# PRESIDENT'S REPORT

Anglesea is a club that strives to be welcoming, inclusive, supportive and respectful, whilst demonstrating excellence in what we do through innovation and hard work. The 2016/17 season brought with it several changes but also a new focus. The focus for the season was on governance, risk management, improving communication and member recognition. In my first year of Presidency we have achieved a lot as a Club.

I would like to acknowledge Warren Clarke who assisted me to transition into the role of President. Warren has been an outstanding leader of the Club and his guidance has been invaluable. Thank you also to Peter Williams and Chris Porter for your guidance and to my wife Romany for your support.

The 2016/17 season saw several changes to the Board. Jim Geary and Tim Mason, after many years of tireless work and leadership of their respective portfolios, moved on just prior to the start of the season. Thank you to both for the significant contribution you have made to the Club.

We welcomed Chris Foley (Vice President Operations), Matthew Symington (Vice President Lifesaving) and Mike Martin (Secretary) onto the Board. Their support and guidance to me has been outstanding and I look forward to working with them further in seasons to come.

During the season, we welcomed Hugh Moodie as Club Captain, replacing Ashley Smith. Thank you to Ash for your commitment to the Club. We also welcomed Mieke Foster to Director of Member Development.

One of the most exciting projects for the Club is the Building Redevelopment. This season saw the formation of the Building Redevelopment Committee to provide strong management of the project. The committee will be led by Peter Williams as Chair. Peter is supported by Andrew Suttle (Construction Chair), Ingilby Dickson (Fundraising Chair), Chris Porter (Transition Chair) and Noel Langford (Project Office Chair). Graeme Weber will also assist as secretary for the team. Thank you to all for your contribution, experience and expertise to this once in 50-year project. Thank you also to PDS Group for supporting this project as the Project Managers.

The inaugural Anglesea SLSC Opening Night Cocktail Party was held in late December last year. This was an opportunity for the Club to recognise all Club Office bearers/leaders, sponsors, Patrons and community leaders who have contributed to the club over a number of years. We recognised the Anglesea Surf Rescue (ASR) group for their dedication to patrolling on the Anglesea beach, in particular Elise Langford and Lloyd Simpson. Tina Kay was recognised for her tireless

efforts running the Merchandise Shop. Shane Edmonds and Mark Gowans who coordinate the Golf Day Club fundraiser were acknowledged, as was Kevin Rigg for his long-term commitment to Senior Competition as Team Manager. We also acknowledged all of our sponsors, major donors and Patrons, they all play a vital role supporting the club. We look forward to continuing to work with them for many years to come.

The night also welcomed back to the Club, Rowena Webster as the guest speaker. Rowena started out as a nipper at Anglesea, then completing her Bronze Medallion, before Water Polo took over. She has since represented Australia including participating in two Olympic Games and is now Captain of the Australian Women's Water Polo Team. Rowena spoke about her journey and her love of Anglesea and the Club.

A big thank you also to Mike Martin AM for leading Development Week and overseeing award processing/assessment for the Club. This was a huge undertaking for Mike and his leadership and commitment to these important programs was outstanding. Thank you also to Mason Schwabe and Sean McVernon for your leadership and innovation of the IRB Training Program. This season they led several changes to this area to improve the standards of crewpersons and drivers within the club.

We had another successful season on the beach serving the Anglesea Community. The patrolling members, under the leadership of David Simpson and Jack Fry, did another outstanding job which saw an increase in on-patrol training. Thank you to all Patrol Captains, Vice Captains, Anglesea Surf Rescue and patrolling members for the many hours you contributed on the beach.

From a leadership development perspective, I was very fortunate to be invited to attend the Surf Life Saving Australia Leaders Masterclass in Sydney. This was a fantastic opportunity to further develop my leadership skills whilst networking with other national, state and club leaders.

Congratulations to Max Mauderer who was awarded the Fred Westfield medal at the Victorian Junior Lifesaving

Championships in Warrnambool. The medal is awarded to the best all round U14 athlete across the 2016/17 season.

Congratulations to Naantali Marshall who scored three gold medals in the 40-44 Board Race, Ironwoman and Surf Race at the Surf Life Saving Australia Championships held on the Gold Coast, in the Master's competition. Well done also to the Open Mixed 5 Person R&R team of Melissa Bird, Emma Moore, Ryan Nolan, Georgina Brown and Callum Brennan, winning gold in the Open competition.

In 2009, Mentone Life Saving Club and Anglesea Surf Life Saving Club formed a Senior Competition alliance. In April, this year, Mentone LSC's executive decided to dissolve the alliance, effective immediately. Both clubs have valued the alliance and there is no malice or bad blood. We wish each other the best for the future.

The Nipper Program was again conducted seamlessly (from my perspective) under the leadership of Naomi Symington and Fiona Fitzgerald and their team. Thank you also to Janet Jones and her team for another successful year of the Starfish Nippers Program.

The Annual Doorknock was again a significant fundraiser for the club raising over \$30,000 on the night for the Club. Thank you to Rachael Keeble for her coordination of this event. The Rock2Ramp had a few challenges this season with the threat of sharks in the area and poor weather. However, the event was conducted successfully with numbers only slightly down on previous years. Thank you to the Organising Committee for their efforts.

Captain Moonlite has been a success for the Club this season with significant local, state and national recognition as a top eatery along the coast, which is great for the Club. Whilst we had some teething problems, partly due to this success at the beginning of the peak season, the Club is working with them to resolve this ahead of next season. Thank you to Matt & Gemma.

Congratulations to John Worrell, recipient of an Order of Australia for service to surf lifesaving in this year's Queens Birthday Honours list. John has dedicated over 65 years of his life to surf lifesaving holding countless roles including: Foundation member (1952), Club Captain (1961-65), President (1978-81), Patron (since 2005), ASLSC Life Member, LSV Life Member and SLSC Life Member. Well done John, and thank you for your service.

I would like to acknowledge Ingilby Dickson, as he steps away from the Board as Director of Administration, into the Fundraising Chair position for the Building Redevelopment. Ingilby has provided a significant contribution and dedication to the Club for over eight years. On behalf of all Club members I would like to thank Ingilby. I would also like to acknowledge David Simpson, as he steps down from the Board as Director of Rescue Services, after 8 years on the Committee and Board. David has overseen the re-building of Anglesea Surf Rescue and guiding significant improvements in on-patrol training. On behalf of all Club members I would like to thank David.

Thank you to Jaci Chin-Jewson and Jenny Mauderer in the Club Office. It has been a challenging season with the office staff learning the ropes whilst experiencing ongoing IT issues, which are now resolved. I am sure all members appreciate the amount of work that they have done.

Preparations for 2017/18 are well underway with focuses on the following:

- Greater member engagement opportunities including a new program called Salty Dogs and various social activities;
- Continued improvements to member and stakeholder communication;
- Promotion and recruitment of Surf Sports to build us back to being a strong competition club;
- Continued enhancements to the Member Development portfolio with the introduction of a new program called Surf Camp, and
- The Building Redevelopment Project.

Thank you to all Directors, Club leaders, sponsors, partners, members and supporters for your contribution to the Club this season and I look forward to seeing you at the Club soon.

**Tom Cullen**  
President ASLSC

# VICE PRESIDENT - OPERATIONS

Following a 15 year break from holding an official position in the Club, it has been rewarding to take on the role of Vice President, Operations this year alongside Matt Symington and Tom Cullen.

Given the talent and efforts of our existing Directors in the areas of Administration (Ingilby Dickson), Marketing (Jim Geary), Facilities (Simon Horne) and Finance (Richard Carr), much of the day to day activity of the portfolio has continued to operate smoothly and efficiently. This has allowed me to focus on strengthening the club's governance which has seen the development and implementation of independent Governance and Finance Committees. Through these committees, recommendations have been made to, and accepted by the Board resulting in the following outcomes:

- Governance Principles developed and adopted to guide Board activities and decisions.
- Development of a governance framework to manage risks, resources and responsibilities for the upcoming clubhouse redevelopment which is anticipated to cost \$5 million.
- Development and implementation of a risk management framework and strengthening of the club's risk policy.
- Implementation of financial auditing standards that exceed our current obligations but position us for the clubhouse redevelopment which will involve a significant increase in fundraising and expenditure.
- A new procurement policy and process.
- A workshop for club leaders to review this year's financial performance, set and agree future priorities and commence preparation of budgets for the following year.

These outcomes have only been possible through the contributions of members on both committees who have generously shared their wisdom, insight and experience from a range of commercial, business, government and not-for-profit backgrounds and perspectives. I am grateful for their efforts and ongoing interest in building a resilient, robust and well governed club and look forward to their continued involvement.

## Governance Committee

Lloyd Simpson  
John Turner  
Peter Williams  
Ingilby Dickson

## Finance Committee

Bruce Anderson  
Richard Carr  
Noel Langford  
Robin Veal (until March 2017)

An additional initiative this year has been to upgrade our office information technology infrastructure (computers, printers and WIFI). Funding for this has come partly from a state government grant resulting in replacement of most of our aged infrastructure and equipment to improve efficiency and operations with the redeveloped clubhouse in mind.

A couple of our longest serving Directors in the portfolio have/are moving on so I would like to thank and recognize the significant contributions made by Ingilby Dickson and Jim Geary.

Ingilby steps down at the AGM to focus his time on the new and important role of Fundraising Chair for the clubhouse redevelopment. Ingilby has been Administration Director since 2008 during which time his achievements include:

- **Management of Ray Marsh Room** to generate \$20,000 revenue from room hire.
- **Outsourcing of Bar and Cafe** from 2009 to deliver \$25k in additional income which has been more than doubled this year following his establishment of a new partnership with Captain Moonlite.
- **Office administration** including the thankless tasks of managing our membership database, fund raising collections, management of professional staff and the accounts payable function.
- **Annual report** - Coordinating all areas to ensure a professional report each year and recognised to be the best quality in Victoria.
- **Merchandise shop** - Oversee the shop operations and admin to ensure no stock leakage and margin contribution to club.

Ingilby has also been on the Rock2Ramp swim committee for the last 8 years, is still active as a Life Saver on Patrol and has been a competitor for the club since 2004; winning 4 Australian Masters medals (all bronze) and countless State Masters medals mostly gold!!

Jim Geary stepped down prior to Christmas and has been deservedly enjoying the freedom of weekends and mid-week nights without club related commitments or activities. Following several year's involvement as a Nipper parent, Jim become Marketing Director in 2007 and his achievements since then include:

**Secured sponsorships and grants exceeding \$1m in value** including:

- \$100k five-year Nipper sponsorship with LinFox
- New Patrol Vehicles and ATVs
- Replacement patrol gear including rescue boards, Defibs, training mannequins etc
- Solar power system
- Solar hot water system
- \$600k outdoor media sponsorship promoting Anglesea

**SLSC in key Melbourne locations**

- Conceived and secured Board support to purchase an offsite storage facility in Anglesea which is now paid off and generating rental income while storing gear.
- Been a core photographer of club events such as the Rock2Ramp and also Nippers and competitions covering State, Interstate and Aussies

Jim has also played a key role in the ongoing success of the Rock2Ramp swim, by leading the events marketing and sponsorship activities for the last nine events.

**Marketing**

This year we focused on improving member and community engagement and communication via the club website and social media.

Our website was totally rewritten and redesigned before Christmas and made accessible on mobile devices as can be seen below. The use of clean white space, simple navigation and lively images has improved the appeal and usability of the site. Content is also being frequently updated including a Latest News section.

**Chris Foley**

Vice President Operations

## VICE PRESIDENT – LIFESAVING

Season 2016/2017 proved a steep learning curve for all new and existing Board members. A regeneration of backgrounds, experience and personalities is critical for a not-for-profit, volunteer Board to enhance the value proposition to its members. This renewal occurred over the last 12 months in a range of different positions within the Lifesaving portfolio (Rescue, Development, Surf Sports and Youth).

The leadership position I signed up for was to support the President and be the link between the Directors, office bearers and membership groups.

This season there was a focus around risk, governance, strategy direction and succession planning. This included executing a more robust Aquatic Activity Risk Assessment policy and procedure, an adjustment to the direction of the Development area, most notably Development Week and requirements for awards, a review and recommendations of the direction of surf sports and an increased focus of on-patrol training.

Whilst policy and strategy were being developed and implemented, the operational aspect to the club occurred as per normal, with a focus to the horizon on the building redevelopment and the logistical requirements to be able to function efficiently as a club during this period and into the future.

I would like to acknowledge and thank those that stepped down for their service over respective periods of time and to those that stepped up to provide their precious time and expertise.

I would personally like to recognise Tim Mason and Kevin Rigg for their dedicated commitment to Development and Surf Sports and to the club as a whole.

To the respective Directors in Lifesaving I look forward to working with you all in season 2017/2018.

**Matthew Symington**

Vice President Lifesaving

# ADMINISTRATION REPORT

With a little sadness but with great pride this will be my last Administration Director's report after 8 years in the role, hopefully providing some positive leadership over that time period.

Looking back I'd just like to highlight a number of the key initiatives we've had over that time and I'm proud to be part of the team that delivered the following activities:

- Oversaw the recent change of staff in the administration office from Di Feudoloff to Jaci Chin-Jewson, which is the first staffing change we have had for over 15 years and was a significant challenge for us all, particularly for Jaci after the long term service of Di.
- Recent upgrade of our administration office accounting software to Xero, together with some improvements in process and procedures rolling out across our administration office.
- Overseeing the café and bar activity that moved from club operation, with casual staff, to a fully outsourced bar and eatery, as we have with Captain Moonlite, has been a significant journey of learning and hopefully improvement and service to the members and the wider community. The financial rewards that have been consequently provided back to the club, particularly over the last year with a significant step change in contribution and improvement in our facilities.
- The shop has continued to improve its service to our members and also financial contribution with a consistent \$10-\$15,000 benefit each year. We're also in the process of upgrading our point of sale systems for the shop, which will also interface with our new accounting package and provide more effective accountability and hopefully process for the club.
- This annual report is quite a significant task to pull together, and it is a representation of our club and a great promotional document for those historically minded of our activities and, probably with a little bit of bias, the pre-eminent annual report of surf clubs out of the state of Victoria.
- Fundraising support continues with my own involvement particularly at the Rock2Ramp Swim and more recently the Doorknock, and I'm pleased to see the continued administration and process improvements going on for those important fundraising events.
- Improved accountability across our various activities to develop a clearer cost-to-serve of each of our clubs' key cost centres and activities, and thus ensure greater accountability

and transparency including capital works and planning. Working closely with our finance colleagues to ensure that our compliance and governance continues to improve in the demanding world of governance that we now live.

Under the new guidance of Jaci Chin-Jewson, there has been quite a step change in the administration support that we provide to various functions. In particular, support to the Development Week and Nippers has increased, and we are very fortunate over the summer months to have the support of Jenny Mauderer, to process all those various activities which in the past were provided by volunteers. We will continue to implement improvements in our processes and procedures, and I know Jaci's working hard to ensure the membership process continues to become a little more intuitive and easier to operate for our members in the coming season.

The shop has again been very effectively managed by Tina Kay, who does a fantastic job in ensuring we have the right stock of club merchandise available to our members and community while at the same time ensuring that we get a solid financial contribution and not push our inventory holdings to unsustainable levels. As mentioned earlier we are in the process of upgrading our point of sale systems and I am hopeful that this will be completed over the winter months and ready for another active season, with the merchandise for that period already mostly in good shape for a continued \$10-\$15,000 net return to the club again.

The outsourcing of the café and bar to Captain Moonlite completed their first full year of operations at Easter and the feedback has been very positive amongst members and the broader community. Recently Captain Moonlite received a number of industry accolades for their cuisine, service and the ambience of our Ray Marsh Room. This brings ongoing benefits to both members and the wider community, and I think we should also be very proud of that as the entry point to our Surf Club.

Most of the investment in fittings have been provided by Captain Moonlite with only core items such as tables and chairs purchased and maintained by the club, which continues to ensure sound and effective capital management.

The contribution in rent and commission from Captain Moonlite has been some three times higher than the previous accounting period and we are confident that this will continue to improve and grow. This improved cashflow

is vital to the club as we fund the building redevelopment next year and beyond. I am pleased to also see member engagement is improving, with Captain Moonlite employing members and ensuring a number of effective member discounts and activities to ensure that we don't lose sight of the fact that it is still our members' club and a centre for the broader Anglesea community to engage and enjoy.

The fundraising events all had administration support with the Rock2Ramp separately reported, as is the Golf Day, but I would like to make a comment about the Doorknock. Rachel Keeble has recently completed her last administration task of running our Doorknock over the last three years, and again (with a great result of over \$30,000 received on the night) all operated seamlessly with good governance and process.

Nippers continue to provide great support to our Doorknock process and I'm hoping that in the new year that we up the ante with a greater level of support to generate additional funds for our building redevelopment. Rachel, many thanks for your great contribution.

So from me, as I now focus on the building redevelopment

tasks and particularly the funding of that important once-in-a-50-year task, I will continue to be about and working hard for our club. In the meantime I look forward to providing a transition and handover across to the new administration director post-the AGM, and I would like to also acknowledge and thank Derek Stott who has stood in for me to pull this fantastic Annual Report together, and hoping perhaps that he will be able to continue that support for a year or two in the future.

All the best, and stay safe.

**Ingilby Dickson**

Director Administration

# CLUB CAPTAIN'S REPORT

If I've learnt anything being Club Captain over the last couple of months, it's that there are a lot of good people who make this club tick. From the board, instructors, assessors, Life Members, Patrons, water safety, age group leaders and our Nipper Parents behind the barbecues, our club relies on the countless hours given to us by our volunteers. Over the coming season, I look forward to meeting as many of our members as possible, hearing stories and finding out what Anglesea can do for you.

On behalf of the directors and committee, I would like to say thank you to our President, Thomas Cullen, for what has been a fantastic year. Countless hours have been put into the preparation of the season just gone, as well as the season to come. I have been lucky to come on board in a busy but exciting time, and the next 18 months are going to be a great period of our club's history, and one that we should all look forward to being a part of.

It has been an absolute pleasure meeting so many friendly faces over the last couple of months and I am incredibly honoured and excited to be in this position. With our overarching goal being to engage members at all levels, my hope is to encourage Anglesea members of all ages to get involved next season and hope that our social calendar is full of exciting and fun events.

**Hugh Moodie**

Club Captain Appointed March 2017

# RESCUE SERVICES REPORT

The Anglesea SLSC is trusted by thousands of visitors each year to keep them safe at our beach and we, as a club, could not provide the services or safety without the incredible time and commitment by so many club members each year.

As we close another season we review the on-going initiatives that we have developed and continue to improve, change or adapt, these include our comprehensive Patrol Captain, Vice Captain & Mentors Handbook to provide critical role specific information to these personnel, internal Patrol Audits, on patrol training, ASR specific thank you celebrations, incentive programs and online sign-ups. We have continued our on patrol training for all members and improved the focus by improving the quality of our services. Thank you to everyone who took time out of their busy lives to spend a day, weekend or multiple patrols on the beach.

My role as the Director is only possible with the amazing support, dedication and leadership of the team who lead with me. Thank you to Jack Fry who led and coordinated our Patrols this season, as the Patrol Coordinator. Jack was instrumental in ensuring our Anglesea Surf Rescue groups were manned with all the appropriate level awards, leadership skills and personnel.

Thank you also to Colin Anderson and Lloyd Simpson, Colin for ensuring our IRB equipment is continually repaired and operational for training and patrols, and to Lloyd for guaranteeing that our First Aid supplies are operational, safe, fully stocked and regularly replenished. Both of these roles are critical for our club operations, yet few realise the commitment and dedication of these members. Lloyd and Colin have been key members of the Rescue Services department for many years and I am very grateful for their ongoing support and leadership.

Over the past four years we have worked tirelessly to rebuild the Anglesea Surf Rescue (ASR), with a core group of highly trained members who ensure that our beach is patrolled each, and every weekend, in-line with SLSC and LSV guidelines. Four years ago ASR had only 14 members, this year we have successfully established 8 ASR groups with 80 members.

It is with great pride that I offer my thanks to all of our amazing Patrol Captains for implementing so many of our new initiatives and achieving higher standards. Our new, first year Patrol Captains include Erik Kroy, Courtney Higglett, Lachie Appleby and Adam McWha, and the ongoing commitment from our experienced Captains, who have continued to lead their own patrols for another season, include Rosie Anderson,

Ash Smith, Nick Tait, Seb Top, Tom Cullen and Elise Langford.

To all of the members in Anglesea Surf Rescue, your time and commitment to ensuring our club continues to meet all of our requirements is greatly valued. It is essential that we, as a club, continue to encourage and support our own members who wish to stand up and become leaders on the beach.

This season ASLSC members manned the beach for a total of 6,450 hours on 47 different patrols. With a major focus on increasing on-patrol training and development of our core lifesavers, the Anglesea Surf Rescue group, and all members alike, it ensures the Anglesea Main Beach continues to be a safe beach for all members of the public. This year our members performed 1,329 preventative actions, which ensured there was only one rescue performed this season. We performed 22 first aids, including 2 major first aids ranging from breaks and dislocations to major wounds. There were also 2 beach closures due to severe storms in the later period of the season.

A special thank you to our members whose commitment above all, greatly assisted our club in its success this season, including members who patrolled for 30 or more hours, which was almost double the expected 16 minimum hours asked of them. These members have been listed in my report. A special mention must go to Andrew Rechtman and Sean McVernon on their competition to reach the most volunteer patrol hours this season. Unfortunately, it came down to the final weekend, which Andrew had a prior commitment on, allowing Sean to win by a mere 2 hours! Thank you both, to Sean for his 121 hours, and to Andrew for his 119 hours of volunteering. Both Andrew and Sean received a Bronze Medallion Award for Patrolling / Volunteering at LSV's Volunteers Award Evening last May.

In my 5th year as the Director of Rescue Services, I can only look back with immense pride. We are leaders in the life saving services, organisation and structure that we operate in and for that I am so grateful to have a club and members who support us in implementing so many successful initiatives.

Thank you to each of you for your help, support and time over the years.

**David Simpson,**

Director of Rescue Services

## ASLSC Patrolling Member Statistics

|   | Season 2015/2016 | Season 2016/2017 |
|---|------------------|------------------|
| Number of patrols                                       | 47               | 47               |
| Number of hours patrolled by members                    | 6,483            | 6,450            |
| Number of ASLSC who patrolled                           | 408              | 337              |
| Number of ASLSC who patrolled for the minimum of 16 hrs | 166              | 177              |
| Number of Visitors                                      | 27,164           | 25,195           |
| Number of Rescues                                       | 11               | 1                |
| First Aids- Total                                       | 45               | 22               |
| First Aids- Major                                       | 3                | 3                |
| Preventative Actions                                    | 1,209            | 1,329            |

# YOUTH ACTIVITIES REPORT

To the towel holding parents, wetsuit wearing water safety, tong wielding BBQ helpers, loud talking age managers, incredible Starfish trainers, bag packing teens, wibbly wobbly jelly fish leaders, patient office ladies, supportive shop staff, our amazing leader Fiona and our fabulous Nippers.... I say thank you. Thank you for making our program so incredibly welcoming, professionally conducted, 100% inclusive and such a wonderful part of our great club.

## Nippers

Not even a beach clearing storm with raindrops the size of golf balls could dampen the spirit of our Nippers this year. Thank you to Fiona Fitzgerald who approached every element of the role with the children's best interests at heart and has implemented some innovative changes to the program.

I would also like to thank Janet Jones who works year round on spreading the Starfish program. Together we sit on a National board for inclusive Nipper programs and we continue to work towards our goal of every club offering a truly inclusive Starfish program.

The club hosted a season opener event this season and it was such a pleasure to invite one of my former Under 10 Nippers, Rowena Webster, to be our guest speaker. She was always an incredibly determined Nipper, spending all her days at Anglesea, body surfing. However, her journey has been world beating and she is the current captain of the Australian Women's Water Polo Team. Her attitude to her sport and life in general was inspiring and she is such an incredible role model for our children and youth. Another highlight for the season was our day hosting Sudanese refugees in partnership with North Melbourne Football Club, as a part of The Huddle initiative. Due to the enthusiasm of our youth and club members we managed to have greater than a 1:1 ratio and everyone enjoyed their experiences in the surf and the BBQ cooked for us by the Supporters Group. For some it was their first experience in the ocean and intriguingly when one girl went under she wasn't sure how to get her head back up above the surface again, even though she could stand. This reminds us of our important role as a club to educate our children and to protect and educate the public. Thank you to the Anglesea Bears for generously purchasing all of the fluorescent orange water safety vests this season. On the first Sunday of each month our Anglesea Bears take to the water at 12pm for a swim followed by lunch. All club members are encouraged to join and the children are referred to as cubs.

## Youth

Thank you to Annie Kay for reinvigorating the YIPS program at Anglesea over the past two seasons. In the 2016/2017 season we had 20, 14-18 year olds involved in the YIPS program. They were all working towards a Bronze, Silver or Gold award through participating in club activities in the 7 YIP areas. These areas include, lifesaving (patrol), administration, competition, development (completing awards) junior activities (nippers), youth activities and club activities. Congratulations to the following recipients:-

### Bronze Award

150 points in 3 YIP areas and completed 16 hours of patrol

- Christos Lillis
- Bethany Polykondrites
- Nicholas McWha
- Maggie Keogh

### Silver Award

250 points in 4 YIP areas and completed 20 hours of patrol

- Luke Ross-Smith

### Gold Award

400 points in 5 YIP areas, completed 30 hours of patrol and completed a Community Project.

Congratulations to Jess Handreck who has spent 5 years working towards this award. Jess did an amazing job leading the U11 Nipper group and many Nipper parents enjoyed the Bocce evenings Jess organised and ran for her Community Project. Jess has also agreed to take on the role of YIPS co-ordinator next season

We all look forward to another fun filled season in 2017/2018.

## Naomi Symington

Director of Youth Development

# NIPPERS REPORT

Another action-packed Nipper season came and went in the blink of an eye and was largely filed away as a success. Again, we reached near capacity with approximately 460 Nippers taking to the beach, which is an extraordinary exercise if you are brave enough to think about it. What impresses me most about this is the sheer number of willing volunteers who coordinate to make the season possible.

Sponsorship is secured by Johnathan Clarke to ensure our Nippers are clothed in rash vests, t-shirts, hats and bags. Items are ordered and printed by Tina Kay, delivered and sorted for distributions by a willing band of bag packers. Rash vests are sourced and printed by Matt Symington, Nippers are registered, minimum swim proficiencies authenticated and new families wonderfully and patiently supported throughout the overwhelming process of navigating membership and Nipper registration by Jenny Mauderer and Jaci Chin-Jewson.

Then once Boxing Day arrives there are literally hundreds of parents and long-standing members who happily lend a hand. As always, our age group managers and leaders did an outstanding job, Fraser MacVean was a fantastic support in coordinating upwards of 60+ water safety officers each day. Lucy Haigh took over the running of the Art Show which is a much loved and important aspect of the season and also did the sausage and bread collection runs every Nipper morning. This year we retired the Queen Sausage role and tried a 'all hands on deck' approach. I am happy to say that parents rallied on their designated day and we again raised a significant sum for the club.

This year we tried a slightly different approach to our age-group structure and had an Age Group Managers/Leader role which required no surf-lifesaving skill set and then a group of Coaches to deliver skills based training on the beach. The rationale for this was to enable more parents with good 'kid wrangling' skills, but no surf-lifesaving experience to be involved. Secondly, it enabled us to make use of some of our younger members including Hamish Neo, Alisha and Max Mauderer, Baxter Kay, Max Suttle and Anna Hume to coach groups, without needing to worry about the 'kid wrangling'. We were extremely fortunate to have Chris Porter come down each morning to brief our coaches and water safety.

Each year our Water Safety volunteers turn up session after session to fulfil a crucial and very much underplayed role within the program. Not only do they ensure the safety of the 450 children on the beach, but also act as friends, mentors, coaches and leaders. I would like to extend my gratitude to the 100+ volunteers involved in this year's program. In addition, I would like to thank the Anglesea SLSC Bears for their donation to enable all our Water Safety to be clad in new orange rash vests.

In addition, we offered three levels of activities within each of the water areas to enable Nippers to self-select activities that suited their ability, confidence and interest in the program. This was a huge success, with many parents feeding back that it enabled their child to feel less nervous and happier to get involved, knowing they were not going to be asked to go beyond their comfort levels.

This season also saw the continuation of the community building side of the program. Nippers were encouraged to learn names, make friends and support each other during sessions. We were incredibly fortunate to have Rowena Webster, the Captain of the Australian Women's Water Polo Team and ex-Anglesea Nipper, speak to the Nippers. Her words were inspirational as she reminisced about her time as a Nipper and the life-long friends she made. She also reflected on the fact that she struggled at Nippers and that the fact that she was not the best enabled her to learn to enjoy sport for sports sake and that her success in water polo is based on learning to work hard for the things you want. It was a very powerful message for our young Nippers.

Activities outside the beach program, such as age group Bocci nights and the family fun night were offered to help grow the connection families have with the club. Thanks goes to Jess Handreck for running the Bocci nights and the Anglesea Supporters Group for the wonderful job they did hosting our family fun night.

## Sponsors

Thanks goes to our wonderful sponsors:

**Escala Partners**

**Avalon Airport**

**New Balance**

**A to Z Plumbing**

**Ocean Road Landscaping**

## Coaches Awards

### Age Group

- Under 7 Grace West, Angus Brereton  
Under 8 Ava Jagers, Patrick Ragg  
Under 9 Hattie Wade Holliway, Max Martin  
Under 10 Charlotte Brereton, Charlie Sweet  
Under 11 Susan Peters, Charlie Johnston  
Under 12 Ava Carrington, Harry McCorkell  
Under 13 Issy Forster, Amos Vagg

### Club Champions

#### Age Group

- Under 7 Harper Kelly, Freddie Ingis  
Under 8 Grace McIntyre, Archie Popplewell  
Under 9 Chloe Jones, Ted Bone  
Under 10 Georgia Ragg, Mackenzie Kennan  
Under 11 Amelia Blake, Charlie Forster  
Under 12 Lucy Richardson, J.C. Dibdin Fitzgerald  
Under 13 Katie Ragg, Jack Bone/ Noah Rindt  
Under 14 Hanna Wilkinson, Max Mauderer

### Art Show:

- Jellyfish Payton Martin  
U7 Sophie Kay  
U8 Thomas McIntyre  
U9 Caleb Farmer  
U10 Narelle Fisher  
U11 Natalie Fisher  
U12 Hayley Reither  
U13 Isabella Forster

T-shirt finalists: Harriett Maskell, Sam Kay, Tanaya Porter, Steph Bare, Claudia Smith, Gemma McNamara,

**Artshow Winner** – Harriett Maskell

**Starfish** – Jenni Strauch

## Competition:

The focus of this season was to continue to develop a sense of community within the Competition Team. The provision of team jumpers, bags and now deck coats has recognised those who have showed ongoing commitment to the Competition Team and are something greatly anticipated by Nippers at the start of each season. By focusing on Nippers within age groups getting to know each other, team warmups (lead by our under 14s) and chants at the start of competitions we hope that those new to the competition aspect of Nippers enjoy the day.

We have worked to get all parents involved on competition days and by doing so hope that they also get to know each other and the children. Our number of competitors at Cosy Corner was fantastic (105 competitors) and it was a fantastic day. Our other two carnivals had approximately 50 competitors. The change to the qualifying process for State Titles did not suit our club, with the local Lorne qualifier being moved out of the holiday period. State Titles at Warrnambool again provided a fantastic team experience for all those who made the trip. While overall medal totals were down on previous years, the spirit with which all our young Nippers competed was nothing short of outstanding.

While I do not wish to single out performances at the risk of detracting from the whole team, there are two Nippers whose contributions cannot go without mention because they truly signify the Anglesea Nipper Program. Charlie Sweet in Under 10 made the trip to Warrnambool to ensure the Under 10 boys would have a team. He did so even though he had just completed a round of chemotherapy during the week. His attitude to his illness throughout the season and the way he participated in the season is without doubt one of the most inspiring things I have had the pleasure to witness.

Secondly, Max Mauderer, in his final year of Nippers was awarded the Life Saving Victoria's 2017 Fred Westfield Medal for Victoria's best all-round Under 14 athlete, an award that is truly reflective of his contribution to the Nippers program each and every year, as well Max was selected in LSV's Youth U14,15 Team. We congratulate all our Under 14 athletes for achievements throughout their Nipper journey and wish them well as they transition in the senior program.

### Fiona Fitzgerald

Nipper Coordinator

## STARFISH NIPPERS

Starfish Nippers at Anglesea has gone to another level this year and now - more than ever before - is completely embedded and embraced in the whole Nipper program.

We start and finish at the same time as all the other Nippers, easily filling in two hours of beach and water activities, and developing fitness, skills, independence, safety and awareness of the beach conditions, while having as much fun as everyone else on the beach. We were also included and actively involved in all of the organised community events, such as the fantastic bocci night, the Nipper Family Fun night, the Doorknock, support afternoon tea, the Art show, the BBQ roster and a social drink or two with a few families.

We are again so indebted to our trainers, who have built up such great friendships with their Starfish buddies. Without our trainers, we couldn't have had the same number of participants in the program. I was so proud of them at the presentations when they talked about their Starfish buddies and how much they had improved and developed their skills during the two weeks. Of course, I loved seeing the Starfish Nippers' excitement when they received their trophies and made their terrific speeches about the program.

The Starfish program was again enhanced by the support of the Anglesea community this season. The Anglesea Yacht Club ran a highly successful Starfish Nipper Fun Run with free entries for Starfish families and trainers, and a finishing medal and show bag for each Starfish. The Anglesea Uniting Church continued to donate funds from its annual fete to the Starfish Nippers, this year enabling us to buy 10 custom made boards, Starfish Nipper trophies, and more musical instruments and sand toys for the program. John Russell from the Uniting Church was also on the beach most days to support the

program and to take photos for a video produced at the end of the season, for all of our Nippers.

Through the generous donations from Hilton White Trustees, we were also able to purchase a fantastic beach wheelchair for our Starfish program. This chair can be used by ASLSC members or anyone in our local community who wants to access the beach and water more easily. To hire the chair, simply call 03 5263 1107 or email the Club, and sign the hire form that is kept in the admin office.

The Starfish Nippers were the true heroes of the season, with their achievements recognised in our local Surf Coast Times, and in a great video produced by Tim Brown, shown on the Starfish Nippers Facebook page and on the ABC TV News.

Thanks so much to all our 22 trainers, Starfish Nipper families and our twenty Nipper stars for showing everyone, how good life can be!

Through the initiative and support from Anglesea SLSC, the following clubs across Australia are actively implementing their own programs

Victoria - 10 clubs :

Anglesea SLSC, Hampton LSC, Point Lonsdale SLSC, Mentone LSC, Venus Bay SLSC, Aspendale LSC, Williamstown LSC, Mt Martha LSC, Altona LSC, Mornington LSC

New South Wales - 1 Club :

Fingal Beach SLSC

South Australia - 3 clubs :

South Port SLSC, Henley SLSC, Whyalla SLSC

**Janet Jones**

Starfish Nippers Coordinator

# SURF SPORTS

The 2017 Surf Life Saving season is perhaps best described as a hell of a bumpy ride. LSV tried some new initiatives with the competition calendar. Some were a good fit, as with the Beach carnival at Altona, but other venues, which required very long travel time, failed to attract the support of competitors.

After a long history of Anglesea hosting the first senior carnival of the New Year, LSV decided to award this event to Fairhaven SLSC. It is fair to say this caused a degree of discontent and anger amongst Anglesea members and bewilderment amongst other clubs, to change arguably the best run and supported carnival outside of the State Championships to another club after nearly forty years of success. As it was, there was the threat of sharks at Fairhaven that weekend and the carnival was relocated to another location. That indeed is Karma.

This season also saw the Mentone LSC meet and vote to dissolve the competition collaboration between Anglesea and Mentone that began in 2009. Warren Clarke, Jim Geary and myself were at that very first meeting to discuss the path forward for the two clubs to unite.

Over the last eight years, some amazing supportive work by people like Warren Clarke, Peter Hurst and Kevin Rigg and many others, created a very successful partnership, which was a great benefit to both clubs and now sees Mentone with the most successful Nipper competition program in Victoria and a very large membership base. In the end Mentone, as was the case with sections of Anglesea members, voiced concerns about the lack of club identity. It was time for both clubs to leave this partnership with respect and honour, and a strong desire to support one another in future years.

At the State Championships with many athletes supporting other event areas, we stood up in individual events and rallied in team events, finishing second behind Ocean Grove with 17: Gold, 15: Silver and 9: Bronze. This result also includes many finalists. A very good effort from all athletes, teams and section managers.

## **Anglesea State Team representatives for 2017:**

Saxon Beale  
Anna Hume  
Natalie Clucas

## **Pool State Team**

Micaela Dale  
Tom Dale

## **State Youth Team**

Teiki Waata  
Max Mauderer  
Hannah Schmidt

The National Titles due to extreme weather and surf conditions for the most part was cancelled. Anglesea's R&R squad, as per their report, was dominant again for the third

year in a row. A truly amazing performance and a testament to Section Manager Sandra Geary leadership, the coaches skills and guidance and the incredible athletes who make up the teams.

As we move forward to the rebuild of a new clubhouse, set up competition training Hubs in Melbourne, Geelong and Anglesea. As we engage our members, competitors, coaches and parents to new programs we will offer and as we embark on a direct and creative recruitment program through the Nipper and Bronze camp programs and the wider community, I want to take this moment to recognise and celebrate the work, support, passion and enthusiasm of all who have contributed to season 2017.

However, most importantly I want to thank one person in particular who has served Anglesea SLSC with great distinction since the 2005 – 2006 season and stepped down from the position at the end of this season. Kevin Rigg has held the position of Anglesea Surf Sport Manager for twelve years, anyone who knows the logistics of entries for local, State and National Titles, equipment transport and the multitude of every single aspect of surf sport that required Kevin to engage and deal with, will understand his incredible contribution to surf sport in Victoria and for Anglesea SLSC.

Yes, it has been a bumpy ride this season, but if we all stand together, and be prepared to be involved rather than observe. If we contribute rather than criticize, if we are all prepared to put the hard yards in, then we will once again be a leading force in surf sport.

## **Peter Van Miltenburg**

Director Surf Sport

# BEACH SECTION REPORT

The beach team had a very mixed season this year, mainly due to significant injuries to a number of our athletes, resulting in lower attendance numbers at several of the senior carnivals.

## Victorian Championships

In spite of these challenges, the team was still able to perform very well at the State Championships at Port Fairy, maintaining our position as the leading Victorian club in the beach area competition.

We saw an outstanding performance from Saxon Beale who claimed 5 Gold Medals including the double-double of winning both the U19 & Open Men's Beach Sprint & Beach Flags events - an amazing performance.

We also had some very satisfying gold medal wins in the Open Women's, U17 Women's & Open Mixed Beach Relay – it was great to see our Open Women's team come together for a great win.

## Australian Championships

As reported, this year's Aussies on the Gold Coast were significantly impacted by Cyclone Debbie and all the beach events had to be relocated from North Kirra to Coolangatta. The Aussies commenced with the Junior Championships, where Chloe Garifalakis performed extremely well in her first ever National Titles, making the semi-final of the U14 Women's Beach Sprint and only just missing the final in a

photo finish.

At the Masters event, where age finally caught up with a number of our 'long term' competitors, who didn't make the trip, we saw Sally Cumming (again!!) claim a Silver medal in the Beach Sprint and 4th in the Beach Flags. Another amazing achievement by Sally this year, given her very limited preparation due to injury, and congratulations to Ilona Plant, for also making the final of the Beach Flags. At the Senior Championships, we had a couple of great individual results, and some frustrations for others. Natalie Clucas, as a first year in U17, made the final of the U17 Women's Beach Flags, finishing 8th in a highly contested event, where 3 of the top 6 finishers in the Open Women's Flags were in fact U17's, including the gold medal winner! Natalie also made the semi-final of the beach sprint. Saxon Beale was very unfortunate to be eliminated in a run-off, by the eventual winner, for the last spot in the U19 Men's Beach Flags Finals. As we all know, flags can be a 'bugger' of a sport.

Thanks again to the great contribution from our parents and coaches this year.

A special mention to Sally Cumming, who was a very deserved finalist in the 2016 Victorian Sports Awards.

## Adam Martin

Beach Team Manager

## BOAT SECTION REPORT

The 2016/17 season saw the first crew from Mentone LSC compete under the Anglesea SLSC banner. This was an exciting time to see a boat crew compete for the joint venture.

The section started off well with crews being established early in the season. We had 5 crews training throughout the winter period in preparation for the season ahead. Unfortunately we lost a couple of crews due to school loads, boxing & trekking to Base Camp.

The section did not race in the Ocean Thunder series or George Bass, instead turning its attention to the end result of finals and hopefully gold at the Australian Titles.

With that in mind, we turned our attention to racing the calendar season and ensuring that we would feature prominently in the State titles.

With a limited racing schedule ahead, the crews looked towards the first carnivals of the year which as mentioned saw the JV between Mentone & Anglesea yield a crew from Mentone to race under the Green & White in Reserve Men. This crew consisted of Tim Jessop, Gordon Jenkins, Zane Humphries, Gavin Roberts and swept by Brett O'Loughlin. The first race for the first time crew was at Williamstown, racing in the endurance event in which they had their

first win as a crew. An outstanding effort. The same crew also raced at the first VSRL event in Apollo Bay against the Open Men in which they came 4th overall. Another fantastic effort by a beginner crew.

The section then had a small break over the Christmas period and were ready to suit up and race the VSRL surf boat carnival at Fairhaven. We had two crews entered, but unfortunately this carnival was relocated from Fairhaven to Fisho's beach Torquay due to shark sightings. Undeterred, the crews went in with a great mindset (even though they were racing on flat water).

The Open Women raced first and raced hard even though they experienced unfair and out of line turning cans/bouys. This put them at a disadvantage of at least 3-4 lengths off the start. They improved throughout the day making it through to the finals, finishing 4th overall.

The Open Men competed next with a fill in the bow seat, after Jason Heard injured his knee prior to Christmas. This changed the dynamic to a degree, but not phased by this, the crew were amongst the leaders to the turning cans. Unfortunately the return leg was not what they wanted and they found themselves in the middle of the pack for most races. The guys finished 5th overall in the block racing. Next race was the Seaspray weekend (21st-22nd Jan) which

also has the VSRL Open championships. The section was represented by: Open Men, Open Women and 2 reserve crews.

Conditions on the Saturday were very tricky for all.

Conditions not seen or rowed in for some time, but the crews (Open Men, Open Women and 1 reserve men) rowed well.

This was the first time for the Reserve Men's crew *Anglesea 4 Stroke* in these conditions. They rowed well and above all expectations. The Open Men and Open Women failed to secure the state team selection, missing out narrowly.

Sunday saw a friendlier day for racing, a boaties dream, 3-4 foot clean waves with little wind. Unfortunately the Open Women's crew could not race as their bow, Megan, suffered a bruised coccyx bone in the last race of the day on Saturday. The Open Men raced well finishing in the top of the field, but the last race saw them rollover just before the line, leaving them languishing in third position, and unfortunately finishing just behind the winner on points.

Talking point of the day was the Anglesea Reserve men, *The Late Takeoffs*, competing in their first event with a new rower, Harry Wetherall. They rowed above all expectations and took out the Reserve grade pennant. What a fantastic result for these guys. Well done.

The weekend of the 4th and 5th February saw 2 crews represent Anglesea. Our Masters Men, *The Drifters*, competed at the LSV masters championships and our Reserve men *The Late Takeoffs* compete at the Senior State carnival both held at Ocean Grove. The conditions at the start of the day for the masters were a Rowers paradise, with clean rolling sets coming through. The Masters Men competing against a few other crews and raced well. The event combined the 260's years and the 240's years to ensure that all crews raced against 5 crews. The gents raced hard and well in their block racing.

They rowed 4 races finishing 2nd in their division and 3rd overall. A great start to their campaign for Aussie gold.

Our Reserve Men started later in the day, with conditions deteriorating quickly, as the wind freshened, which flattened the swell and built a stiff headwind to row into.

This was the crew's first race together as the combination for the Aussies, with a couple coming back from extended holidays. The guys were up against some stiff competition from Lorne and Portsea who had been on the money for most of the season to date. They put up a valiant effort but unfortunately missed out on a top three placing, finishing 4th overall. It was a tough start for the crew, but it was great to see them improving with each race against the other crews.

Three crews then turned their attention to the ASRL (Aust Surf Rowers League) Open Championship that was held in February at Shell Harbour SLSC. The Masters men

raced on the Friday, with testing waves of 5-6ft combined with a strong on shore wind, making it very tough. There were many broken oars that littered the beach with crews scrambling to get replacements so they could continue to race for gold. Racing was cut down to 2 races due to the surf and our Masters Men came home with a bronze medal. A fantastic effort and a job well done.

Saturday saw the Open Men and Open Women compete in their 5 rounds of block racing. Conditions being better than the day before saw some exciting racing. Our Open Women were on the pace all day. They were consistently in the top half, until the 2nd last race when a crew crashed into them off the start. They finished 4th, sitting on the verge of being eliminated. It came down to the last race, unfortunately they missed out on the knock out finals by 1 point. A commendable effort by the girls.

Open Men raced well and finished in the top half, putting them in a position to make knockoff finals. Again the last race was crucial. The men needed to finish in the top half to make the cut-off. Unfortunately the race was not their best, missing out by 2 points. A massive effort considering that the crew had a change in personnel with a new sweep on the day and a new 2 seat rower. Well done to all crews. You represented Anglesea with true professionalism.

All attentions turned to the LSV State Championships held at Port Fairy on the weekend on Sat 4th and Sun 5th March. The section was represented by 4 crews: Open Women *Anglesea Wildfires*, Reserve Men *Anglesea Gold*, Reserve Men *The Late Takeoffs* and U19 Female *Anglesea Heart Breakers* made the trip.

The Reserve Men *Anglesea Gold* were able to have the service of Glen Lazzaro and Lachlan Andrews who came across from Seaspray SLSC. With no time in the boat, the crew got together for a training row prior to the commencement of competition. With the boat feeling as good as it could, the Reserve Grade men were up first. It was a tough day of racing for both Reserve crews as the Reserve grade had 4 heats into a semi then a cut to a six boat final. Unfortunately the *Anglesea Late Takeoffs* were not able to secure a birth to the semi-finals. They finished just outside the top 12. Our second Reserve Men's crew *Anglesea Gold* raced extremely well after a slow start. They managed to keep themselves in the top half of the crews securing a birth into the semis ranking 3rd overall.

In the semi, the crew lead the race to the turning cans, where the other crews took full advantage of a wave which our crew missed. Digging hard the crew managed to hold off a fast charging Mordialloc crew. Making it through to the final, the crew was ready to go. The lads raced hard and fast leading majority of the way. They turned first and had a healthy lead on the competition, leading with 300m to

go, our crew tried to pull down a wave, but unfortunately slewed to the side allowing the crews behind to catch that wave and slide through. The lads tried to get the next wave to get a cheeky podium spot but again came unstuck. After all that effort they finished 5th in the final. A fantastic race and showed some real form but did not get the result they wanted.

Open Women competed in their 3 heat block racing. They cut the field down to 6 going into the final race. Our girls raced hard and fast, taking their form from the Australian Open into the State Titles. They were consistently in the top half of racing, however one race did not fall their way when they crashed into another crew meters from the line. It was all up to the last race to secure a birth in the finals. Having a great start and turn, it looked possible, but unfortunately they finished 4th. Well done to the girls.

Last was our U19 Female crew *Anglesea Heart Breakers*. With a girl new to rowing, Poppy (from Mentone), she raced with 3 girls who transferred from Seaspray. Finishing with a 1st and two thirds, winning the bronze medal on points. It was by far the best result for the section, and from a crew had never raced together before. It was great to see them grinning from ear to ear.

The boat section also fielded a boat relay consisting of 3 crews: Open Women, U19 female and Reserve Men *Anglesea Gold*. All crews raced hard against the more fancied Mordialloc and Fairhaven crews, who had Victorian state representatives. Not fazed, Anglesea finished a commendable 2nd position behind Mordialloc. Two medals for the section and two medals for our U19 females.

Last event of the day was the Lifesaver relay. The club fielded two relay teams. This consisted of a boat crew, ski paddler, board paddler, swimmer and runner. Our Open Women were in the A team, whilst *Anglesea Gold Reserve men* raced in the B team. Our Open Women got hit by a few waves putting them behind, but our men were able to get themselves out in front with Warrnambool. The boat leg finish was separated by 1 second with Warrnambool leading. B crew came second overall. A great way to finish the Vic State Titles.

Lastly, the Australian Open Championships. This proved to be very disappointing for all involved. With the challenge of getting crews to the event (Open Men having two fill-ins plus a sweep) and with Cyclone Debbie causing havoc, racing did not happen for the Open events.

The Master's men competed well in their heat racing, to make it through to the Aussie Final. The team were primed and ready, but unfortunately did not get off to a great start, being hit by two or three waves, and filling the boat. Racing hard, they emptied the boat and started to make their way back to the field, coming around the turning cans they put themselves well and truly in the mix for a medal. One crew raced away to take the gold, leaving 3 crews to fight it out for the minor medals. Our lads were coming home like a train, but agonisingly, just missing out on the bronze. A great effort to finish off the season.

The section is moving forward in the right direction, having people in the right places behind the scenes, helping and developing the section to be bigger and better. To those, we thank you very much.

Special thanks must go to our sponsors: ASLC Supporters Group, Bayford Group, Morris Finance, Stratel Group (Telstra Geelong Business Centre), Doug Solly and David Eades for all your help through-out this season. Go the BIG A!!!

# CRAFT SECTION REPORT

## States

The 2016/17 season had been quite interesting leading into States. We had event cancellations due to weather and relocations due to some big fish loitering around Fairhaven. These events had led to some small participation numbers at a number of the carnivals. At Port Fairy this trend was reversed with 27 athletes entering the carnival on behalf of Anglesea. There were quite a few great results however particular mention should go to Hannah Schmidt who won the U15 Female Ironman.

The water-craft area also had wins in the U15 and U17 female board rescue events as well as the U17 female surf teams.

## Aussies

This year the Aussies bore the brunt of Cyclone Debbie and unfortunately all of the individual events at the senior competition were called off due to poor water quality. We did have a fantastic result in the junior Aussies however, with Hannah Schmidt placing 5th in the U15 Female Surf Race. On behalf of all of the water-craft athletes and parents I'd like to thank Kevin Rigg for yet another wonderful job in organizing the entries and equipment transport to the Aussies. His efforts make our participation at Aussies possible.

## Arron Hampstead

Water and Craft Manager

*Hannah Schmidt winning the 2017 U15 Female Ironman.*

## R&R SECTION REPORT

Anglesea Rescue and Resuscitation teams once again proved to be a force to be reckoned with at a National level. Anglesea were able to secure the Bob Woodger Shield, which is awarded based on combined results from the Manly and Freshwater Carnivals. As well as competing at Torquay (Fairhaven) and Ocean Grove carnivals, we were invited to compete at Robe South Australia. This weekend away proved to be an excellent team building exercise. R&R were fortunate to be able to compete at Aussies with all water events cancelled due to the aftermath of cyclone Debbie. The event was modified to 'dry run throughs' where the swim component was removed and results were based purely on technique and precision. For the third year in a row, Anglesea was awarded the Ron Sandstrom Trophy as the most successful R&R club at the Australian Titles.

### U/15s

#### **Coach: Karen Dale**

Members: Felicity Barrow, Juliette Doyle, Ella Hamstead, Mackenzie Hooper, Polly McCartney, Josie Rees

Karen Dale and Geoff Waters recruited some fresh faces from Mentone with 6 young girls keen to learn a new sport. With an extra person they had the flexibility of an interchange bench! The team started the year with an impressive 2nd in the Bob Woodger Shield tallies at Manly/Freshwater. The girls performed well at States with 3rd place. At Youth Aussies the girls managed a respectable 5th place.

### U/19 Cheeky Devils

#### **Coach: Christine Cardwell**

Members: Lucas Waters, Mia Duckett, Mikaela Dale, Hannah Uehara, Kai Uehara

Kai joined the team as reelsman. They were competitive at Manly/Freshwater with a 2nd in the Under 19s and a 3rd in the Open Mix Bob Woodger Shield tallies. At the Australian Titles the Cheeky Devils finished 2nd in the Under 19 finals.

### U/19 Aces

#### **Coach: Emma Moore**

Members: Alexandra Geary, Sara McMillan, Christian O'Nians, Joel Couturier, Keely Bent

The Aces combined with last year's Under 19 team resulting in a very cohesive team. Christian adapted very quickly as reelsman. The Aces were also very competitive at the Manly Carnival with 2nd place in the Open Mix and 3rd in the Under 19s Bob Woodger Shield tallies. At the Australian Titles, the Aces joined the Cheeky Devils on the podium finishing 3rd in the Under 19 finals.

### Open Mixed Green

#### **Coach: Geoff Waters**

Members: Emma Moore, Callum Brennan, Melissa Bird, Georgie Brown, Ryan Nolan

This incredible team are the Australian Champions, winning with an impressive point score of 1.0. This team has been together for 3 years and have achieved 2 gold medals and 1 silver at each Aussie title.

### Open Six

Members: Emma Moore, Callum Brennan, Melissa Bird, Georgie Brown, Ryan Nolan, Joel Couturier

The Open Six were up against pretty tough competition at Aussies. They finished 4th with a point score of only 2!

### **Open Mixed White**

**Coach: Christine Cardwell**

Members: Sai Dale, Karen Dale, Andy Waters, Penny McIntyre, Louise Kinnaird

This team returned for another season. A bit of bad luck saw Karen sidelined for States and Aussies, thank you to Maddie and Katie who filled in. The team put in a respectable performance at the Australian Titles but, unfortunately, were unable to make the finals.

### **Open Women**

**Coach: Geoff Waters**

Members: Emma Moore, Melissa Heathcote, Katie Self, Melissa Bird, Madeleine Brown

The Open Women welcomed the return of Katie Self to the team and Mel Bird as patient. They achieved a bronze medal at the Australian Titles with a point score of 2.

### **Open Men**

**Coach: Christine Cardwell**

Members: Warren Clarke, Sai Dale, Andy Waters, Russell Duckett, Russell Rees

The team returned for another year finishing 5th in the final of the Australian Titles.

It is important to recognise that although some teams did not make it to the podium, their participation ensured sufficient points for Anglesea to claim the Ron Sandstrom trophy, for the third year.

On behalf of all R&R members, I must convey our appreciation for the dedication and commitment of our

coaches Geoff Waters, Christine Cardwell, Emma Moore and Karen Dale, while overcoming personal and medical issues.

A big thank you once again to Warren Clarke for your guidance and assistance as well as transporting the reels to most carnivals (including Robe SA!).

Thanks to Wes and Katie Self for all their hard work managing the tin rattles and wrangling the bank's coin machine.

A big thank you to our patron John Worrell OAM for his continued support of R&R.

Thank you to the team for their cooperation and support resulting in another successful year.

Finally, I would like to wish our Mentone team mates every success in the coming years.

### **Sandra Geary**

R&R Manager

# R2R REPORT

The 22nd Rock2Ramp Swim at Point Roadknight beach, Anglesea was held in somewhat difficult conditions on the 28th December 2016 with heavy rain and humid conditions early and then a blustery northerly, making conditions more difficult late in the event.

The popular 2.5km swim was won by Matt Gilling, ahead of Robbie Dilisson and Sam Hume in a time of 29:29 thus taking home the prestigious Porthole Cup in support of prostate cancer research. Naomi Scott was the first female home in 32:25, ahead of Alexandra Brown and last year's winner Zoe Whitfield,

Sam Sheppard was first over the line in the Men's Open 1.2 km event in 13:06 followed by Matt Gilling and Guy Kinsey. Local favorite Naantali Marshall was home first in the Women's Open 1.2 km with Sophie Thomas second and Alex Brown third.

There were plenty of very familiar names across the various age categories and celebrating the Rock2Ramp's participation in the Global Swim Series there were entrants from all states of Australia as well as a number of international competitors.

The 300m Kid's Dash was popular again with plenty of budding 1.2 km swimmers in both the 10 – 12 and 7 – 9 age groups.

Winners of the Surf-n-Turf category, which combines an entrant's time in the 1.2 km swim with their time in the 8 km RooRun, held by the Anglesea Motor Yacht Club the previous evening, were for the second year, Rebecca Henderson and Lachie Higgins.

A big thank you to our naming rights sponsor, Bursons Auto Parts and particularly Garry Johnson. Thank you also to the Anglesea Motor Yacht Club for allowing us to use your facility and to all of our valued sponsors who helped to make the event a success.

Thank you to all our members who assisted, in particular, Peter Williams, David Simpson, Tom Penney, Chris Porter, Chris Foley, Romany Cullen, Adrian McNaughton, Ingilby Dickson, Jane Horne, Lloyd Simpson, Bernie Murray, David Kennedy, Jaci Chin-Jewson and Jenny Mauderer.

**Tom Cullen**

Race Director

# ANNUAL GOLF DAY

The annual surf club golf day was once again held at the Anglesea Golf Club on 11th August, 2016 raising \$13,000 for the club.

Numbers were down a little on previous years, however a strong field of 88 keen golfers took to the course on a mild sunny day playing the 4 ball best ball pairs format. Major prize winners on the day are listed below. Congratulations to all.

Such days are impossible to run without the assistance of a core group of helpers volunteering their time in both the lead up to the day, on the day and all of our generous sponsors and donors, and of course the Anglesea Golf Club who give our club exclusive use of their course for the event each year.

Special mention goes out to Doreen Titter & team for the 'Chompers BBQ' Darrell 'Ocka' Johnson & crew for the betting hole on the 16th, the spinning wheel crew Adrian McNaughton, Margaret Edmonds, Judy Sutherland, Diane Fuedoloff and all the ticket sellers, Jenny Inman for organizing category prizes, and finally the set up/pack up crew.

We are always looking for greater numbers & new faces

within the club to get involved in the day – which has been one of the clubs longstanding fund raisers for well over 40 years and is a great fun day even if you are not a golfer. Look out in 2017 for a new event being the Anglesea mini golf at the newly completed Anglesea Golf Club mini golf course – a sure winner to test your putting skills with the kids.

## Shane Edmonds & Mark Gowans

Event organisers

## Category Winners

**Mens Pair** - Stewart Leigh/Tony Speed +8; Runners Up Damien Withers/Greg Aimers +7

**Ladies Pair** (Betty Thompson Trophy) - Jenny Inman/Sue Hocking +3; Runners Up Jill Emerson/Janice Calvert +1

**Mixed Pair** - Ingilby & Fiona Dickson +10; Runners Up Mike & Deg Hume +6

**Surf Club Pair** (Graeme Pitcher Trophy) - Matt Germanchis (Captain Moonlite)/Marty Beck +13

**NAGA** - David & Jeff Feudoloff

# TRAINING & DEVELOPMENT

This year has seen the stepping down of Tim Mason as the Director of Member Development, who had been in this role for the past 8 years. During Tim's time in office, Development has seen considerable growth and the broadening of the skill-set of the membership through the creation of programs focusing on a range of areas. Most notably, Tim;

- increased the self-sustainability of Development Week through the creation of the Training Officer Course and Probationary Assessor Course,
- enhanced our IRB capabilities as a club by introducing the Silver IRB Camp and Summer IRB Crew Courses, and
- engaged members, not involved in Development Week, through the January Bronze Program and Parent Resuscitation Courses.

This is not a complete list of Tim's achievements, all of which took considerable hard work, dedication and commitment. Tim is also a fabulous mentor who equipped many young club leaders with invaluable experience. I would like to thank Tim for his many years of service to Development, and I hope to honour the legacy of Tim's work by continuing to ensure that Anglesea offers high quality courses that enhance our lifesaving service and community.

## Development Week

Our Development Week program continues to be a popular program for young club members. Hugh Moodie and Emily King were integral to ensuring that we again provided a fun and engaging educational experience for our participants. I would like to thank both Hugh and Emily for their tireless work in organizing and running the camp.

## IRB Program

This year Mason Schaub and Sean McVernon made significant and very successful changes to the IRB Program, aiming for greater driver competency in the club. Candidates are now required to complete and log a set target of hours, aimed at building experience, prior to being able to be assessed. This tied in with several IRB crew courses, ran expertly by James Betson. Thank you to the IRB team for your continued work in increasing IRB competency within the club.

## SRC Program Leader : Ingilby Dickson

SRC is the first major lifesaving qualification that allows those that complete the course to join a Patrol, and to also compete in senior carnivals. This year was my 11th year running the SRC course and we saw another 61 young under 14s all pass, and many began Patrol activities later that month, which was great to see such a positive community service commitment from them.

I am very lucky to have a fantastic team of trainers and supporters to help run this course over the Nipper period and all volunteer their time. Derek Stott and Noel Langford were the key trainers with support from Jakob Shaw, Hugh Marslen, Michael Lombard and a significant number of Bronze holders providing water safety and guidance. The administration of the course is always a big task and this year we had great support from Katya Chaney and Karen Devlin, making the process flow smoothly.

All the best to the 61 new SRC holders for Patrol next season and for their Bronze in the future.

### Parent Resuscitation Courses

Over summer, Alice Bills and Lachlan Eaton also ran three parent resuscitation courses. These courses were well received and resulted in the continued engagement of the membership base, outside of the Development Week.

### Development Review

In February, a focus group of trainers, assessors and candidates conducted a review of Development. This review identified several challenges currently faced by the section. These included;

- A lack of water skills in candidates,
- Inadequate focus on courses outside Development Week with courses not being spread across the season,
- Insufficient retention of members over 18 years old, creating a bottom-heavy structure with too few individuals willing to take on leadership or support roles and a lack of experienced trainers,
- Inefficient use of resources by providing inappropriate training, and
- Poor communication with membership.

### Exciting Plans for 2017/18

Concentrating on tackling some of these challenges, a Development Team has been established to work together in the 2017/18 season to manage the Member Development section. This team will continue to grow and develop throughout the seasons ahead.

The Development Team is looking forward to introducing several new initiatives in 2017/18, such as;

- **Surf Camp Trial** – to increase the water skill level of the club, Ken-Leon Yap and Chris Porter are trialing a new program during Development Week, aimed at building leadership skills within the young club members and enhancing water skills by travelling to different beaches and learning how to tackle a wider variety of surf conditions.
- **On Patrol Training** – to provide scenario-based, patrol-focused training for our Advanced Resuscitation Techniques and Spinal Management Courses, we will now only be offering these courses whilst on patrol through training officers on each ASR.
- **Anglesea Assessor Group** – qualified and aspiring assessors that have contributed to the club will be invited to take part in the Anglesea Assessor Group. This involves mentoring younger assessors, an 'Assessor Re-qual' at the start of the season to ensure all assessors are up to date with recent changes and social events to acknowledge the hard

work our assessors do throughout the season.

- **Selection of Development Week candidates** – Anglesea Development Week is an incredibly popular program that we are very proud of. However, to ensure we are able to continue to provide high quality instruction, we have decided to limit numbers, to ensure we have sufficient resources to deliver a valuable experience to all participants. To fairly allocate spaces, we are establishing a selection process that is transparent and reflective of the values that we endeavour to foster in our lifesavers and club members.

- **Season-wide Engagement** – Bronze, IRB Crew, IRB Driver and First Aid courses will be offered throughout the season to ensure all interested members can take part in these programs.

### Thank you

I would like to give a huge thank you to Mike Martin AM who gave a massive amount of his time and dedication to Development this season. Mike was an integral part to the co-ordination of both Development Week and the assessment of courses throughout the season. Mike assessed a large proportion of the candidates himself, lodged all courses in 'Surfguard' and chased candidates for awards that could not be processed. Mike also trained new assessors in Bronze Medallion, SFA and Spinal Management, and mentored assessors at re-quals and other assessments. I am very appreciative of Mike's tireless work this season.

Lastly, we could not run the incredible number of courses without our many volunteer trainers and assessors. Thank you all for your continued work in Development and I look forward to working with you all in the future.

### Mieke Foster

Director of Member Development

## 2016/2017 Membership Statistics

| Category                            | Total Members | Male Members | Female Members |
|-------------------------------------|---------------|--------------|----------------|
| Probationary                        | 22            | 9            | 13             |

# FACILITIES REPORT

Our building and infrastructure is definitely looking forward to the redevelopment. Age related wear and tear of our facilities is leading to more frequent failures of high use items, such as roller doors, locks and noticeable damage to high traffic areas, mainly in the lower clubhouse area.

We have minimised the spend on facilities, especially where these will be demolished in the near future, opting for repairs where ever possible, or strategic replacement, to maintain the safety and operability of our facilities.

As examples of this approach, we have had to invest in significant electrical maintenance work and upgrades in many areas of the club, essential to ensure the safe operation of the building and to ensure the café and restaurant facilities were reliably supplied. This investment in upgraded electrical hardware systems, including the new circuit boards, will be

transferrable into the redevelopment. Significant repairs to the IRB storage area and the installation of an upgraded security system will also be transferrable.

Thank you to all of our members for your patience and tolerance of these 'band aid' maintenance solutions, and if any obvious safety issues arise within the facilities, we will respond promptly !

Anyone having key or Fob issues, please let me or Jaci know so we can replace them, or at least get you access.

I look forward to the continued improvement of our club and enjoyment for all.

**Simon Horne**

Director of Facilities

# BUILDING REDEVELOPMENT UPDATE

We continue to move slowly forward on this important project. Following a number of consultation sessions in 2016 there were some significant revisions made to the plans to address a range of concerns. After further discussion with the Department of Water, Environment, Land and Planning a revised application for Coastal Management Consent (CMC) was submitted in late 2016 and was granted in March 2017. This was required as the clubhouse is on Crown Land. An application for Planning Approval was then submitted to the Surf Coast Shire in April 2017 and is currently under consideration. In parallel with the planning application the project team are going back to all sections of the club to reconfirm their expectations and requirements from the redeveloped facility.

We currently anticipate construction will commence during 2018 and it is planned to take approximately 18 months, so at a minimum, one summer season will suffer significant disruption. Chris Porter, who is overseeing transition planning, is currently working with all sections of the club to develop plans for how best to minimise the impact of this disruption on patrols, training, nippers and general club life. As things are now moving forward the club has moved to put in place a range of measures to ensure the redevelopment is managed and delivered appropriately.

## These include:

- Committing to a Project Plan with Emergency Management Victoria to oversight the State Governments \$1.5M contribution to the redevelopment;
  - Setting up a project management team as shown on the accompanying diagram;
  - Developing a set of 'decision gates' that will ensure all decisions to proceed are based on quantifiable and objective evidence;
  - Committing to a procurement plan that ensures that the procurement of goods and services:
    - Is conducted in an ethical, honest, fair and transparent manner;
    - Delivers the best value-for-money outcome (e.g. price, quality, reliability, service, delivery, payment terms and participation of Strategic Suppliers);
    - Is performed in a way that manages procurement risk; and
    - Follows a process that is intended to protect the reputation of the ASLSC.

The club is budgeting \$5 million for the project and currently has approximately 50% of that committed. With the CMC now granted, fundraising will become the main focus. We reiterate our thanks to all members for their support to date and look forward to significant progress over the next 12 months.

Building ReDevelopment Chair

### **ASLSC Building Redevelopment** **Structure and Accountabilities**

## SUPPORTERS GROUP

The Supporters Group was established in mid 2015 to advise the club on how to encourage more local club participation and how to actively promote ASLSC in the wider community including individuals, groups and clubs. The groups' objectives include fundraising, social activities and sponsorship for proven, worthy surf sport competitors.

**In 2016/2017, the Supporters Group have provided:**

- Sponsorship for two Surf Sports Scholarships to Max Mauderer and Owen Solly, who are Anglesea based Victorian U14 Junior Champions.
- Provided funding to Starfish Nippers for the provision of a Disability Wheelchair to be used by members and public. Thank you to the Hilton White Estate for a \$15,000 donation.
- Sponsored and organised the Nipper Family Fun Night at the Anglesea Football Club which had 600 attendees in January. Proceeds were shared with the Anglesea Football Club.
- Sponsoring commemorative awards for Long Service Anglesea Surf Rescue (ASR) members.
- Conducted the annual fundraiser, Australia Day Function with several senior members and community members in attendance.

I would also like to thank our current Board of Directors for the liaison and consideration of ideas in working relationships with the Supporters Group this past season and looking forward to another successful season in 2017/18.

Geoff Inman

Chairman

# ANGLESEA BEARS

Anglesea Bears are enjoying tenth year of activities since their reincarnation, and how things have changed since the seventies.

Then, it was only all males, we all swam and ran, brought our own BBQ and rehydrating supplies, with salads provided by the hosts, at rotating private residences.

Now, it is males, females, Cubs, and some swim and run, some just swim, many watch with drink in hand. Venue fixed with BBQ meats supplied and salads brought by the members.

## **But traditionally, fines continue !!**

The biggest meeting was, and still is, at John & Nola Fidler's in the seventies, with a reputed 148 Bears in attendance including Pt Leo club visitors.

The Bears actively support the club's programs, sponsoring new Nipper water safety vests before the start of the summer, with a \$1600 donation, and this year donating \$3000 towards a new defibrillator for the lower clubhouse.

New members most welcome, on the first Sunday of the month, running from May to November.

As usual, this report is totally unauthorised and inaccurate.

Catering Bear

# DOORKNOCK

The success of the Doorknock Appeal is directly linked to the number of volunteers who put their hand up to help; our goal is to get club members of all age groups to help us reach our target. The money raised through the Doorknock appeal helps fund a range of services provided by the Anglesea Surf Life Saving Club – including the rescue services and nippers through to development and training programs. The 2016 Doorknock appeal produced an outstanding record total donations of \$31,468 with over \$30,000 of this achieved in a single night.

It is fabulous to have so many people get involved in this busy night and a great way for new families to meet people. It also is a fun, easy and positive way to teach our children about the importance of giving back to our community.

It is with immense gratitude that I thank the club house crew members who have supported the event over the years including Bronwyn Cameron, Monique Johnson-King,

Heide McNab (Pete and Marli), Trina Porter, Matilda Cameron, Janet Melnyk, Tanya Wilson, Lynne Mullins, Tara Gullock Kate Phillips, Jane Horne, Anna Cerdan and Fiona Dickson.

In addition the team are also supported by a regular crew of letter drop families who walk vast distances to deliver the annual appeal letters and those that come in to help prepare the collection bags and equipment in preparation for the event.

We truly appreciate all the many hands that come to help on the night and before hand.

As my children finished nippers some years ago it is now time for me to hand over the reins and as such the Club will be keen to hear from anyone that would like to take over the running of the Annual Doorknock appeal. Please contact Ingilby Dickson.

Warm Regards

**Rachael Keeble**

# CAPTAIN MOONLITE

What a year it has been! Once again we would like to take this opportunity to thank all members for their support in our first year of trade. It has been a huge year, full of hard work and long hours but we are thrilled with the success that would not be possible without you.

- Named as one of the Top 500 Restaurants in Australia in the Australian Financial Review.
- Inclusion in both 2016 & 2017 issues of The Age Good Food Guide
- Named as one of the top 10 best new restaurants in Melbourne 2016 by Business Insider
- A three page spread in Gourmet Traveller magazine for their 'Melbourne Review'
- 3 TV show appearances;
  - A moveable Feast with Ross & Kate Stevenson on Channel 7
  - My Market Kitchen (2 episodes) Channel Ten
  - The Intolerant Cook with Karen Martini on Channel 7
- Multiple mentions in various broadsheet articles
- Employment and training of 35 team members including young club members as trainees

Our first Summer has come and gone with lessons learnt and ideas to improve for next season. The coffee cart we engaged to cope with Nipper Day coffee rushes served quality coffee but feedback was it took up too much space so we will investigate options to engage a smaller cart for next summer. We will also improve marketing so the cart has maximum impact and helps reduce wait times in the restaurant by offering a take-away alternative.

To cater for the large number of drinkers on the deck during the peak season we had a custom (removable) bar ledge built to allow orders to be taken through the window as well as

adding a permanent bar ledge around the edge of the deck (on the Point Roadknight side) for additional seating.

During the peak season we recognized a need to offer quick and easy beach-side snacks and light meal options at lower price points for members so we introduced our Beach Bar Menu. Available on the deck only, it allowed our kitchen to better cater for members looking for an easy and more affordable snack/meal while the restaurant was at capacity offering members and guests a meal from the full menu. Selected dishes from the Beach Bar menu were also made available take-away (at a discounted price) to cater for the Patrol team and younger members looking for a quick option to take back to the beach.

## WHAT'S AHEAD:

We are working with the Club to increase the drinking area capacity for members and guests by removing the stage in the RMR and adding a bar ledge with stools along the window (facing the Alcoa tower), we will also add banquette seating along the famed 'Gold Medal' wall to further enhance the space. These improvements will, largely be covered by Captain Moonlite, bringing the total investment to the club and venue to \$60K.

Starting in December 2017 all paid up members will receive 10% off lunch or dinner. Just flash your member card to receive the discount (not available for breakfast or coffee). We will continue to offer our member beer & wine at happy hour prices from 4pm every day. We will also still offer our Members & Locals night every Thursday\* & BYO nights every Sunday\*

\*April-September only

Thanks again for your support, we look forward to another great year ahead - Matt & Gemma

We are proud to support the club by passing on 3% of our revenue directly to the ASLSC.

## Bruce Graham Fidler

4/1/1936- 21/8/2016

Bruce joined the ASLSC together with his brothers John and Carl, on 27/12/1952. He obtained his Bronze Medallion on 17/1/1953 no 43197 and immediately became involved in administration and competition with the Club. Bruce was a crewman in the Club's first boat swept by Harold Menalaus and also competed in R&R. It was not unusual in those days to represent the club in several disciplines. Bruce was Club Registrar 1954,1955, assistant Chief Instructor 1956 and on the General Committee. Bruce was granted leave of absence and spent several years

living in the UK with his twin brother Carl. The two brothers competed in an Australian R&R Team at a Carnival in Bude Cornwall. He met his wife, Joyce, in England and returned to Australia. He resumed membership of the club and was secretary for three years 1975-77 when his brother John was President. Bruce patrolled for 9 years at Anglesea

Bruce will be remembered by his peers as a popular personality and for his initial contribution to the early development of the club and later term in administration

## Geoffrey Walter Waters

6/6/1946-1/8/2017

**BM 31/3/1963 / V1519 with Pt Leo SLSC / Life Member Pt Leo 1977**

Geoff joined ASLSC in 2012 to help re-invigorate the R&R Section. Geoff was a member of at least 8 other clubs during his lifesaving career, and his enthusiasm and interest led to the resurgence of R&R in Victoria.

He first competed with Pt Leo in a Junior R&R team and gained a silver medal at the SLSA titles in 1964, then, from 1969 he started coaching R&R teams from different Clubs with great success at the SLSV, LSV & SLSA Titles.

Geoff held a variety of positions on SLSV and LSV committees and while Superintendent in 1977, Geoff developed an 'Annual Requalification' program for BM holders so that they could remain active and up to date with requirements for patrol. This was adopted Nationally in 1978/79 season.

With SLSA he was on the R&R Advisory Committee from 1997 to 2010, Chairman from 2006 to 2010 and on the Technical Committee from 2011 to 2016.

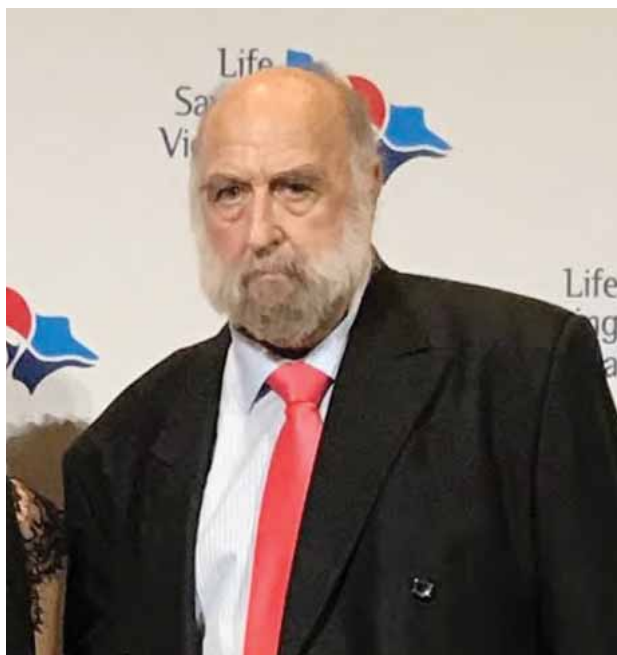

### **Some of the Awards gained by Geoff include :**

- 2001 : Being awarded the Federation Australian Sports Medal
- 2002 : LSV named a perpetual trophy after Geoff, in recognition of his distinguished Service to Life Saving & R&R
- 2005 : Being inducted into Pt Leo's Hall of Fame – Legend Status
- 2007 : Being awarded the SLSA President's Medal
- 2012 : Life Member of LSV
- 2013/14, 2014/15, 2016/17 : LSV Coach of the Year

### **ASLSC Awards**

- 2012/13 : Outstanding Achievement Award
- 2013/14 : Competition Coach Award
- 2014/15 : Outstanding Achievement Award
- 2015/16 : Outstanding Achievement Award

**The ASLSC community extends their condolences to Geoff's family, and we will miss his exceptional dedication.**

# Notes to the Financial Statements

## Anglesea Surf Life Saving Club Inc For the year ended 30 April 2017

### 1. Statement of Significant Accounting Policies

The directors have determined that the company is not a reporting entity and accordingly, this financial report is a special purpose report prepared for the sole purpose of distributing a financial report to members and must not be used for any other purpose. The directors have determined that the accounting policies adopted are appropriate to meet the needs of the members.

The financial report has been prepared on an accrual basis and under the historical cost convention, except for certain assets, which, as noted, have been written down to fair value as a result of impairment. Unless otherwise stated, the accounting policies adopted are consistent with those of the prior year.

The accounting policies that have been adopted in the preparation of the statements are as follows:

#### Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

#### Inventories

Inventories are carried at the lower of cost or net realisable value.

Inventories acquired at no cost or for nominal consideration are measured at the current replacement cost as at the date of acquisition.

#### Property, Plant and Equipment

Property, plant and equipment is initially recorded at the cost of acquisition or fair value less, if applicable, any accumulated depreciation and impairment losses. Plant and equipment that has been contributed at no cost, or for nominal cost, is valued and recognised at the fair value of the asset at the date it is acquired. The plant and equipment is reviewed annually by directors to ensure that the carrying amount is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the utilisation of the assets and the subsequent disposal. The expected net cash flows have been discounted to their present values in estimating recoverable amounts.

Freehold land and buildings are measured at their fair value, based on periodic, but at least triennial, valuations by independent external valuers, less subsequent depreciation for buildings.

Increases in the carrying amount of land and buildings arising on revaluation are credited in equity to a revaluation surplus. Decreases against previous increases of the same asset are charged against fair value reserves in equity. All other decreases are charged to profit or loss.

Any accumulated depreciation at the date of revaluation is offset against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

#### Intangibles

Goodwill is recognised as the excess of the purchase price for a business acquired over the fair value of the net assets at the date of acquisition. Goodwill is assessed for impairment annually and is carried at cost less accumulated impairment losses.

#### Trade and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

#### Financial Assets

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

#### Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at 30 April 2017. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

#### Employee Benefits

Provision is made for the liability for employee entitlements arising from services rendered by employees to 30 April 2017. Employee benefits have been measured at the amounts expected to be paid when the liability is settled, plus related costs.

#### Provisions

Provisions are recognised when the entity has a legal or constructive obligation resulting from past events, for which it is probable that there will be an outflow of economic benefits and that outflow can be reliably measured. Provisions are measured using the best estimate available of the amounts required to settle the obligation at the end of the reporting period.

#### Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

#### Revenue Recognition

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Revenue from the rendering of services is recognised upon the delivery of the services to customers.

Revenue from commissions is recognised upon delivery of services to customers.

Revenue from interest is recognised using the effective interest rate method.

Revenue from dividends is recognised when the entity has a right to receive the dividend.

All revenue is stated net of the amount of goods and services tax (GST).

#### Goods and Services Tax

Transactions are recognised net of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

### Leases

Finance leases are leases of fixed assets where substantially all of the risks and benefits incidental to the ownership of the asset are transferred to the entity, but the legal ownership is not transferred to the entity.

Finance leases are capitalised by recording an asset and a corresponding liability at the lower of the amounts equal to the fair value of the leased asset, or the minimum lease payments measured at present value including any residual values.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Operating lease payments are charged to the income statement on a straight-line basis over the term of the lease.

Lease incentives are deferred and amortised over the period of the lease.

Profits and losses on sale and leaseback transactions are recognised in the reporting period in which they occur.

### Grants

Grant revenue is recognised in the income statement when the entity receives the grant, when it is probable that the entity will receive the economic benefits of the grant and the amount can be reliably measured.

If the grant has conditions attached which must be satisfied before the entity is eligible to receive the grant, the recognition of the revenue will be deferred until those conditions are satisfied.

Where the entity incurs an obligation to deliver economic value back to the grant contributor, the transaction is considered a reciprocal transaction and the revenue is recognised as a liability in the balance sheet until the required service has been completed; otherwise the income is recognised on receipt.

Anglesea Surf Life Saving Club Inc receives non-reciprocal contributions of assets from the government and other parties for a nominal or zero value. These assets are recognised at their fair value on the date of acquisition in the balance sheet, with an equivalent amount of income recognised in the income statement.

Donations and bequests are recognised as revenue when received.

### Government Grants

Government grants received are recognised as revenue on a basis to match the recognition of revenue with costs incurred in the project.

**Statement by Members of the Committee****Anglesea Surf Life Saving Club Inc  
For the year ended 30 April 2017**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 1 to 13:

1. Presents a true and fair view of the financial position of Anglesea Surf Lifesaving Club Inc as at 30 April 2017 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Anglesea Surf Lifesaving Club Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Thomas Cullen (President)  
 Richard Carr (Director - Finance)

Sign date: **3 July 2017**

## Compilation Report

### Anglesea Surf Life Saving Club Inc For the year ended 30 April 2017

Compilation report to Anglesea Surf Life Saving Club Inc

We have compiled the accompanying special purpose financial statements of Anglesea Surf Life Saving Club Inc, which comprise the balance sheet as at 30 April 2017, the income statement, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

#### The Responsibility of the Directors

The directors of Anglesea Surf Life Saving Club Inc are solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet their needs and for the purpose that financial statements were prepared.

#### Our Responsibility

On the basis of information provided by the directors we have compiled the accompanying special purpose financial statements in accordance with the basis of accounting as described in Note 1 to the financial statements and APES 315 *Compilation of Financial Information*.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants*.

#### Assurance Disclaimer

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of the directors who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the special purpose financial statements.

#### Independence

We are not independent of Anglesea Surf Life Saving Club Inc because Richard Carr acts as a director for both West Carr & Harvey and the Anglesea Surf Lifesaving Club Inc.

INDEPENDENT AUDITOR'S  
REPORT TO THE MEMBERS  
OF ANGLESEA SURF LIFE  
SAVING CLUB INC

**Report on the Financial Report**

We have audited the accompanying financial report, being a special purpose financial report, of Anglesea Surf Life Saving Club Inc. ('the Club'), which comprises the committee's report, the statement of financial position as at 30<sup>th</sup> April 2017, the statement of profit or loss and other comprehensive income for the year then ended, statement of cash flows for the year ended 30<sup>th</sup> April 2017, notes comprising a summary of significant accounting policies and other explanatory information, and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

**Committee's Responsibility for the Financial Report**

The committee of the Club is responsible for the preparation of the financial report, and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Incorporations Association Incorporation Reform Act 2012, and is appropriate to meet the needs of the members. The committee's responsibility also includes such internal control as the committee determines is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Basis of Accounting and Restriction on Distribution**

We also draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Club to meet the requirements of the Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose.

**Qualifications**

As is common for organisations of this type, it is not practicable for the Club to maintain an effective system of internal control over cash receipts and payments. Accordingly, our audit in relation to cash receipts and payments was limited to amounts recorded.

As this is the first year of appointment as the Club auditors, we have not been able to verify the opening balances of the financial report for the current year. Both of these policies are not consistent with current accounting standards for the preparation of special purpose financial statements. Also, as we were appointed as auditors post year end we were not present at any stock taking procedures and therefore cannot verify such balances in the financial statements for this year.

**Qualified Auditor's Opinion**

In our opinion, subject to the effects of such adjustments, if any, as might have been determined to be necessary had the limitation discussed in the qualification paragraph not existed, the financial statements present a true and fair view of the financial position of the Club at 30<sup>th</sup> April 2017, and the results of its operations and its cash flows for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the Associations Incorporation Reform Act 2012.

# Notes to the Financial Statements

## Anglesea Surf Life Saving Club Foundation For the year ended 30 April 2017

### 1. Statement of Significant Accounting Policies

#### Basis of Preparation

The trustees of the Foundation have prepared the financial statements of the Foundation on the basis that the Foundation is a non-reporting entity because there are no users dependent on general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of beneficiaries, the information needs of stakeholders and for the basis of preparation of the Ancillary Fund Return.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the trustees have determined are appropriate to meet the purposes of preparation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial report has been prepared on an accrual basis and under the historical cost convention, except for certain assets, which, as noted, have been written down to fair value as a result of impairment. Unless otherwise stated, the accounting policies adopted are consistent with those of the prior year.

The accounting policies that have been adopted in the preparation of the statements are as follows:

#### Trade and Other Receivables

Trade receivables and other receivables, including distributions receivable, are recognised at the nominal transaction value without taking into account the time value of money. If required a provision for doubtful debt has been created.

#### Financial Assets

Investments held are originally recognised at cost, which includes transaction costs. They are subsequently measured at fair value which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

#### Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at 30 April 2016. Trade payables are recognised at their transaction price. They are subject to normal credit terms and do not bear interest.

#### Provisions

Provisions are recognised when the entity has a legal or constructive obligation resulting from past events, for which it is probable that there will be an outflow of economic benefits and that outflow can be reliably measured. Provisions are measured using the best estimate available of the amounts required to settle the obligation at the end of the reporting period.

#### Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

### Revenue Recognition

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue from interest is recognised using the effective interest rate method.  
Revenue from dividends is recognised when the entity has a right to receive the dividend.

### 2. Cash & Cash Equivalents

| Bank Accounts                            | 2017           | 2016           |

## Directors Declaration

Anglesea Surf Life Saving Club Foundation  
For the year ended 30 April 2017

The Directors declare that the trust is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

The Directors declare that:

1. The financial statements and notes, as set out on pages 1 to 8 present fairly the trust's financial position as at 30 April 2017 and its performance for the year ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations); and
2. In the trustees' opinion there are reasonable grounds to believe that the trust will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Director: Mr Richard Carr

Director: Mr Thomas Cullen

Sign date: 29 May 2017

## Compilation Report

Anglesea Surf Life Saving Club Foundation  
For the year ended 30 April 2017

Compilation report to Anglesea Surf Life Saving Club Foundation

We have compiled the accompanying special purpose financial statements of Anglesea Surf Life Saving Club Foundation, which comprise the balance sheet as at 30 April 2017, the income statement, the statement of cash flows, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

## The Responsibility of the Trustees

The Directors of Anglesea Surf Life Saving Club Foundation are solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet their needs and for the purpose that financial statements were prepared.

## Our Responsibility

On the basis of information provided by the directors we have compiled the accompanying special purpose financial statements in accordance with the basis of accounting as described in Note 1 to the financial statements and APES 315 *Compilation of Financial Information*.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants*.

## Assurance Disclaimer

Since a compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of the directors who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the special purpose financial statements.

## Independence

We are not independent of Anglesea Surf Life Saving Club Foundation as Richard Carr is a director of this accounting firm and a Director of the Anglesea Surf Life Saving Club Foundation.

## REVIEW OPINION - TO THE TRUSTEES

ANGLESEA SURF LIFESAVING CLUB FOUNDATION (ABN 14 944 812 708)  
FOR YEAR ENDED 30<sup>th</sup> APRIL 2017

Jason McGinn, Director  
West Carr & Harvey Pty Ltd  
79 Gheringhap Street, Geelong

Dated: 29 May 2017

### Independent Assurance Practitioner's Report

#### Report on the Anglesea Surf Lifesaving Club Foundation

We have reviewed the accompanying financial report, being a special purpose financial report of the Anglesea Surf Lifesaving Club Foundation, which comprises the statement of financial position as at 30<sup>th</sup> April, 2017 and the income statement for the 1<sup>st</sup> May, 2016 to 30<sup>th</sup> April, 2017.

#### Trustees responsibility for the 2017 financial report

The trustees of the Anglesea Surf Lifesaving Club Foundation are responsible for the preparation and fair presentation of the 2017 financial report in accordance with the Foundation's Constitution and the *Associations Incorporation Reform Act 2012*. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the 30 April 2017 financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

#### Assurance practitioner's responsibility

Our responsibility is to express a conclusion on the 30 April 2017 financial report based on our review. We conducted our review in accordance with Standard on Review Engagements ASRE 2400 *Review of a Financial Report Performed by an Assurance Practitioner Who is Not the Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report is not presented fairly, in all material respects, in accordance with the recognised accounting principles and procedures. ASRE 2400 requires us to comply with the requirements of the applicable code of professional conduct of a professional accounting body.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Independence

In conducting our review, we have complied with the independence requirements of the Australian professional accounting bodies.

#### Basis for qualified opinion

Receipts are a source of revenue for the Anglesea Surf Lifesaving Club Foundation. It is impracticable to establish controls over the collection of these revenue streams prior to the entry in its financial records. Accordingly as the evidence available to us regarding this revenue is limited, our review procedures with respect to receipt's has been restricted to the amounts recorded in the financial records. We are therefore unable to express an opinion on whether receipts and obtained by Anglesea Surf Lifesaving Club Foundation are complete.

### Qualified Opinion

Based on our review which is not an audit, except for the effects on the financial report of such adjustments, if any, as might have been required had the limitation on our audit procedures referred to in the *Basis for qualified opinion* paragraph not existed, nothing has come to our attention that causes us to believe that the 30 April 2017 financial report of the Anglesea Surf Lifesaving Club Foundation does not present fairly, in all material respects, the financial position of the Anglesea Surf Lifesaving Club Foundation as at 30 April 2017, and of its financial performance for the year ended on that date, in accordance with Australian Accounting Standards.

### Basis of accounting and restriction on distribution

Without modifying our conclusion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the Anglesea Surf Lifesaving Club Foundation to meet the requirements of the Foundation's rules. As a result, the financial report may not be suitable for another purpose.
