIONSHIPS (AUSSIES)

The momentum from our State victory carried over into the Australian Championships (Aussies), where we had numerous standout performances:

### INDIVIDUAL MEDALLISTS

- **Jeremy Dalli**  
1st place, 1km Long Run Adaptive Aussies
- **Summer Morgan**  
2nd place, U14 Surf Race
- **Jasmine Hume**  
2nd place, U15 2km Beach Run
- **Julia Phillips**  
3rd place, Open Female Beach Sprint
- **Abby Lewtas**  
3rd place, 40-44 Years Female Flags

### TEAM MEDALLISTS

- **U19 Female Beach Relay**  
2nd place (Abi Morgan, Lily Shipham, Madeline Marcus, Zali Gallagher)
- **Open Mixed 5 Person**  
2nd place (Melissa Bird, Ryan Nolan, Leonard Freitag, Emma Moore, Rhianna Burke)

- **170+ Years Female Relay**  
2nd place (Sally Cumming, Ilona Carson, Abby Lewtas, Naomi Symington)
- **U19 Male Beach Relay**  
3rd place (Sam Johnson, Connor Hulme, Cooper Stanley, Joshua Scanlon)

### YOUTH COMPETITORS

Despite having only six competitors, our youth team achieved 11 finalist positions and two medals:

- **Summer Morgan**  
2nd place, U14 Surf Race
- **Jasmine Hume**  
2nd place, U15 2km Beach Run
- **Summer Morgan**  
4th place, U14 2km Ocean Swim
- **Mahli McCarroll**  
5th place, U14 Beach Flags
- **Jasmine Hume**  
7th place, U15 Ironwoman
- **Summer Morgan**  
11th place, U14 Board
- **Jasmine Hume**  
12th place, U15 Surf Race
- **Summer Morgan**  
13th place, U14 Ironwoman
- **U14/15 Female Swim Teams**  
8th place
- **U14/15 Female Cameron Relay**  
10th place
- **U14/15 Female Board Relay**  
16th place

Julia Phillips (right)

### BEACH COMPETITORS

With 22 competitors, our team secured nine finalist positions and three medals:

- **Julia Phillips**  
3rd place, Open Female Beach Sprint
- **Zali Gallagher**  
6th place, U19 Female Beach Sprint
- **Cooper Stanley**  
8th place, U19 Male Beach Sprint
- **U19 Female Beach Relay**  
2nd place
- **U19 Male Beach Relay**  
3rd place
- **Open Mixed Beach Relay**  
4th place
- **U17 Male Beach Relay**  
5th place
- **Open Female Beach Relay**  
5th and 8th places
- **U19 Male 2x1km Relay**  
6th place

### OPEN WOMEN'S R&R

- **Open Mixed 5 Person**  
2nd place
- **Open Women's 5 Person R&R team**  
6th place

### MASTERS COMPETITORS

- **170+ Years Female Relay**  
2nd place
- **Abby Lewtas**  
3rd place, 40-44 Years Female Flags
- **Sally Cumming**  
4th place, 40-44 Years Female Sprint
- **Sally Cumming**  
8th place, 40-44 Years Female Flags
- **Naomi Symington**  
5th place, 45-49 Years Female Flags
- **Ilona Carson**  
6th place, 45-49 Years Female Flags

Julia Phillips with Peter Van Miltenberg and John Baldock

Second at The Aussies. 170+ Years Female Relay: Sally Cumming, Ilona Carson, Abby Lewtas, Naomi Symington

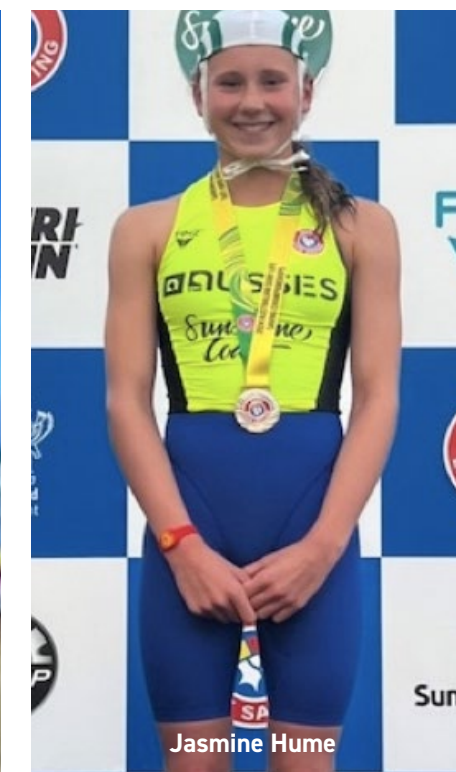

Abby Lewtas, right.

Summer Morgan

Noah Chapple

Jasmine Hume

#### ADAPTIVE AUSSIES

This year marked the inaugural Adaptive Aussies for all abilities, and we were proudly represented by Jeremy Dalli, who achieved the following results:

- **1st place**, 1km Long Run Adaptive Aussies
- **4th place** in Beach Flags, Wade Race, Beach Sprint and Board Race

#### CLUB PERFORMANCE

Anglesea finished 19th overall at the Aussies and was the highest-placed club from Victoria. The growth of our beach team from six to 22 competitors was a major contributor to this result, and our beach team ranked 7th overall.

#### FUTURE GOALS

While our Youth and Open competitors have excelled, we currently lack senior water competitors at States and Aussies. Developing this area further presents a significant opportunity to strengthen our team and provide role models for our younger members. We encourage any former competitors to re-join and contribute to our continued success.

#### NIPPER ACHIEVEMENTS

Our Nipper team had another strong year, finishing 7th overall at the Warrnambool State Championships. Despite having fewer competitors than many other clubs, our team consistently performed well, featuring in numerous finals and earning medals and State Championships.

#### YOUTH TEAM

Our youth competitors excelled, with highlights including outstanding results at States and Aussies, Summer Morgan and Noah Chapple being named U14 overall Water Champions at States and numerous strong performances throughout the season, showcasing the depth in our youth ranks.

#### BEACH TEAM

Our beach competitors have been outstanding this season. You can see the success they have had from the results listed at Aussies, but they were equally as impressive at States with Sam Johnson/Saxon Beale (tied) and Julia Phillips who took out the men's and women's Open Beach overall champions.

#### BOAT TEAMS

Our boat section performed well, with the U23 boys racing as the only Australian crew at Piha, NZ, and the Women's Reserve team making the State Team. Also, the U23 men's crew (Storm) made the third round at Aussies.

#### R&R TEAMS

R&R has been very strong at Anglesea for many years, and this continued at States and Aussies. At States, the R&R teams were awarded the Geoff Waters R&R trophy for overall point score winners.

#### MASTERS

Competitors excelled at the State Championships in Lorne, showcasing remarkable talent despite being a small group of 8 beach and 10 water participants. Their performance in team events was particularly impressive, with numerous medals earned across both water and beach categories.

#### IRB TEAMS

The reinvigorated IRB team also enjoyed success. Competing at various carnivals, they have already experienced the thrills and spills of IRB racing.

#### RECOGNITION

We congratulate our members who represented Anglesea in Surf Lifesaving Victoria State Teams:

- **Pathway Interstates**  
Summer Morgan, Mahli McCarroll, Jasmine Hume, Morgan Taylor, Noah Chapple
- **Open Interstate & Super Surf Team**  
Saxon Beale, Julia Phillips
- **Super Surf Team**  
Patrick Kenny, Kate Walker, Sam Johnson
- **Interstate Championships**  
Reserve Women Boats - Lara Jeffery, Melissa Russell, Lauren Tennant, Bec Chisholm, Scott Tannahill (Sweep)

These achievements have been made possible by our outstanding sectional leaders, club sponsors, and the Supporters Group. Special thanks to Scott Davidson and QMC Logistics. Their generous support meant that we could transport equipment to and from the Clubs training camp and then Aussies on the Sunshine Coast. Thanks so much to Scott and QMC Logistics, and congratulations to everyone involved in our shared success.

## BEACH TEAM REPORT

ADAM MARTIN  
BEACH TEAM MANAGER

**Wow!!!** What an amazing season the Anglesea Beach Team had this year.

**Our squad grew significantly in numbers during the 2023/24 season** where we were regularly having over 20 athletes attending local carnivals and at team training sessions at South Melbourne each Sunday. We welcomed a number of new competitors, and their families to Anglesea this year and they all contributed immensely to both the culture and success of Anglesea SLSC over this summer surf season. It was great to see Mia Spencer back competing on the beach after a few years away and we welcomed Madeline Marcus, Abi Morgan and Lily Shipham who really strengthened our junior women's team. This growth in numbers is a result of a continuous & co-ordinated effort over

“  
*This growth in numbers is a result of a continuous & co-ordinated effort over the last few years.*  
”

the last few years to provide a welcoming and attractive beach program at Anglesea.

The local 2023/24 LSV competition program started in early October with a beach event carnival at Williamstown; from here on there

were a number of 'full' and 'beach' carnivals held around various Melbourne and Surf Coast beaches this season. Despite some imbalances in the timing of carnivals, it was fantastic to see the club represented at all carnivals across the season. Anglesea won the club point-score on multiple occasions throughout the season, demonstrating our athletes made the most of every competition opportunity and were always ready to

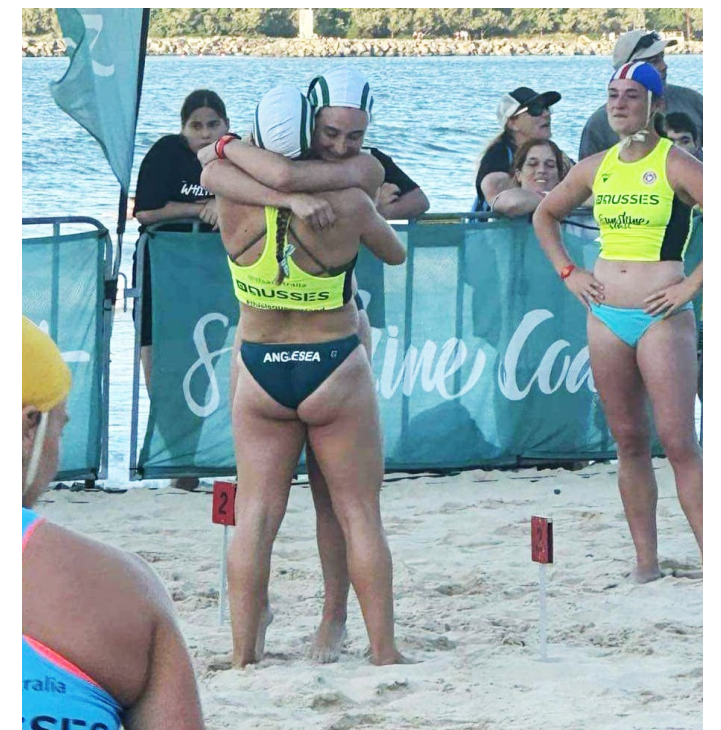

perform at their best; especially come State and National Championship events.

In early January, Julia Phillips and Saxon Beale were both selected to represent Victoria in the 2024 Australian Interstate Surf Life Saving Championships at Maroubra with Julia being given the coveted honour of being named Captain of the Victorian State Team. Both Julia & Saxon had excellent results with Julia winning the Open Female Beach Sprint event and placing 4<sup>th</sup> in the Beach Flags while Saxon, in his first major competition since having the complete 2023 season off due to injury, came 2<sup>nd</sup> in his pet event the Open Men's Beach Flags. These great results helped Victoria place 2<sup>nd</sup> overall in the Opens Teams Event, which is their highest placing for many, many years. Mahli McCarroll was also selected in the Victorian U14 Pathway team that also competed at Maroubra, achieving 5<sup>th</sup> place in both the flags & sprint events.

Julia & Saxon were joined in Maroubra by fellow Anglesea beachies Patrick Kenny, Sam Johnson and Kate Walker with all five being selected to represent Victoria in the Super Surf Teams League competition, competing against the top athletes from across Australia over three days of back-to-back intense competition. This was a fantastic experience for everyone that provided a very high level of competition that we don't get in Victoria. All Anglesea athletes competed very well with some fantastic results but unfortunately, it was a bit of 'lightning striking twice' for Saxon who severely injured his shoulder in the final

Second at The Aussies: U19 Female Beach Relay. Abi Morgan, Lily Shipham, Madeline Marcus, Zali Gallagher

of the men's beach flags that saw him out of competing for the following two months. We really congratulate all our Anglesea beachies on their amazing achievements during this time.

As everyone is aware, the club achieved the most incredible result at this year's Victorian Surf Life Saving Championships by winning the overall club points-score; the first time since 2016. The Anglesea beach team contributed significantly to the club's result by obtaining over 280 points over the weekend as well as being the number 1 beach club!! This was not only due to our elite individual performances over the weekend but to all those competitors who were part of relay teams or competed out of their age groups or in unfamiliar events just to make teams, so that the club continued to tally up those points – it all made a difference. By the end of the weekend the team had won an impressive 13 Gold, 10 Silver & 14 Bronze medals along with many other finalists and placegetters.

Some notable performances include:

- Fielding *four* Open Mixed Beach Relay teams in the final, finishing 1<sup>st</sup> (Kate Walker, Julia Phillips, Sam Johnson, Saxon Beale), third, fourth and sixth;
- Winning the Open Male Beach Relay

(Saxon Beale, Connor Huysing, Sam Johnson, Cooper Stanley) for the first time in many years;

- Julia Phillips winning her first ever Open Female Beach Flags; Julia winning 4 Gold medals from 4 events and was subsequently awarded Champion Female Beach Competitor;
- Our group of very talented junior boys & girls consisting of Cooper Stanley, Sam Johnson, Connor Hulme, Abi Morgan, Madeline Marcus, Lily Shipham, Rory Theodore and Josh Scanlon winning many medals between them across both age (U17, U19) & Open events;
- Sam Johnson and our beach team Co-Captain Saxon Beale, having recovered from his earlier shoulder injury, being awarded joint winners of the Champion Male Beach Competitor;
- Numerous finals where Anglesea had 3 or 4 or even 5 of the top 6 place getters; and
- We achieved many medallists and top-6 places in the 2km run and 2 x 1km relay events which went on to contribute significantly to Anglesea's club point-score win.

And from the excitement of winning both the beach section and club point-score at the Victorian Championships our focus

“*We have set a very high bar this year and planning has already started for next season*”

quickly moved to the ultimate event of the season, the Australian Surf Life Saving Championships. This year's event was held on the Sunshine Coast where Anglesea had

a very large team of 22 athletes in the beach competition area of the Open Championships. It must be said that our sprinters led the way over the three days of competition with many finals reached in both sprints and

relays with Anglesea being one of the top performing clubs competing on the sand – in fact all five single-gender relay teams made their respective finals.

Of high recognition must be to our three medal winning performances:

- Zali Gallagher, Abi Morgan, Madeline Marcus, Lily Shipham – 2nd, U19 Female Beach Relay
- Julia Phillips – 3rd, Open Female Beach Sprint
- Cooper Stanley, Sam Johnson, Connor Hulme, Josh Scanlan – 3rd, U19 Male Beach Relay
- We also had another 7 finalists, finishing in the top 8 in Australia:
- Julia Phillips, Sam Johnson, Kate Walker, Saxon Beale – 4th, Open Mixed Beach Relay.
- Kasper Hardt, Connor Hulme, Ayden Fawaz, Jensen Martin – 5th, U17 Men's Beach Relay
- Julia Phillips, Kate Walker, Mia Spencer, Isabella Fletcher – 5th, Open Women's Beach Relay
- Zali Gallagher – 6th, U19 Female Beach Sprint
- Ayden Fawaz, Ashton Scarff – 6th, U19 Male 2 x 1km relay
- Ashton Scarff – 7th, U19 Male 2km run
- Cooper Stanley – 8th, U19 Male Beach Sprint
- Zali Gallagher, Stephanie Larkin, Anna Plessinger, Isabella Robinson – 8th, Open Female Beach Relay

We also had a number of athletes reaching event semi-finals: Kasper (U17 sprint), Connor (U17 sprint & flags), Abi, Zali & Madeline (U17 flags) and Abi also in the U17 sprint, Sam (U19 sprint) and Saxon in the Open Flags.

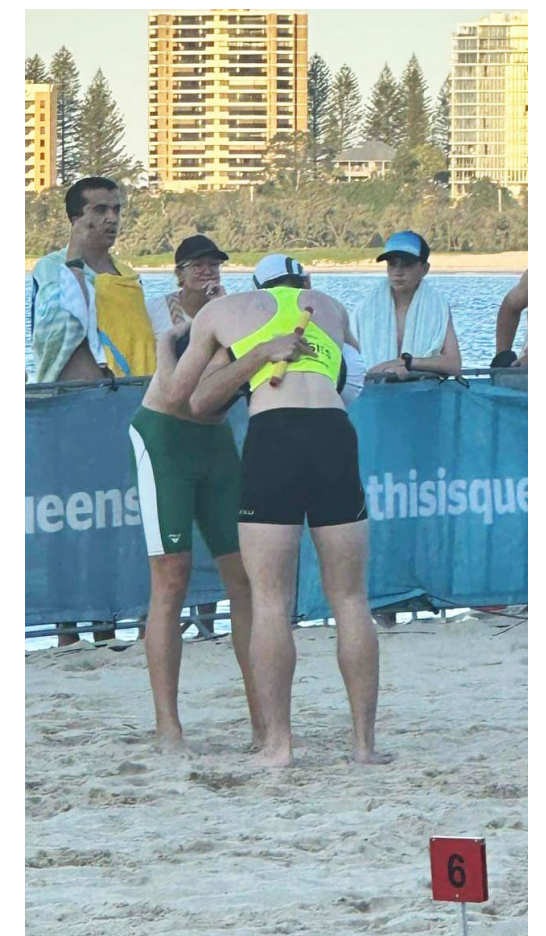

It should also be noted that we had two finalists in the Youth Championships with Jasmine Hume winning a silver medal in the U15 Female 2km run & Mahli McCarroll finishing an amazing 5<sup>th</sup> in the U14 Female Beach Flags. And we cannot forget our four Masters women of Abby Lewtas, Naomi Symington, Ilona Carson & Sally Cumming who all had a fantastic couple of days of competition, bringing home a silver medal in the 170yrs female beach relay, Abby winning bronze in the 40-44yrs female beach flags, Sally finishing 4<sup>th</sup> in the 40-44yrs female beach sprint & 8<sup>th</sup> in the flags, and Naomi & Ilona finishing 5<sup>th</sup> & 6<sup>th</sup> respectively in the 45-59yrs female beach flags. Well done ladies, it was awesome to see you all on the sand competing for Anglesea - a fantastic “warm up” for the World Titles in September!!!

So not only did Anglesea compete wonderfully on the beach at Mooloolaba but it was very pleasing to receive, from various sources (including officials), positive feedback on how well behaved, organised, and supportive the members of Anglesea beach team were during the carnival; something that, not only the athletes, but the entire club can be proud of.

It is no small task, and not by luck, getting 22 athletes, of varying ages and geographies, well prepared and at their ultimate athletic capability for the Aussies. There were a number of people that contributed so much time & support to our team; a big thank you to Robert & Jill Kenny, Jill Murray, Russell Johnson, Kate Walker, Saxon Beale, Vanessa Jacobs and of course our two coaches Peter Van Miltenburg and John Baldock. Thanks also to Fanbelt (David Eades) & Scotty Tannahill for getting our tent not only from Anglesea to the Sunshine Coast but it was unpacked and transported from the container at Maroochydore & all set

Third at The Aussies: U19 Male Beach Relay.  
Sam Johnson, Connor Hulme, Cooper Stanley, Josh Scanlon

up ready to go at Mooloolaba for the entire week of competition before the first athletes even arrived.

We would also like to specifically acknowledge the tremendous support provided by our team sponsor Morgans Financial who again this year helped finance our team accommodation at the Sunshine Coast.

We must also congratulate several other achievements by some of our team members this season:

- Madeline Marcus, in her first year competing for Anglesea, won the Bruce Thompson Award this season – a tremendous effort by Madeline and reward for your consistency and dedication over the season.
- Julia Phillips winning the very prestigious Bay Sheffield women's 120m gift in Adelaide.
- Kate Walker and Mia Spencer having several wins and place finishes in various gifts around the state over the season,

with Mia finishing 4th in the 70m open women's handicap at Stawell.

- Marli Wilkinson claiming silver in the Open Women's 400m hurdles at the Australian Track & Field Championships and at the Oceania Athletics Championships in Fiji where she was selected to represent Australia.

Overall, this season was a massive success for Anglesea. None of this would have been achieved without the amazing leadership of Peter Van Miltenburg and John Baldock. The team is so fortunate to be under the guidance of these talented and inspiring coaches; the time and effort that they dedicate to us is quite simply immeasurable.

We have set a very high bar this year, and planning has already started for next season and this year's World Championships; the challenge is really there in front of us to improve and exceed this year's achievements – and our team is more motivated than ever to do so!

## IRB TEAM REPORT

JAMES BETSON  
IRB TEAM CAPTAIN

**The season started off strong with the resurgence of Silver Camp.** This season was the first time Silver Camp had been run on the Bronze week since 2018, and it was great to have it happening again.

Sixteen young members attended the camp and gained their IRB Drivers award. This camp is extremely important in establishing a core group of IRB drivers that assist in all aspects of lifesaving, whether it be ASR and patrol duties, assisting with the running of crew courses, nipper water safety, Rock2Ramp water safety, carnival water safety for our

Competition Teams or the thrill of IRB racing. It was great to see all the newly qualified drivers helping in all these areas and I'm very proud of them all! A

*I am extremely appreciative of everyone who assisted.*

big thank you to Lachy Sallabank for his assistance in running the camp alongside myself. It was a great experience for everyone involved.

The next part of our IRB training endeavors was the running of crew courses to teach important skills to our newly qualified Bronzies. A total of four separate crew courses were run over the peak summer season, with the assistance of our newly qualified drivers, it was so good to see so many new faces keen and eager to get into the boats and further progress their lifesaving skills, and I hope to see them all at the Silver Camps in the years to come.

There were the standard jobs we are

faced with every year, such as another successful running of Rock2Ramp where we had a presence of seven boats assisting with water safety and the setting of the course. There were the countless carnival water safety shifts filled, at times one of the more difficult tasks to organise people for, but as we build our team of drivers it certainly makes it easier and I am extremely appreciative of everyone who assisted, which involved trips to beaches all along the Victorian coastline!

Now to one of my favorite parts of the year, the IRB racing season. What may come across as a crazy idea to race IRBs in big surf through the coldness of winter, is a key part in developing rescue-ready crews and drivers, where the experience is gained in a way you would struggle to simulate.

Coming off the back of a successful first year return, the Anglesea IRB Team continues to grow. We came into our first carnival of the year with a total of six teams ready for their turn on the start line. Two open men's teams, an open women's team, U23 men's team, U23 women's team, and our old faithful men's master's team. There were four carnivals and the State Championships for the 2024 race season. Every carnival saw an improvement in the team's performances, impressive considering it was the first

Masters 3rd best crew of the season

2024 IRB Team. Waiting for action.

Ducks in a row

*We believe there are big things coming for the IRB team.*

boats to race with this season, we would not have been able to do it without them. Of course, another massive thank you to

year we have all raced together, with half the team being completely new to the sport. There were multiple finals appearances, again impressive given the circumstances. A massive thank you to both Mordialloc LSC and Cape Patterson SLSC who lent us

our officials and volunteers, in particular Scott Tannahill who assisted at every carnival, these events could not be run without them, and I am extremely grateful for their support. We believe there are big things coming for the Anglesea IRB team, which I am very proud and grateful to be a part of.

All in all, it was a fantastic season for all aspects of IRBs with things moving in a very good direction! Thank you to everyone who helped over the season, you are all the reason I'm so proud to be a part of this club!

## RESCUE & RESUSCITATION REPORT

CHRISTINE CARDWELL  
R&R COACH

**After a less intense season last year,** it was great to have two senior teams hit Aussies on the Sunshine Coast. Our small dedicated group consists of a lot of talent, experience and come from all walks of life and are slightly geographically challenged for training but always come together at the right times to make the event of Rescue and Resuscitation (R&R) look effortless.

It was great to have former R&R members in Bronwyn Marsh and Marli Wilkinson come back into the fold to join the Open Women's team. It was 10 years since Marli won gold in U/15, 5-person event at Scarborough

Aussies in 2014, so it was encouraging to have her back on board providing her 'can do' attitude.

Bron's last experience in R&R was over 15 years ago but just like riding a

bike she got back into the drill easily. Great to have Bron's enthusiasm and strong team commitment to bolster the ranks.

Having Emma Moore back in the ranks for Aussies was also a huge boost for the group benefiting from her wealth of experience and leadership skills.

During the local carnival season teams were formed on availability to get members in sync, which provided good hit outs in all conditions as well team members experiencing other event positions. With the new LSV composite team rule our teams were assisted by other club members when unable to fill a full Anglesea member team.

In February at the Geoff Waters OAM R&R Memorial carnival we were able to field three senior teams. At this carnival

it was encouraging to have some further competition from our South Australian neighbours with Seacliff SLSC attending.

At Aussies, Alexandra Headland beach produced some ever changing and challenging conditions, but our belt swimmers Ryan and Marli showed their surf experience by finishing in top 3 from heats through to finals. Ryan particularly in the final of the Open Mixed swam a super race placing a close second up against a much younger opponent. Disappointing experience for our Open Women after going into the final ranked in first position but coming out in 6th place. After such a good run in the heat, it wasn't our day. For this newly formed team there are still a lot of positives to take away, as well as the resilience gained from these situations, which plays such a big part in the development of a team.

At this juncture I would like to acknowledge the unwavering dedication of Warren Clarke, whether it be transporting reels locally or to Aussies, maintenance on reels, filling in for teams at training and at competition, officiating and in general, providing amazing support and comradeship. We can't thank Warren enough.

We would also like to thank Maddie Brown for supporting the teams in our training and competition schedule – we couldn't have done it with you! We look forward to having Maddie back full-time next season.

“  
*For this newly formed team there are still a lot of positives to take away.*  
”

Second at The Aussies: Open Mixed 5 Person.  
Melissa Bird, Ryan Nolan, Leonard Freitag, Emma Moore, Rhianna Burke

**Also, a big shout to the Anglesea Supporters Group** – thank you for all that you do for the members!

Some highlights during the season include:

- Anglesea hosting a LSV Coaching Development Workshop.
- Anglesea R&R teams hosting Seacliff SLSC – training session and social gathering.
- Recipients of the inaugural Geoff Waters R&R Trophy – Victorian Championships.
- Three events at States and three gold medals.
- Team dinner at Aussies supported by the Club
- Entered two teams for Aussies and making two finals.
- Open Women's 5- person Final - Aussies
- 2nd place – Open Mixed 5-person team – Aussies

**Our R&R Team Members are:**

Emma Moore  
Rhianna Burke  
Melissa Brown  
Bronwyn Marsh  
Marli Wilkinson  
Madeleine Brown  
Ryan Nolan  
Leonard Freitag  
Warren Clarke

**Finally,** we welcome any member that would like to be part of a committed and supportive competition team environment – as long as you know your left from your right!

## SURF BOAT REPORT

SCOTT TANNAHIL  
BOAT CAPTAIN

**With the off season now in full swing,** it's time to reflect on the season that was. Once again, the Anglesea Boat Section did not disappoint and although we were down on the number of crews we would have liked, we were certainly not down on quality results and growth within.

The season began with the purchase of our long-awaited new boat and for that, we cannot thank our sponsors enough. M.C. Herd, Hamlan Homes and Vitratech came to our call for assistance which meant the \$32,000 towards the new boat did not come out of general club revenue. It should also be noted that the support from the owners of these great companies, the three long time members in Frank Herd, Ian Begley and Adam Morgan is gratefully valued by all our rowers and other members alike.

*I am extremely appreciative of everyone who assisted.*

Our crews this season were made up of an Under 23 Men's, Reserve Men's and our Reserve Women's.

The 23's are in their first of three years in the grade and placed top three in every Victorian event entered and showed they will be up there with the best at National level very soon. The highlight for the crew was a bucket list must do when they travelled to New Zealand's infamous Piha Beach where they represented Australia and in doing so, won the Under 23's and placed 5th in Open Men. Look out for the "Storm".

Our Under 19's didn't get on the water this season, so we put together a mixed

crew which included the two Yockins brothers and a couple of Pirates. The crew went very well at all events and missed on one point in making the State Team. Thanks so much to Stephen Christofi and Manning Gratwick for getting back onboard and in doing so, keeping Baxter and Huddo on the water.

We were unable to field an Open Women's crew this year. This was primarily due to injury, however we pulled together four of the most experienced rowers this state has ever produced. Due to family and life influences, the crew were unable to put a lot of time on the water, however through the knowledge, experience and fitness, the girls raced well enough to qualify for the SLSA Interstate Championships and represented the Reserve Grade. Along the way, placing very well at all carnivals including some memorable wins.

Next season two of our youngest crews will be taking on the George Bass Marathon. This is the most iconic event in Surf Life Saving and in its 50th year is a must do for any crew. It starts in Batemans Bay and ends 7 days later and 190km down the coast at Eden.

As already mentioned, we have had some incredible support from some amazing club members and this generosity has been added to by

members who work so hard to help keep our Boat Section going and for that, our appreciation goes to Fanbelt (David Eades), Rob Tennant, Ryan Yockins, Raylene Fordham, Jennie Mauderer and of course the Club Board.

Finally, I must thank the Rowers who have not only helped keep our section going with all the hard training and travel commitments, but most importantly, the time each of you put into patrolling our great beach and for helping make the Anglesea SLSC the strongest Club in the State.

### Reserve Grade Women ('Lightning')

Stephen Christofi, Manning Gratwick

## 2023 BURSON ROCK2RAMP OCEAN SWIM REPORT

TOM CULLEN  
RACE DIRECTOR

The **2023 Burson Rock2Ramp Ocean Swim** was conducted on Thursday 28 December 2023 for the 28th time at Point Roadknight Beach, Anglesea. The event attracted our second highest number of swimmers with 1040 participants and approximately 3000 spectators on the day.

**Matt Gilling, who was second in the men's 2.5km event in 2022, finished in first place in 2023** with a time of 00:36:39, ahead of Robbe Dilissen in second

“  
*The event attracted our second highest number of swimmers*  
”

(00:37:13) and third placed Tommy Lane (00:37:5) in challenging conditions. In the women's 2.5km Dakota Mathers finished in first place with a time of 00:43:20. Rachel Ward was second (00:45:03) and Sofia Piaia was third (00:46:50).

Campbell Batchelor was the men's

winner of the 600m event with a time of 00:08:56 and Zoe McKenna was the female winner for the second year in a row with a time of 00:08:45. This is a great short swim to have a go in if you are new to open water swimming and want to have a go.

The 1.2km event, Robbe Dilissen was the open male winner with a time of 00:16:50, with second place awarded to Tom Urquhart (00:17:21) and then Harry Atkins (00:17:29) in third place. Surf Lifesaving Iron Women Naomi Scott was the open female winner with a time of 00:17:22. Dakota Mathers placed second (00:17:27) and Anglesea SLSC's own

Naantali Marshall was third (00:17:39).

Just under 100 kids participated in either the 200m or 300m Kids Dash. This is a participatory event for children aged 6 to 11 years old, with all participants receiving a t-shirt and random prizes on the finish line.

“  
*Thank you to everyone who attended and supported the event.*  
”

In the Surf'n'Turf Category, which is a combination of times from the Roo Run's 8km run and the Burson Rock2Ramp Ocean Swim's 1.2km swim, it was a family affair with Sam Hume the male winner (00:45:04)

and daughter, Jasmine Hume the female winner (00:50:52).

The Burson Rock2Ramp Ocean Swim Team would like to say thank you to everyone who attended and supported the event with much needed funds going to the Club to ensure we can continue to provide essential rescue services to the Anglesea community and visitors. We would particularly like to thank Garry Johnson for his continued significant support of the event and the Anglesea Motor Yacht Club.

We look forward to seeing you again at the 2024 Burson Rock2Ramp Ocean Swim on Saturday 28 December 2024.

## GOLF DAY REPORT

SHANE EDMONDS + MARK GOWANS  
EVENT ORGANISERS

The **2023 Annual Golf Day Fundraiser** saw a significant change in the format with a shift to a Sunday for golf and the spinning wheel raffle being held for the first time in the John Worrell room at the surf club on the Saturday evening preceding the event.

Shane with Ducky

Lyn Gray

NAGA! James Betson and Kristin Reither

The outcome of this change was a fantastic success overall and will be the new formula going forward for the event.

Over 70 golfers took part in the event, which took the form of an Ambrose Pairs event. A 9.30am shot gun start on a drizzly Sunday morning eventually turned into a fine sunny day for all those taking part.

The 'Chompers BBQ' was once again a hit with the famed burgers on offer alongside bacon & egg rolls, which look to be a welcome new addition to the days refreshments. All which is always complimented with the BBQ out at the 16th Tee.

From ourselves, a huge thank you to those who support the event by volunteering. Always on hand are Matt Solly, Scott Tannahill & Matt Taylor. The 16th Hole Team Daryl "Ocker" Johnson and Geoff "Simba" Inman. To all the Club patrons and donors who contributed

toward the running costs of the event, your generous support is very much appreciated.

Huge thank you to the members and friends who attended the Spinning Wheel fundraiser the night before, which made it a success. We appreciate all of our generous sponsors and donors who contribute the many prizes.

There are many that assisted both on the night and in the lead up sourcing prizes for the raffle especially: Margaret Edmonds, Raylene Fordham (prize sourcing); Margaret Edmonds, Lyn Elliott (arranging/handing prizes to winners); Jan Marsh (co-ordinating money and raffle tickets); Mick McConnell, Geoff Elliot, Bernie Murray (managing the bar); Raylene Fordham (food) and the all the wonderful Dolphin's who eagerly worked the room selling raffle tickets!

We look forward to a bigger and better event this year.

Jenny Inman

### GOLF DAY RESULTS

#### CATEGORY WINNERS

**John Worrell Trophy** (Men's Pair)

David Hanson/David Jenz

**Betty Thompson Trophy** (Ladies Pair)

Jenny Inman/Noelene Dumbrell

**Chisolm/Gage Trophy** (Mixed Pair)

Graham Mills/Jan Stewart

**Graeme Pitcher Trophy** (Surf Club Pair)

Jeremy Roberge/Ben Stewart

**Longest Drive (18th hole)**

Men's - David Marsh

Ladies - Noelene Dumbrell

**Nearest the Pin**

3rd hole - Colin Biemans

6th hole - Greg Hoobin

13th hole - Lyn Gray

16th hold (Sandy Talbot Trophy) - David Jenz

**NAGA** - James Betson / Kristin Reither

## DOORKNOCK REPORT

FIONA FITZGERALD  
DOORKNOCK COORDINATOR

Our Annual DoorKnock continues to go from strength to strength, raising \$36,346 on the night and with sizable donations coming in via the online donation gateway across the following days.

We had a great turnout from members, with most areas collected on the night. Our Nipper families continue to be the backbone of this event, making up 90% of the members who volunteered for this fundraiser. Holding this event in December again proved successful in terms of households being full and our Nipper families around to help out. We have managed to reduce the time commitment for members with the event now running in totality between 5.30pm and 8.30pm.

Thanks to all those families who helped out on the night. We continue to try and encourage our older members to get involved in this important event to enable us to collect in more challenging areas in terms of size and gradient and ensure every door in Anglesea is knocked on.

## SILVER SALTIES REPORT

HETTI RAMP

SILVER SALTIES COORDINATOR

**The Silver Salties** Bodysurfing program provides a skills-based Bodysurfing and Beach Awareness program for local community members.

Many of our members volunteer in other activities including the Rock2Ramp, the Club Shop and administration, water safety and Starfish Nippers.

We are delighted to have further strengthened bonds with the Starfish Nippers, with more Salties having joined to assist. In addition, the Salties group has warmly welcomed several more Starfish volunteers into our Bodysurfing program.

We are very excited to have new caps, making us easily recognisable when we take to the waves. The caps proudly include insignias of both the ASLSC and the federally SLSA funded Silver Salties program. This was made possible through income derived from volunteering at the Anglesea Resale Shed. Many thanks to Elite Caps also for their support.

An interview on ABC Radio National about our program gave us the opportunity to increase awareness of the Silver Salties program, and highlight the contribution this Club has made to our community.

A few stats from this season:

- 49 active participants
- 3 new trainees
- 12 Official sessions
- Casual sessions as follows:
  - 19 days in December
  - Most days of January, February and March
  - 2-3 times a week in April and May.

As always with grateful thanks to Jennie Mauderer, Raylene Fordham and Lisa and Simon Howden for their support. Thank you to all our water safety Salties and every single member of the program for your support, enthusiasm, camaraderie and joy of life.

## POLAR BEARS REPORT

MICK McCONNELL

CHIEF BEAR

### GROWL GROWL GROWL !

Our older social winter swimming group thoroughly enjoyed season 2023-2024 just gone, with Covid a distant memory.

**The Bears continued supporting** Anglesea Rescue Services in the amount of \$2300 for vouchers for specialised clothing, fuel etc.

Meetings are usually held the 1st Sunday each month May to November. All are welcome, both members and non-club members.

As usual totally unauthorised and inaccurate

## SUPPORTERS GROUP REPORT

GEOFFREY ELLIOT

CHAIR - SUPPORTERS GROUP ADVISORY COMMITTEE

**As in previous years,** this season the trustees of the Hilton White Estate made another significant donation to the Club through the Supporters Group.

**This has enabled the purchase of additional equipment** used by the Nipper, Dolphin and Starfish groups and provides continuing financial support for the Starfish and Youth Development programs over future seasons.

Another 'Weber Barbeque' fundraising raffle was successfully conducted this year by Geoff and Jenny Inman and we thank them for their continuing generosity and support. This initiative has contributed in the order of \$14,000 over the past five seasons.

In this past season, the Supporters Group were pleased to provide support for the following:

- Purchase of two new Charger competition skis for the Dolphin program.
- Membership fee subsidies for the Local Nipper program.
- Purchase of a trophy for Rock2Ramp swim.
- Provision of food vouchers to Saturday patrol members.

- Underwriting of the Nipper Family Fun Night conducted at the Anglesea Football & Netball Club.
- Worked with the Starfish Nippers coordination committee to assist with the creation of a program of activities for season 2023 - 2024 and established a budget for that program.
- Provision of funding to support members selected to undertake personal development and training courses.

- Provision of subsidies to assist five ASLSC youth members selected in the Victorian team to attend national competition held interstate.
- Conducting the break-up BBQ lunch for the Bronze Camp participants.
- Provided funding for further upgrade works to the Club Youth Room and the equipment wash down area.

We thank the President and Directors for their support and we look forward to the opportunity to continue our contribution to the success of our great Club.

DOUGLAS JOHN "SOL" SOLLY

7 / 5 / 1949 - 28 / 2 / 2024

## THE PASSING OF A CLUB LEGEND

In February of this year Anglesea SLSC lost one of its finest sons.

The sudden passing of Doug Solly (or 'Sol' as he was known to many) was a shock to everyone who knew him at our Club since becoming a qualified lifesaver in 1961. Originally nicknamed 'Ant', (as older members remembered him as a 'speck' on his board surfing the big sets

“  
*His knowledge of the surf was unprecedented ... he was one of the best around.*  
”

during the early days at Anglesea), Doug developed into one of the most competent 'surf savvy' members that our Club has seen. His knowledge of the surf was unprecedented as was subsequently demonstrated by his ability to compete at the highest levels in a wide range of surf sports. Whether as a surf swimmer, a board paddler or a surfboat sweep, he was one of the best around. Many were able to benefit from

his advice and skills during his 60-year association with our Club, and more generally throughout his involvement in lifesaving at State and National levels.

His list of awards and achievements is too long to list in this testimonial. However, some of the more notable included numerous Club and State junior and senior championships in Surf and Belt Races, Long Board and Malibu Board, Taplin, and R&R. He was a member of the 1966 Junior R&R team which won the Australian SLSA Championship. In the early 1970s he shifted his focus to sweeping surfboats. He then became one of the Club's, and the State's, greatest sweeps. Anyone who rowed with him developed respect for his surf knowledge and wave sense. He was masterful in managing the surf under any conditions and crews were in good hands when Doug was holding the sweep oar.

Particular mention should also be made of his commitment to supporting females in surfboat rowing. He had great

A true waterman's farewell: Sol's guard of honour (top) and paddle-out circle (below)

success with his Master's ladies' crews culminating in winning a gold medal at the World Life Saving Championships held in Lorne in 2006.

Apart from his involvement in patrolling and competition Doug also served the Club in many Club roles including as Junior Captain, Senior Vice Captain, Gear Steward, Boat Captain, and Vice President. Doug was Manager of the ASLSC's Team to California in 1986.

Among his many achievements he was awarded ASLSC Life membership in 1986 followed by his induction into the Club's Hall of Fame in 2021. In 2005 he was also awarded Life Membership of the Victorian Surf Rowers League.

Doug's influence extended well beyond his involvement in our Club. He helped other Clubs as a mentor to young boat rowers and involved himself in a diverse range of other community activities. These included establishing a local swimming group and participated in the local dog walker's group (with his

constant canine mate, his Foxy 'Pete', occasionally terrorising some of the other dogs, and owners, for some light entertainment).

His popularity and the respect for him was demonstrated on March 14, the day of his memorial, which was attended by hundreds of people for the spreading of his ashes at Point Roadknight followed by a service and reception at the Surf Club later that day.

Doug was, indeed, a legend in the true sense of the word. In fact, an institution. His passing has left a large hole in Anglesea Surf Life Saving Club, the surf lifesaving movement, the Anglesea community, and the many friends who will miss his wisdom, and his dry sense of humour.

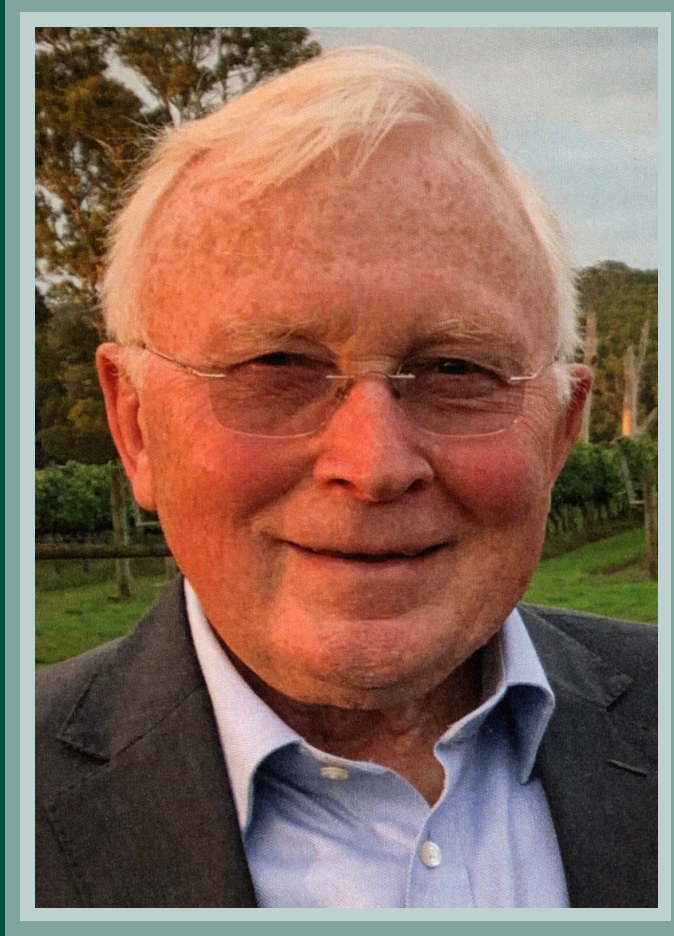

We extend our deepest sympathy to Lorraine, Melissa, Michael, Matthew, grandchildren, and extended family.

Valé, Doug.

~ Barry White, David Eades

**BARRY RICHARD JOHN**

**25/9/1937 ~ 30/10/2023**

*Bronze 15/2/1958 - V519; Instructors Certificate 1961/62; ASLSC Committee 1959/60; ASLSC Boat Captain 1960-64; Patrolled for seven years*

Barry was a significant contributor to ASLSC's Boat Rowing success. A Quantity Surveyor by profession he was an innovative thinker on Surf Boat design & construction materials, whilst also adapting off season fitness under well known weight training expert Stan Nicholes, who supervised Olympic Rowers, Davis Cup Tennis players &

even the Pt Lonsdale SLSC Boat crew. Barry spent many years in Oman, project managing large constructions for the Sultan of Muscat. Many of his international contacts attended his memorial Service at Greenacres Golf Club. He is survived by wife Duyen, son Andrew & daughter Erica  
~ Ajax Sutherland

# VALE

**CARL WARREN FIDLER**

**4/1/1936 - 4/11/2023**

*Carl joined ASLSC with his twin brother Bruce and older brother John in 1952*

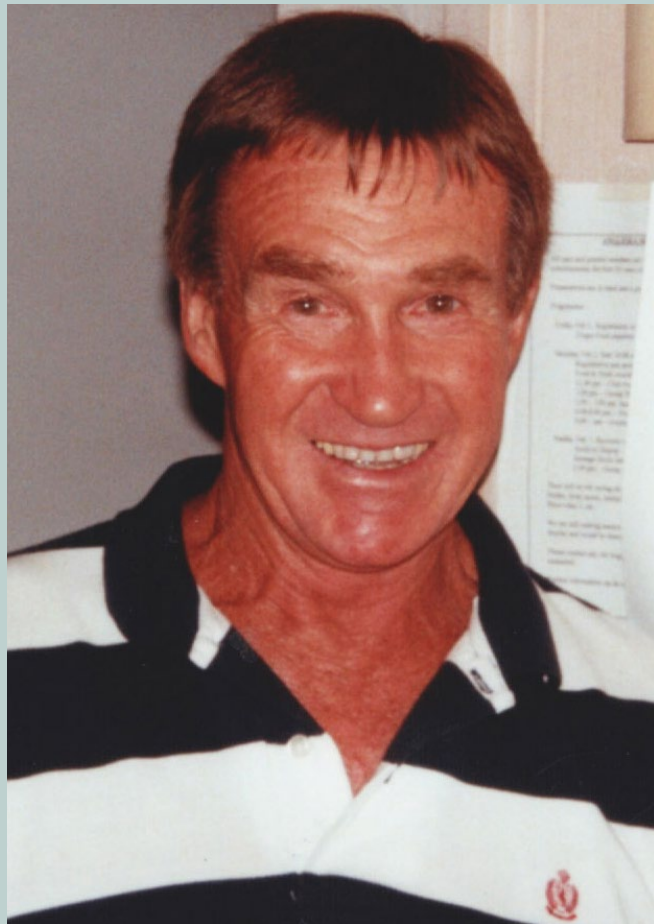

Carl obtained his BM in 17/1/1953, number 43198, and then with Bruce travelled overseas. They answered a call at Australia House London, from Alan Kennedy of SLSC to be part of a team to go to Bude in Cornwall to give demonstrations and instruct people to become Life Savers.

Bude SLSC was soon formed and so Great Britain had their first Life Saving Club using Australian Surf Life Saving regulations and so would be able to attend the first International Carnival to be held at Torquay during the 1956 Olympics in Melbourne.

On returning to Australia Carl & Bruce became very active Members at Anglesea SLSC competing in R&R and other events. In 1954/55 Carl was ASLSC Gear Steward, 1955/56 on gaining his Instructor's Certificate 1955/56 became Assistant Instructor, later Chief Instructor in 1961/62, 1962/63. Carl maintained his membership even though he later moved to Queensland. In 2003 he gained a 50 Year SLSC Service Award making him an Honorary Member, 2013 a 60 Year SLSC Service Award and at the recent AGM in 2023 was granted a 70 Year SLSC Service Award, our first member to do so.

ROBERT WINFORD KENNEDY

10/1/1937 - 16/7/2023

Rob joined the club in 1955 and obtained his Bronze Medallion in January 1955 and Instructors Certificate in 1957. He was on the Committee for two years and Assistant Chief Instructor, before serving as Club Captain for three years from 1959 to 1961. During this time Rob was involved with Ray Marsh in the construction of the new clubhouse.

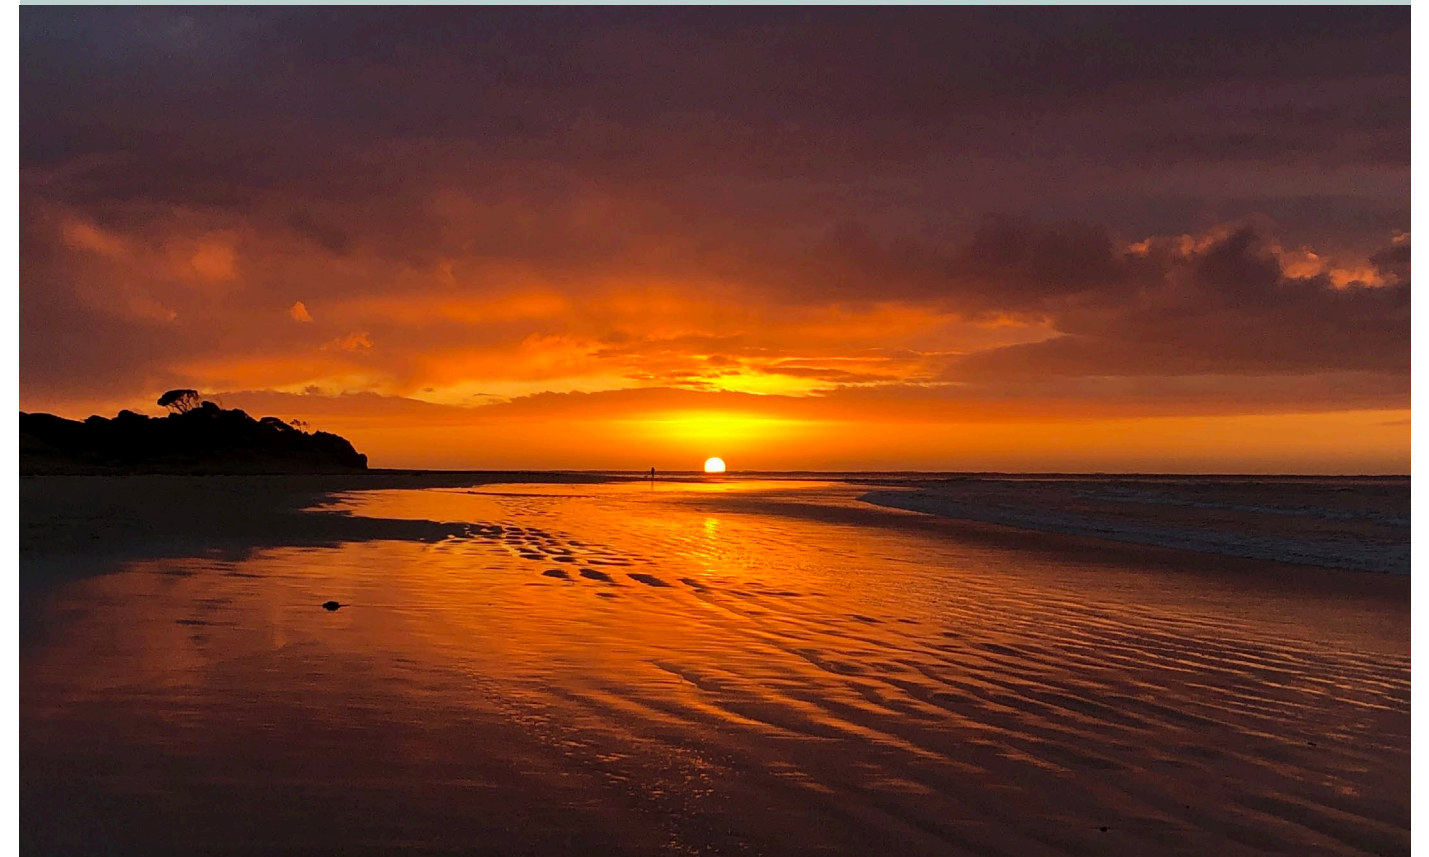

Rob continued to serve in various positions as Delegate to SLSV, Board & Ski Captain and Treasurer. He was best Clubman in 1957/1958 and again in 1959/1960 (equal with Ralph Harrison).

He was Inducted into the ASLSC Competition Hall of Fame in 2012 as a member of the 1960's Senior R&R Team.

Rob was a strong swimmer and was a member of John Worrell's R&R Team from 1958 to 1966. He also competed in Surf Board events, winning numerous Club Championships. He was coached by Percy Cerutti at Portsea. Rob won the Flinders to Pt Leo 5Km Board Race in 1959 and 1960. Rob will be remembered as a leader, and for his contribution to all aspects of Surf lifesaving and Anglesea SLSC

Notes to the Financial Statements

ANGLESEA SURF LIFE SAVING CLUB INC  
For the year ended 30 April 2024

1. Statement of Significant Accounting Policies

In the trustee's opinion, the Incorporated Association is not a reporting entity since there are unlikely to exist uses of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. This special purpose financial report has been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*. The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of *AASB 101 Presentation of Financial Statements*, *AASB 107 Statement of Cash Flows*, *AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors* and *AASB1054 Australian Additional Disclosures*. The accounting policies that have been adopted in the preparation of the statements are as follows:

Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

Inventories

Inventories are carried at the lower of cost or net realisable value.

Inventories acquired at no cost or for nominal consideration are measured at the current replacement cost as at the date of acquisition.

Property, Plant and Equipment

Property, plant and equipment is initially recorded at the cost of acquisition less, if applicable, any accumulated depreciation and impairment losses. The plant and equipment is reviewed annually by directors to ensure that the carrying amount is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the utilisation of the assets and the subsequent disposal. The expected net cash flows have been discounted to their present values in estimating recoverable amounts.

Trade and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the association that remain unpaid at 30 April 2024. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

Notes to the Financial Statements

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Revenue Recognition

Revenue from the sale of goods is recognised upon the delivery of goods to customers.  
Revenue from the rendering of services is recognised upon the delivery of the services to customers.  
Revenue from commissions is recognised upon delivery of services to customers.  
Revenue from interest is recognised using the effective interest rate method.  
Revenue from dividends is recognised when the entity has a right to receive the dividend.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax

Transactions are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

Employee Provisions

Short-term employee benefits

Provision is made for the association's obligation for employee benefits arising from services rendered by employees to balance date. Current employee provisions are those which employees are currently entitled to and are measured at the amounts expected to be paid when the liability is settled.

Non-current employee provisions are measured at the present value of the expected future payments to be made to employees. The expected future payments incorporate anticipated future wage and salary levels, experience or employee departures and periods of service, and are discounted at rates determined by reference to market yields at the end of the reporting period on high quality corporate bonds that have maturity dates that approximate the timing of the estimated future cash outflows.

The association's obligations for current employee benefits such as wages, salaries and sick leave are recognised as part of accounts payable and other payables in the statement of financial position.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

# FINANCIAL STATEMENTS

ASLSC FINANCIALS

Notes to the Financial Statements

Grants

Grant revenue is recognised in the income statement when the entity receives the grant, when it is probable that the entity will receive the economic benefits of the grant and the amount can be reliably measured.

If the grant has conditions attached which must be satisfied before the entity is eligible to receive the grant, the recognition of the revenue will be deferred until those conditions are satisfied.

Where the entity incurs an obligation to deliver economic value back to the grant contributor, the transaction is considered a reciprocal transaction and the revenue is recognised as a liability in the balance sheet until the required service has been completed, otherwise the income is recognised on receipt.

Anglesea Surf Life Saving Club Inc receives non-reciprocal contributions of assets from the government and other parties for a nominal or zero value. These assets are recognised at their fair value on the date of acquisition in the balance sheet, with an equivalent amount of income recognised in the income statement.

Donations and bequests are recognised as revenue when received.

Government Grants

Government grants received are recognised in the income statement when the entity receives the grant, when it is probable that the entity will receive the economic benefits of the grant and the amount can be reliably measured.

2. Resilience Fund

During the current financial year the club launched the 'Resilience Fund' with the ambition of raising a total of \$1,000,000 over 10 years.

The fund has been established to ensure the Club has the appropriate resources, infrastructure and equipment to keep our beaches safe. Additionally, the fund will support the Club to continue be a great community leader and to provide safe avenues for our membership to learn beach and life skills, compete and/or participate in the running of our Club.

### Financial Declaration of the Committee

ANGLESEA SURF LIFE SAVING CLUB INC  
For the year ended 30 April 2024

The Committee declared that in the Committee's opinion:

- There are reasonable grounds to believe that the registered entity is able to pay all its debts, as and when they become due and payable; and
- The financial statements and notes satisfy the requirements of the Australian Charities and Not-for-profits Commission Act 2012.

Signed in accordance with subsection 60.15(2) of the Australian Charities and Not-for-profit Commission Regulation 2013.

David Marsh (President)	
Toby Dickson (Director - Finance)	

Sign date: 28/6/2024

# FINANCIAL STATEMENTS

## ASLSC AUDIT LETTER

### Independent Audit Report to the Members of Anglesea Surf Life Saving Club Inc.

#### Report on the Audit of the Financial Report

##### Qualified Opinion

I have audited the financial report of Anglesea Surf Life Saving Club Inc. ('the Association') which comprises the Statement of Financial Position as at 30<sup>th</sup> April 2024, Trading Statement, Statement of Profit and Loss, Statement of Cash Flows and Statement of Changes in Equity for the year ended 30<sup>th</sup> April 2024, Notes to the Financial Statements, including a summary of significant accounting policies, and the Financial Declaration of the Committee.

In my opinion, except for the matters described in the Basis for Qualified Opinion section of this report, the accompanying financial report presents fairly, in all material aspects, the financial position of the Association as at 30<sup>th</sup> April 2024, and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the *Associations Incorporation Reform Act 2012 (Victoria)*.

##### Basis for Qualified Opinion

###### Revenue

As is common in organisations of this type, it is not practical for the Association to maintain an effective system of internal control over cash receipts until their initial entry in the accounting records. Accordingly, my audit in relation to cash receipts was limited to amounts recorded.

###### Inventory

I did not attend the year-end stock take and was unable to perform alternative procedures to gain reasonable assurance over the balance of inventory held at 30<sup>th</sup> April 2024.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# FINANCIAL STATEMENTS

## ASLSC AUDIT LETTER

### Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Committee Member's financial reporting responsibilities under the *Associations Incorporation Reform Act 2012 (Victoria)*. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

### Responsibilities of the Members of the Committee

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the *Associations Incorporation Reform Act 2012 (Victoria)* and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Members of the Committee.

# FINANCIAL STATEMENTS

## ASLSC AUDIT LETTER

- Conclude on the appropriateness of the Committee Members' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the financial report represents the underlying transactions and event in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Association to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the Association audit. I remain solely responsible for my audit opinion.

I communicate with the Members of the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

# FINANCIAL STATEMENTS

ASLSC FOUNDATION FINANCIALS

## Notes to the Financial Statements

Anglesea Surf Life Saving Club Foundation Pty Ltd  
For the year ended 30 April 2024

### 1. Statement of Significant Accounting Policies

#### Basis of Preparation

In the trustee's opinion, the Foundation is not a reporting entity since there are unlikely to exist uses of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. This special purpose financial report has been prepared to meet the reporting requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of *AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors and AASB1054 Australian Additional Disclosures*

The accounting policies that have been adopted in the preparation of the statements are as follows:

#### Material Uncertainty Related to Going Concern

The directors have considered going concern and believe the company can continue as a going concern. However, attention should be drawn to the directors consideration of ceasing operations in the next 12 months. This consideration is not as a result of the foundation being unable to realise its assets, or discharge its liabilities, in the normal course of business. The consideration is given simply as a means of simplifying the financial affairs of the Anglesea Surf Life Saving Club.

Discussions around ceasing operations are ongoing and a decision will be made in the near future.

#### Trade and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

#### Financial Assets

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

#### Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at 30 April 2024. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

FINANCIAL STATEMENTS  
ASLSC FOUNDATION FINANCIALS

Notes to the Financial Statements

Provisions

Provisions are recognised when the entity has a legal or constructive obligation resulting from past events, for which it is probable that there will be an outflow of economic benefits and that outflow can be reliably measured. Provisions are measured using the best estimate available of the amounts required to settle the obligation at the end of the reporting period.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

Revenue Recognition

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue from interest is recognised using the effective interest rate method.  
Revenue from dividends is recognised when the entity has a right to receive the dividend.

	2024	2023
<b>2. Cash &amp; Cash Equivalents</b>		
<b>Bank Accounts</b>		
Cash Management Account	16,692	20,182
Sandhurst Trustees	27	26
Total Bank Accounts	16,719	20,208
Total Cash & Cash Equivalents	16,719	20,208
	2024	2023
<b>3. Financial Assets</b>		
<b>Shares and debentures</b>		
Investments	422,000	422,000
Movement in Market Value	68,599	46,970
Total Shares and debentures	490,599	468,970
Total Financial Assets	490,599	468,970

FINANCIAL STATEMENTS  
ASLSC FOUNDATION FINANCIALS

Directors Declaration

Anglesea Surf Life Saving Club Foundation Pty Ltd  
For the year ended 30 April 2024

The Directors declare that the trust is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The Directors declare that:

1. The financial statements and notes, as set out on pages 1 to 8 present fairly the trust's financial position as at 30 April 2024 and its performance for the year ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations); and
2. In the trustees' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

## ASLSC FOUNDATION AUDIT LETTER

### Independent Audit Report to the Directors of Anglesea Surf Life Saving Club Foundation Pty Ltd as trustee for Anglesea Surf Life Saving Club Foundation

#### Report on the Audit of the Financial Report

##### Unmodified Opinion

I have audited the financial report of Anglesea Surf Life Saving Club Foundation, which comprises the statement of financial position as at 30<sup>th</sup> April 2024, Statement of Profit and loss and other comprehensive income, movements in equity, statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors declaration.

In my opinion, the accompanying financial report has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-Profits Commission Act 2012* including:

- (a) Giving a true and fair view of the registered entity's financial position as at 30<sup>th</sup> April 2024 and of its financial performance for the year then ended; and
- (b) Complying with Australian Accounting Standards to the extent described in Note 1 and Division 60 of the *Australian Charities and Not-for-Profits Commission Regulation 2022*.

##### Basis for Opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report. I am independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

##### Material Uncertainty Related to Going Concern

I draw attention to Note 1 in the financial report, which indicates that the ongoing discussions about foundation to be wound up. As stated in Note 1, these events, or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Foundation to continue as a going concern. My opinion is not modified in respect of this matter.

# FINANCIAL STATEMENTS

## ASLSC FOUNDATION AUDIT LETTER

##### Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Associations financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

##### Responsibilities of the Responsible Entities for the Financial Report

The responsible entities of the Association are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the Association. The responsible entities' responsibility also includes such internal control as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the responsible entities either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

The responsible entities are responsible for overseeing the registered entity's financial reporting process.

##### Auditor's Responsibilities for the Audit of the Financial Report

My objective is to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.

# FINANCIAL STATEMENTS

ASLSC FOUNDATION AUDIT LETTER

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the responsible entities.
- Conclude on the appropriateness of the responsible entities use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association’s ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor’s report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and event in a manner that achieves fair presentation.

I communicate with the responsible entities regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

I declare that I am an approved auditor, Fellow of CPA Australia and a Fellow of Chartered Accountants Australia and New Zealand and hold a current Public Practice Certificate.
