TITLE: Patrol Hour Member Discounts

PURPOSE

To reward those Anglesea SLSC lifesavers who undertake in excess of 30 hours of patrol per season for on-beach patrol duties at Anglesea only.

POLICY

Based on total patrol hours in the previous season, renewing members will receive a discount in their annual membership fees (but not competition levy) based on the following scale:

Patrol Hours	Discount on Fees
30 – 50 hours	20%
50+ hours	35%

For the discount to be applicable at least 9 hours of on-beach patrol hours are to be completed in the non-peak period (Periods A (prior to Boxing Day), and Period C (February, March and April)) of the season.

Note: For patrolling members on a family membership, the percentage discount applies for the cost of an Active Junior membership only.

In addition, and subject to satisfactory fulfilment of their obligations, Patrol Captains will receive a 100% refund of membership fees paid at the end of the season; Patrol Vice-Captains will receive a 50% refund.

Satisfactory fulfilment of their obligations is to include, but not limited to:

- Attendance at 75% of rostered patrol dates, with an appropriate substitute attending any rostered patrols they are not in attendance for.
- Ensuring that each rostered patrol date has the minimum patrol personnel requirements in attendance.
- Ensuring that on-patrol scenario training is conducted on each rostered patrol date.
- Ensuring that the required patrol personnel presentation standards are met for each rostered patrol date (including uniform requirements of all personnel in attendance).
