## **TITLE: Use of Hi Visibility Vests During Training**

### **PURPOSE**

To ensure an appropriate level of risk management is maintained during all ASLSC endorsed training sessions. This policy applies to all levels of ASLSC including Junior Activities, Award training and senior level training.

### **POLICY**

1. Only financial and current proficient members are to participate in training sessions.
2. All club members whilst in organised club training or competition in or on the water must wear a high visibility vest (ocean, river, lake or dam). The exception being pool swimming.
3. The coach in charge of the session must carry out a documented risk assessment prior to the commencement of the session using the SLSA mobile/tablet risk application or the or the SLSA "Aquatic Activity Risk Assessment and Management Form" available at <http://surflifesaving.net.au/media/pdf/Risk%20Assessment%20Form%20201213.pdf>
4. An attendance log of all members attending training is to be kept
5. A session assessment should be filled in on completion of the session
