

Anglesea SLSC Policy Document

Reference: 011

Reviewed: 03/2014

TITLE: State Team Financial Support

PURPOSE

To ensure all Anglesea SLSC members understand that basis of the financial support to be provided to members selected for state teams.

PREAMBLE

Anglesea SLSC members are often selected to participate in state teams. Selection generally involves a financial obligation in respect to travel, accommodation and team uniforms.

This policy sets out the basis for any financial support to be provided by Anglesea SLSC.

POLICY OPERATION

Any financial support will be dependent on the overall financial position of the club at the time of consideration.

The level of financial support will range between zero and 50% of that amount charged by LSV (ie the member must pay between 50% and 100% of the cost levied).
