President's Report

As always it is a privilege to report on yet another successful season for Anglesea SLSC.

Our core focus of providing a safe beach environment was again effectively achieved under the direction of Lauren Chan, assisted by David Simpson and ably supported by our Patrol Captains and Vice-Captains. This season we undertook more than 5,200 hours of patrol, performed a number of rescues and over 1,450 preventative actions and were involved in over 60 significant first aid events. Thank you to all those members who so freely gave of their time in order to provide this great public service. I would particularly like to mention the work of Gear Steward Ross Peasnell together with Colin Anderson, who stepped in to ensure we had our IRB's in top operating condition at all times.

A pleasing feature again this season was the number of new members on patrol late in the season. As always however we are reviewing aspects of our performance with a view to ensuring an even better delivery of our services next season.

One of the real challenges Anglesea, along with all other clubs, needs to confront is the changing beach usage patterns. The question has been raised as to why clubs are not patrolling Saturday morning after Lifeguards finish for the season. We also need to confront the fact that people use the entire length of Anglesea beach, not just the flagged area, and that there is ever increasing usage of the beaches between Anglesea and Urquhart Bluff. This is an issue we will be addressing and it may lead to fundamental changes in the way we deliver our services.

Later in the season it was great to see that David Simpson was selected to attend the SLSA Leaders Masterclass at the Australian Emergency Management Institute at Mt Macedon. This course provides an opportunity for existing leaders within surf lifesaving to participate in a high-level leadership development program. We were then advised that both Ashlea Smith and Courtney Higlett were recipients of a 2013 Life

Saving Victoria Building Leaders Scholarship. This program provides participants with the opportunity to develop through workshops, advanced leadership development and specialised training. This scholarship program also includes a two week trip to Sri Lanka where the participants gain exposure to international lifesaving practices and training together with having a unique cultural experience.

Supporting our patrolling effort is the work of the Development Services team directed by Tim Mason and supported by the Chief Instructors and their teams. In addition to providing the annual requalification program they delivered a highly successful Bronze Camp and numerous other award programs over the summer period resulting in some 500 awards gained this season.

David Kay took over the Junior Activities Directorship this season and again built upon the base created by his predecessors, delivering a great program to our 500+ Nippers thanks to the support and assistance provided by the Age Group Leaders, the Water safety team and the mums and dads. Special mention also needs to be made of Janet Jones and her team for their continued development of the Starfish Nipper Program for kids with special needs. Following the receipt of a grant from the State Trustees we were able to produce a video highlighting the Starfish program which is to be used by LSV and SLSA to promote the program to other interested clubs around Australia.

A high percentage of our membership is Melbourne based and this in turn flows through to the Nipper area, meaning our core program is constrained to a relatively short time span when we can be confident of having the necessary water safety and other support resources. This has been recognised as an inhibiting factor in developing a stronger competitive focus within this area and this is currently being considered.

In the competition arena Anglesea again hosted and won a very successful carnival in early January and then backed-up to stage the Victorian Titles in March for the second year. After a close second in 2012 the Anglesea/Mentone Competition Partnership blew away the opposition this season to win the State Titles in emphatic fashion winning 23 Gold Medals including Eddo (Shane Edmonds) winning the

Open Surf Race at age 40+!!!

The Club recently received a letter from Life Saving Victoria congratulating it on its hosting of the 2012 and 2013 Victorian Lifesaving Championships and noting that they had set a new standard for these events in Victoria. Our Event Manager, Tom Cullen, together with all who assisted can take credit for that outcome.

In April the competition team headed to Kirra in Queensland and again led the way for Victoria with 3 Gold, 1 Silver and 6 Bronze medals together with a number of other finals appearances across the Masters and Senior competitions, being the top Victorian team in both areas. Special mention must be made of the Open Women's R&R Team of Emma Moore, Ruby Wyett, Melissa Heathcote, Andrea Titter and Sarah Harris together with coach Geoff Waters who claimed Gold in emphatic fashion scoring 0.22 which is the best score ever by an open women's team at Aussies competition. Gary Brennan and Kevin Rigg, together with Peter Hurst from Mentone, are to be congratulated again on their management of this area.

The Anglesea/Mentone senior competition partnership, first entered into in three seasons ago, is proving to be a great result for both clubs.

Thanks to funding received from the Victorian Training Guarantee fund and separately from the Volunteer Emergency Services Equipment Program we were able to purchase a new Polaris vehicle, four IRB motors and upgrade the area

in front of the upper clubhouse to provide an all weather surface which has been a huge success with members.

Overall, financially the club has again performed well this season and the audited financial report is contained later in this Annual Report.

One of our long time supporters and a Patron of Anglesea SLSC, Dr. John (Jake) Foster passed away this year and is sadly missed. On the recommendation of his fellow Patrons, the club approached his wife Elizabeth who readily accepted the opportunity to replace Jake as a Club Patron.

It is always gratifying to see members recognised for their contributions so it was with great delight that we saw that Life Member Mike Martin AM was awarded a Member of the Order of Australia (AM) for his service to surf lifesaving, as part of the Queen's Birthday Honour roll for 2013. Mike is a Life Member of Anglesea SLSC, Life Saving Victoria and Surf Life Saving Australia. Mike was president of Anglesea SLSC from 1996 until 2000 and President of LSV from 2000 until 2012. Mike has made an enormous contribution to Lifesaving and this honour is well deserved.

To run a successful Club is a team effort and I would like to acknowledge and thank:

- All of our Directors and our Committee who work hard year round to ensure we remain at the forefront of every aspect of lifesaving.

- Our sponsors for your support of our club events and the club in general. We hope that your association with our club continues to be a positive one for your company.

- The organising teams of our three major club fundraisers – the Golf Day, Rock2Ramp and the Door Knock. It takes a lot of work to prepare, conduct and review these events and the funds that they raise are essential for keeping the club financially sound.

- Our club patrons Geoff Inman, Robert Harding, Garry Johnson, John Worrell, Andrew Ramsden, Elizabeth Foster and Frank Herd for your ongoing support and valued contributions to our club.

- The Anglesea SLSC Foundation who continue to work quietly in the background and provide significant financial support.

- Our Office Manager, Diane Feudoloff, for the outstanding job she continues to do in keeping things ticking along.

In conclusion I would like to thank the wives, husbands, partners and families of our members for your support which is vital to the effective operation of any volunteer organisation and in particular my wife, Helen who provides such great support to myself.

Peter Williams
President

Administration Report

I am pleased to report that another positive year from the administration team with some good highlights and positive outcomes including improved overall service to our members.

Firstly The Deck Café arrangements with Amanda and Chris Gross have now completed their second summer of our three year agreement with many positive reviews and feedback. For the second year in a row now we have run the café through the quieter winter months at least with a broad set of services across the Thursday to Sunday period plus of course school holidays which has allowed our members to start to now plan and utilise these facilities at the club in a greater way. Our plan is to continue these types of services and we are in discussion with Chris and Amanda to continue the improvement for the last year of their contract and start to think through what maybe beyond that period.

On the membership side thank you to Di again having processed just under two thousand memberships with many more this year received early with payment which allowed improvements in cash flow and online processing. We still are not happy about the difficulty of processing family memberships online but we will continue to work with these with our colleagues at LSV. Good support from Judy Sutherland which we should also recognise. The financial results and control of expenditure is in good shape and Shane will report more fully on the financials later in this report.

I would like to also recognise the good work done on our fundraising events the Golf Day, Rock 2 Ramp and Doorknock all at or about previous year targets with a significant administration task being managed behind the scenes or processed in a seamless way to ensure these important cash flows come through to our club and are well spent and managed.

Tina Kay at the shop has done another great year ensuring that the level of merchandising continues to improve with stocktake and results

showing no financial risks and an improvement in margin contribution and hopefully the way our club is being presented with this merchandising. Further plans to improve our merchandising going forward and really appreciate the work by Tina and her staff.

Usually I report on the Green and White rag in our club communications but our multitasked president Peter Williams has taken on this task and has done a fantastic job in ensuring we do provide effective and timely communications and at the same time making sure we use our website where more and more people go to seek information about the club. We can always improve and look forward to further feedback as it becomes more of a place to go for information about the Anglesea Surf Club.

Otherwise we are now preparing ourselves for AGM and then of course the important pre summer process of ensuring our equipment facilities and membership processes are all in place for another big summer. Look forward to seeing you on the beach.

Ingilby Dickson

Director of Administration

Club Captains Report

On behalf of the Directors, Committee, Bridget and myself, we would like to say THANK YOU to Peter Williams for another successfully year. As a Volunteer club, we are still maintaining a high standard of safety at the beach. To me one of the stand out clubs along the west coast for patrols and development of our young children skills of safety. Our local community of around 2,500 grows to over 20,000 visitors during summer ,so with out your help volunteering some time, keeping our coastline a safe place to be, we couldn't do what happens each year. Beach Safety at its best.

Bridget Tribe & Matt Solly

Your Club-Captains

Seasons Wrap Up

What a brilliant Summer we have had down here on the gorgeous Surf Coast. Anglesea sure sparkled this summer with no rainy days and plenty of sunshine. We certainly loved it here at The Deck Café & Bar.

We would like to take this opportunity to thank all the members, their families and friends who kept us company and supported us, your surf club café. Thanks also to the ongoing support as we continue trading right through the Winter months and back into Summer 2013-14.

Don't forget that the waves are better and less crowded in winter and the hot coffee after a

surf at the Deck is just the thing to warm up the bones.

Winter Hours:

Friday	8am - 8pm
Saturday	8am - 8pm
Sunday	8am - 4pm

Check out our website for news, extended hours and Deck info as we move towards another brilliant Summer.

www.angleseadeckcafe.com

Rescue Services Report

2012/2013 brought more sunshine and some rain to our Anglesea summer coastal town. This year we saw **128 new patrolling members** join the patrol scene and be part of the red and yellow! Anglesea SLSC was the host of back to back Surf Life Saving Victorian State Titles. It was another successful event which received great feedback from the Life Saving community despite the lack of beach space at times. Yet again, clubbies volunteered their time to ensure the smooth running of the event as well as provide a long weekend of diligent, active patrollers.

KEY HIGHLIGHTS

Anglesea Surf Rescue (ASR) welcomed on board the Foundation as its premium sponsor. The Foundation has agreed to sponsor the ASR for 3 years. This sponsorship has allowed the patrolling team to purchase essential patrolling equipment as well as supplying uniforms to the ASR team in recognition of their commitment and ongoing service to the club and to the public in all weather conditions - sometimes all four seasons in the one day! The continued support from the Foundation will allow for more training days for the ASR members.

ASLSC PATROL HOURS OVER 30 HOURS - SEASON 2012/13

Achlee	Willoughby	38	David	Kay	30

This season also saw the comeback of internal patrol inspections. In all cases each patrol team was assessed at least twice throughout the season by two independent club patrol inspectors. On each occasion, every patrol team had improved in both skills and team work from the beginning to the end of the season. This allowed patrollers to have some awareness into state patrol inspections and thus prepare/revise accordingly. It also provides insight into patrollers functional patrolling skills and current knowledge of all aspects involved in patrolling the beaches in the red and yellow. Keep up the great work! Thank you to the club inspectors.

Currently we have a number of clubbies (Ken-Gene Yap, Ben Marks, Ross Peasnell, Lauren Chan) who volunteer their time to be part of the Westpac Life Saving Rescue Helicopter. This year saw the addition of Patrol Captain Ben Mason join the team. These guys do a great job in volunteering their time to patrol the beaches and back up the local life saving clubs from the air. Congratulations Ben!

4 clubbies (Isaak Newcombe, Sam McCombe, Ken-Leon Yap, Ashlea Smith) are currently in the selection process to participate in the Advanced Life Saving Camp to achieve their Gold Medallion. They will undertake a week long camp with other volunteers from around Victoria. This is a great opportunity for them to network with other clubs and share ideas and skills. At the end of the camp, they can be eligible to apply to become a Lifeguard or come back to patrol with a greater skillset for patrolling the beaches efficiently and effectively.

FUTURE DEVELOPMENTS

The rescue service team are looking at recognising and rewarding future and current patrollers. We aim to do this by providing them with the skill set obtained through professional developments courses such as the workshops run by LSV and setting up networking opportunities with other clubs. Minor adjustments will continue to be twiggged next season.

Know of anyone that is interested in further developing their patrolling skill set and want to be part of a team environment and ASR? Email laurenchan@live.com.au

ACKNOWLEDGEMENTS

Thanks to the ongoing support and commitment of the ASR team and volunteer patrollers. A special thankyou and recognition to David Simpson, Patrol Co-ordinator and the ASR Captains for going over and beyond what is expected of them. The captains could not have done their role without the support and dedication of their ASR members. An enormous thanks for the following people who provide endless support behind the scenes. I am very grateful for this team of dedicated patrollers and to have such a great support network! THANK YOU.

Lauren Chan

Director Rescue Services

Lachie Holbery-Morgan - Patrol Captain

Ben Mason - Patrol Captain

Tom Cullen - Patrol Captain

Paul Lunny - Patrol Captain

Jonathan Chan - Patrol Captain

Lauren Chan - Patrol Captain

David Simpson - Patrol Captain & Co-ordinator

Jack Fry - Patrol Captain

Lloyd Simpson - First Aid Officer

Ross Peasnell - Gear Steward

Jake Foster - Radio Officer

Colin Anderson - IRB Maintenance

Rock2Ramp

The 2012 Rock2Ramp was the most successful yet with over 900 entries, perfect weather conditions and a high tide which was greatly appreciated by the participants. The event raised over \$40,000 for the Club.

The support provided by all sections of the Club was good but, as always, we need more patrolling members to increase the level of water safety and allow us to rotate people out of the water. A special thanks to those who spent a few hours sitting on boards and ski's providing support and encouragement to the swimmers - a point that was gratefully mentioned by a number of participants.

Special mentions must go to David Simpson for managing safety across the event, Lloyd Simpson

for coordinating first aid, Dave Kennedy for managing registrations, Jim Geary and Ingilby Dickson for marketing and PR, Adrian McNaughton for getting the gear there and back again, Helen Lee-Williams and her team for feeding everyone, and Jimpy for yet again providing security to swimmers belongings.

A great team effort - thanks to everyone involved and special thanks to our long time naming rights sponsor, Burson Auto Parts. The 2013 event is on Saturday 28th December and this year will include a 2.5km Open swim in addition to the traditional 1.2 km event and we look forward to your assistance.

Peter Williams

Race Director

Junior Activities Report

The Anglesea Nipper program ran from October 2012 with our Sunday Dolphin sessions through to the Victorian Junior State Championships in late March 2013. We had just over 540 children including SRC's and our wonderful Starfish members, 22 Age Group Mangers, 20 Age Group Leaders, 50 water safety officers, 10 First Aid Officers, numerous general volunteers helping with beach set up and preparing & cooking the BBQ all working together to create what we hope was a wonderful experience for all.

We were blessed with good weather and moderate seas which assisted greatly in the running of the program. As usual the busy period was from Christmas to early January where Nippers under took the Surf Education Program as well as being well represented in the Annual Anglesea Door Knock which broke all records, the Nipper Art Show, Cosy Corner Carnival where we were represented by 140 children. Later in January our Nippers took part in our Junior Club Championships, followed by the Surf Coast Regional Carnival where Anglesea Nippers qualified 55 relay teams to represent Anglesea at The Victorian Junior

State Championships in Lorne where we had 95 Nippers competing over the two days.

We had a solid performance at the Victorian Junior State Carnival finishing 9th overall out of 30 clubs. The pleasing aspect was we managed to make the final in 80% of the events however we did meet some impressive opposition from some very strong clubs, none more so than Mentone LSC who were the eventual Victorian State Junior Champions. It is clear to improve the overall performance we need to put more time into our competitive training.

Congratulations to all who qualified and competed at the State titles. We had some outstanding performances which received Gold Medals. The following received Gold Medals:

U/10 boys:

Individual Board Race: Max Mauderer (photo)

Individual Wade Race: Max Mauderer

Board Relay: Owen Solly, Tige Ryan & Max Mauderer

Beach Sprint: Max Mauderer, Xavier Turner, Noah Jewell & Harry Manton.

U/13 Girls:

Beach Relay: Kelsey Bews, Chloe MacVean, Tessa Simpson & Marli Wilkinson

U/14 Girls:

2 Person R&R:

Bronte Clarke & Alexandra Geary.

All of this could not have been achieved without the wonderful support from all our volunteer helpers, age group leaders & their assistants, water safety officers & their leaders, water area leaders, beach set up team, photographer, First Aid team, second hand wetsuit stand and the BBQ team who estimate produced about 6000 perfectly cooked snags!

Finally we must mention & thank our fantastic sponsors Lorraine Lea Linen (Adrian Ryan), Easy Bookings (John Pereira), Interface Recruitment (Jeremy King) & Big 4 Holiday Parks (Tim Bone) all of whom not only donated generously but were hands on helping out on the beach and at the BBQ's.

Finally a massive WELL DONE to all our Nippers, see you next season.

Many Thanks

David Kay

Starfish Nippers

Special needs nippers at Anglesea celebrated their second year of the program this season. There were all smiles and tears of pride as the starfish nippers received their well-deserved trophies for participating in the nipper program.

This year seven participants took part in a modified nipper program involving beach and water activities such as beach flags, swimming, board skills, water and surf safety.

Eleven trainers assisted in the program, ensuring there was quality training, water and beach safety.

Our new specially-designed nipper boards made a big difference to the nipper's confidence in the water and helped to develop their skills on the board. A sincere thanks to the Anglesea Surf Life Saving Foundation for financing these boards this year.

The program has not only built the nippers confidence and skills in the water but also created nipper friendships, networks for parents and a sense of community and acceptance within the Anglesea club. Thank you to everyone at the club for their enormous support and encouragement and a special thanks to Dave Kay, Peter Williams and Di Feudoloff.

In the future we hope all lifesaving clubs will consider running similar specialised programs. To this end, Anglesea received a grant from the State Trustees for \$5000 to make a promotional

DVD to send to other SLSC's around Australia. To make this video, Jake Foster filmed the program over the summer and went beyond the call of duty to create a website so it can be viewed globally. We were also very grateful to Jake for creating special video links for the media, which were used by SBSTV for a story on World News Australia in January. The story and the promotional videos can all be viewed on the starfish nippers website: www.starfishnippers.com.au.

Thanks too to all the starfish team (including the amazing supportive parents) - this program could not have run without you all. My trainers included a great group of young enthusiastic adults: Matt Mullins, Greta Dickson, Matilda Cameron, Amelia Kelly, Clara Toohey and Charlie Fry. Then there were my slightly older, but still passionate trainers: Bronwan Cameron, Win Brown, Liz Fry and Jenene Kelly. These wonderful volunteers were not only fantastic trainers, but were also role models to the nippers as well as friends and mentors.

To the stars of the program: Jeremy, Anna, Chris, Sienna, Jared, Walter and Liam - congratulations! You have improved so much with your skills on and off the beach, always tried your best and kept smiling. We're looking forward to seeing you next season.

Janet Jones

Starfish Nipper Co-ordinator

Competition Report

The 2012/13 season again saw Anglesea rise to the top of the pack winning the State titles points' race once again.

This achievement rests on the back of many individuals as well as the coaches and support staff's dedication and hard work. The Anglesea Surf Lifesaving Club's competition team is a collection of club members young and old who contribute widely to the running of this great club. Many competitive members are actively involved in life saving operations, administration, training and social events as well as training and competing for the club. This commitment has been rewarded with many great results at both the Victorian State Titles and the Aussies this year. I would like especially to take this opportunity to congratulate the Open Women's R&R team for their wonderful effort in winning the gold medal at the Aussie Titles. Other strong results worth mentioning are Bronze medals to the U/17 male beach relay team and the U/15 and U/17 R&R teams. Also the Master's competitors once again had some strong results with gold medals to Sally Cummings in the 30-40 year female beach sprint and the 130 year + male ski relay team these along with a silver in the 140 year + men's beach relay and three bronze medals.

-----------	--------------------------

This past season saw the Anglesea Surf Club host the Victorian State titles for the second year running and as was the case the previous year the carnival ran extremely smoothly thanks largely to the efforts, organisation and expertise of Tom Cullen who along with his band of helpers worked diligently to pull off this successful event. In my time as director I have thankfully had strong support from many club members with far more expertise than myself and I gratefully appreciate their support. The competition partnership with Mentone Lifesaving Club again this year proved to be a positive for both clubs and the ongoing benefits should continue to be realised into the future.

Work has already begun on the upcoming season by both competitors and support staff and I would encourage all competitors to take advantage of the many training opportunities being offered. Information on training can be obtained via the club web page or by contacting me. As this is the last of my three seasons as the Director of Competition I would like to personally thank the following people: Peter Williams for his support and guidance, Kevin Rigg, Chris Porter, Marc Lionet, Peter Hurst, Matt Solly, Bridget and Steve Tribe, Peter Van Miltenburg, Geoff Waters, Warren Clarke, Ingilby Dickson, Tom Cullen, Tom Penny as well as all directors and committee members. Thanks also to the many hundreds of other people who have assisted

the competition team in that time. Keep up the training and good luck in the future

Anglesea Surf Boat Section Report

The section has completed a long season commencing with the World Championships (Rescue 2012) in Adelaide during November and concluding with the Australian SLSA Championships at Kirra during April.

While we still lack a mens crew to compete in Open competition, the womens section has continued to grow and put in some outstanding performances throughout the season. There was certainly a good deal of success particularly in the Masters categories. Some of the standout results for the season included:

The ladies crews performed exceptionally well during the season with results that were well deserved given their intensive training program and the great contribution of the sweeps, Doug Solly, David 'Fan Belt' Eades and Andrew Holding.

The 240+ Mens Masters also performed well and were unlucky not to get a podium position at the Worlds while disaster struck just prior to the Aussies with Ian McGain suffering from 'ticker' issues which resulted in his having to withdraw. Kevin Bent did a great job stepping in for Ian although during the return to shore

in for Ian although during the return to shore in the final at Kirra, during a bit of large wave manoeuvring, he unexpectedly left the boat and hasn't been seen since. It was also interesting to note that the boat eventually crossed the line in good order...alas minus the crew!

Special note should be made of our crew in the Womens Open who rowed very well and made it through to the third round, just failing to qualify for the final.

Overall, the boat section was well represented in competition with some good results and we have good prospects for an even more successful season in 2014. The Womens crews have in many respects, led the way and with new recruits coming on board next season Anglesea should continue to be a force in both Open and Masters competition.

The 'Fan Belters' are showing great improvement in Reserve Grade with some very good results this year, to build on. Their performance at the Vic titles in setting up our Anglesea team in the Lifesaver's Relay was exceptional. We will be looking to strengthen the Mens section in 2014

in the final at Kirra, during a bit of large wave manoeuvring, he unexpectedly left the boat and hasn't been seen since. It was also interesting to note that the boat eventually crossed the line in good order...alas minus the crew!

Special note should be made of our crew in the Womens Open who rowed very well and made it through to the third round, just failing to qualify for the final.

Overall, the boat section was well represented in competition with some good results and we have good prospects for an even more successful season in 2014. The Womens crews have in many respects, led the way and with new recruits coming on board next season Anglesea should continue to be a force in both Open and Masters competition.

The 'Fan Belters' are showing great improvement in Reserve Grade with some very good results this year, to build on. Their performance at the Vic titles in setting up our Anglesea team in the Lifesaver's Relay was exceptional. We will be looking to strengthen the Mens section in 2014 with new crews. In addition, we are hoping that the mens U19 crew swept and trained by Paul Hearne, which has shown tremendous potential, will be able to compete next year without studies intervening. These young guys certainly show promise as a future Open Mens outfit - an area where we have lacked competitive crews for some years.

Also on a positive note, we expect to see some old faces return next season which will add great experience and support for the section. If these developments work out we will have some new sweeps (which we desperately need following Doug S's announcement at the Aussies that he will retire from competition) and hopefully, these people will bring a new group of rowers to further strengthen our competitiveness.

Next season will also see the start of our training program for the Gallipoli 100 ANZAC commemorative row in the Dardanelles on April 23rd and 24th, 2015.

Finally, we are continuing to negotiate with sponsors for the purchase of a new boat for next season. We have a number of commitments but we need to find extra dollars to pay the \$30K involved.

We had quite a number of personnel changes during the season, particularly in the Womens section Various crews are listed as follows (and apologies if some of the crew names and crew members are not entirely correct due to the crew changes !)

Barry White

INSIDETORY

YOUR COMPLETE REAL ESTATE GUIDE

Anglesea surf lifesavers Doug, Matt and Lachlan Solly are hoping to be the first family to have three generations win medals at the Australian Surf Life Saving Championships this month. For details see page 6.

Doug Solly

Doug Solly, what can we say? after 52 years of competition, has decided to remove the wedgie and hang up the oar as a boat sweep.

Doug obtained his bronze at Anglesea in 1964, . He moved to Anglesea when his parents who brought the Bridge Café, which was located where the Noble Street fish and chip shop is currently located.

Doug first competed in the swimming races which lead on to R&R, winning an Australian Title. He then competed in board and ski before finding his lifesaving calling as a surf boat sweep.

Doug first competed for Bancoora Surf Life Saving Club in their surf boat section before returning to Anglesea to the boat section. Doug has won medals in all divisions from State, NAVY, World and Australian competition . In the last few years, Doug has concentrated on Women's Masters crews, including coaching and sweeping his daughter in-law, Melinda Solly.

Doug's family has also made a massive contribution to the club, with son Matthew our current Club Captain and Michael and Melissa past members. This year, Lachlan, Matt, Melinda and Doug all competed in the Australian

championships, making three generations of the same family to compete at the same event, which would be pretty unique in Australian Sport.

During the years, Doug has no doubt heard every excuse in the book, and has a story for every occasion. There is no sweep better at catching the big wave in Victoria and his experience and expertise will be missed. A true legend of the surf.

When he is in town, he will still be a major part of Surf Lifesaving passing on his years of knowledge and helping any way he can.

While we appreciate the contribution made by Doug, the club owes a massive amount of gratitude to Lorraine Solly who also recently received an award for 50 years of membership. The pair plan to sleep in and travel. We are looking for an old Surf Boat for Doug to tow up North as we are worried that his driving skills may be impaired without a eight meter surf boat behind his Falcon.

Thanks Doug,

David O'Brien

Anglesea Surf Boat Section

R & R (Section Report)

Another year and another success for Anglesea and the R&R Section! We competed at most of the summer surf series carnivals, went interstate and competed well at the Manly carnival. We also had excellent results at the Victorian State Titles coming away with numerous titles and medals and retaining the Geoff Waters Perpetual Trophy.

R&R sent 6 teams comprising 26 competitors to the Aussies this year – certainly this is the largest R&R team from Anglesea in the last 10 years, maybe even 20! We would have to go back to the archives to confirm or dispute that. Our teams' competitors competed in 5 events – U15's, U17's, Open Women, Open Mixed and Open Six, with all teams making the finals and with 3 teams bringing home medals!

We had 2 U15 teams made up of 10 amazing young women with both of these novice teams doing an amazing job. The U15 Pink team (Bronte Clarke, Alex Geary, Sara McMillan, Jess Handreck and Keeley Bottoms) won bronze. The U15 Purple team (Eliza Toohey, Keely Bent, Asha Bent, Zoe Perkins and Katie Takle) came 5th. The interesting thing was that from 3rd to 5th, all teams scored the same and the final positions were decided by a count back. Both teams were coached by Emma Moore.

Our U17's, (Lucy Pearce, Maddy Brown, Hannah Carboon, Yasmine Davis and Mitchell Clarke) coached by Geoff Waters also won bronze.

Our final medallists were the Open Womens team. This team, also coached by Geoff Waters, comprised Emma Moore, Ruby Wyett, Melissa Heathcote, Andrea Titter and Sarah Harris claimed

GOLD in emphatic fashion scoring 0.22 which is the best score ever by an open women's team at Aussies competition. This means they incurred zero drill points and did a flawless run-thru. The 0.22 points were picked up in the swim leg, which was very close indeed.

Our two remaining teams the Open Mixed (Callum Brennan, Brit Fitzpatrick, Georgie Brown, Melissa Bird and Shaun Butler) and Open Six (Katie Self, Emma Moore, Ruby Wyett, Callum Brennan, Brit Fitzpatrick and Shaun Butler) made their finals and acquitted themselves very well indeed. Both of these teams were also coached by Geoff Waters.

A huge thank you must go to our coaches – Geoff Waters and Emma Moore. Thanks also to our fill-in coach and super logistics manager – Warren Clarke. Warren assisted in getting the reels to and from carnivals all season as well as keeping them polished and functional he and Geoff did the Aussies road trip towing the reel trailer up & back.

Lastly, thanks to our patrons, Mr John Worrell and Mr Geoff & Mrs Jenny Inman.

Next year we again expect to send several teams to Aussies with planning already underway. Anyone wishing to join our ranks is most welcome and can contact me at any time.

Angela Brennan

R&R section Manager

Marketing Report

Despite the ongoing tough economic climate and ever increasing competition for corporate sponsorship, the Anglesea SLSC continues to be supported by its long term sponsors including Alcoa, Burson Autoparts, Hardings Hardware, Hamlon Homes / Squeekies and MC Herd Wholesale Meats. We are also encouraged by the ongoing support from new sponsorships that we have in place with John Pereira and Easybookings.com.au, Lorraine Lee Linen and Fosters Group through its VB brand.

The Rock2Ramp has experienced continued support from Wyn Training, 2XU, Funky Trunks, Interface Recruitment, Bunnings Torquay, Mantra Hotels & Resorts and Anaconda along with Brown Magpie and Longboard wines without whom we would not continue to offer the place getters in each age group category the best prize pool of all the surf coast based and possibly other swims.

In addition I would like to thank the support we enjoy from local media including The Geelong Advertiser, Surf Coast Echo and in particular the Surf Coast Times, who provide coverage for our events but also recognition for the efforts and achievements of members.

Our run rate for grant applications has been down on previous years and it continues to be a

challenge due to the competition for government and philanthropic grants with more and more not for profit organisations and charities chasing alternative means of fundraising such as grants. This is particularly frustrating due to the time and effort that is put into each application.

In closing, I would like to thank on behalf of the committee and members of the Anglesea SLSC, all our sponsors and supporters and also the grant benefactors for their ongoing support and generosity in supporting our club.

I would also like to encourage all members and their families to consider our sponsors when purchasing any goods or services. We have two primary income based agreements with the Bendigo Bank, Anglesea and also great Ocean Properties both of which provide an income when members use their services, so please consider them.

We also have many companies who support our club and when making purchase decisions we should consider goods purchased from our sponsors and supporters particularly those who may be involved in running a business on a day to day basis.

Jim Geary
Director Of Marketing

Development Services Report

This year saw Anglesea undertake the largest program of training and requalification in the state. A search of the LSV computer system shows the following:

This analysis somewhat understates the effort as there are a range of trainer and assessor and IRB awards which have yet to be processed.

One impact of this large training program is reflected in the high retention rates enjoyed by Anglesea:

Despite having 5% of the state's Nipper population, we manage to have 9% of the 15-17 year olds and 10% of the 18-23 year old group. These are extraordinary numbers for a holiday based club which has 66% of its membership based in Melbourne.

Bronze and SRC Paper work

A massive thank you to the parents who fought their way through the paperwork that bedevilled these courses this year. I have recently been involved in reforming the process at LSV which will see the enrolment book down to 2 signatures and 6 pages and the two handbooks back to one handbook. We are looking forward to a much simpler process next year.

Development Week (formerly Bronze Week)

Despite having record attendances (115) and being the largest Bronze Camp in Australia, the Bronze Camp candidates found themselves in a minority on Development Camp this year as retention rates sky rocketed and BronzePlus (now Silver) Camp became a force with 75 16 year old candidates.

Despite an ambitious number of new courses, the Instructors rallied and performed magnificently in shepherding their charges through a complex program.

The highlights of the camp included a new IRB Drivers program which has seen 30 drivers pass the exam and poised to see their awards issued. We also ran the Silver Medallion Aquatic Rescue (SMAR) course for the first time in Victoria and had 79 people graduate along with 6 new Facilitators. This course was very popular involving night scenarios, jumping off rock ledges, picking up a submerged dummy from depth of 3 metres and learning how to deal with other emergency services in a rescue.

The Junior Instructors Camp not only produced 18 new Bronze Instructors, they all had a great week and

it provided a great spring board for a number of them to assist in other courses over Summer and become an instructor in those courses.

For the first time this year we ran a Probationary Assessors Camp and laid the ground work to get another 12 assessors signed up once we run one more little course. We learnt a lot in this camp which will be put to good use next season. This Camp is critical to building a sustainable structure in Training and Assessment in the club.

January program

Over January we also ran a program of IRB Crew awards and IRB Driver follow up training sessions to get new drivers to the required standards, but failed to relaunch the IRB Racing Team. This is a critical all pervasive and important required skill in our club with Drivers being needed for water safety and patrols and being involved in most significant rescues. I would like to thank Col Anderson for his great maintenance work during the season.

I would also like to thank all the trainers and assessors who helped over summer. There were more than 50 people involved and everything they have done is appreciated. In particular I should thank the Chief Instructors, El Beavis, Caitlin Paton, Fiona Dickson, Zeb Phoenix, James Burnett and many others for their efforts.

We are committed to expanding the number of trainers and assessors and have restructured the leadership roles so as to be able to better share the load among a broader group next year.

Tim Mason

Director of Development

Facilities Report

Over the past year we have seen several changes around the club, as the number of memberships increase so does the need for general and major maintenance around the club's facilities. Along with the Deck Cafe's hours increasing and new bookings for weddings & functions, the Ray Marsh Room is being utilised all year round. This is mainly due to the hard work by Chris & Amanda Gross + staff along with Ingilby Dickson's venue management.

Before this year's Bronze Camp the club installed new modgrass and the timber setting area in front of the Ray Marsh deck to accommodate the need for new space to conduct development programs and a seating area for your members in general. I would like to thank Tim Mason for his creative dreaming and John Toohey for his hard work to bring this great area to life.

The major works around the club this year included the painting of all the timber surfaces on the outside of the club & the decks areas. This work and much more were achieved through the hard work by the club's new maintenance handy man Rick Noggler. The club's garden maintenance continues to be handled by Lachlan Solly a big thank you to Lachlan.

Highlights to the facilities in the past year:

- Rebuild to the stairs up to the Ray Marsh deck
- Newcarpet to the Ray Marsh Room (thanks to Ben Homburg)
- Painting of the walls in the lower Kitchen

- New wall lining in the Gym
- Installing new lighting around the club
- Upgrades to the power supply & power safety
- Rebuild to the clubs flag poles
- And much more

Upcoming works needed around the club:

- New flooring in the Gym & new gym equipment
- New timber decking on the Ray Marsh bridge & lighting to the upper car park

Cleaning the club's facilities is and has become a large job with the Ray Marsh Room / Deck Cafe, lower clubhouse, bunkrooms and change rooms etc, all being used increasingly this year and onwards. This work is taking up a big part of the facilities budget and resources along with this I would like to say thank you to the members for their help in keeping the venue clean & tidy but mostly I would like to thank Rosie McDonald the club's cleaner for her work thought the year.

I would like to conclude with thanking Peter Williams, the Directors Committee & Diane Feudoloff for their timeless work over the past year and as this great club grows so does the work load so thank you.

Kevin Rigg
Director of Facilities

Vale - John 'Jake' Foster 11.5.1931 - 28.1.2013

Anglesea SLSC lost a long time Hon Medical officer and a generous Patron when 'Jake' passed away succumbing to a protracted illness. 'Jake' was a leading Melbourne Eye Surgeon, an Olympian in water polo in 1956, a formidable 'A' Grade tennis player at LTAV Kooyong where he became President and a Life Member. A very tall man, his reach served him well in water polo but also in tennis where court coverage was left to his massive reach rather than adept footwork! 'Jake' enjoyed his decades long Anglesea SLSC association not only in his Honorary roles of MO and Patron but in earlier times a session of body-surfing with some of the club members who could keep pace in the surf was one of his great joys. Social occasions around the Club, The Patrons' Barrel, The Patrons Luncheon or the Winter swimming group The Polar Bears BBQ were always enjoyed by 'Jake' even if he was accepting his own hospitality! 'Jake' had the unique status of not only being an Olympian he was also the Father of two Olympians, Margot (rowing) and Peter (kayak). ASLSC has invited 'Jake's' wife Elizabeth to accept the

role of Patron which Elizabeth has graciously accepted. The President, Committee and Members have conveyed condolences to the Foster Family on their loss.

Competition Results

2013 Aussies Kirra QLD

Congratulations to our team who competed at the 2013 Aussies. There were a lot of finals reached and some great results as shown below:

GOLD

Open 5 Person R&R – Sarah Harris, Melissa Heathcote, Emma Moore, Andrea Titter, Ruby Wyett

BRONZE

U17 Male Beach Relay – Callum Beattie-Powell, Marcus Jones, Nicholas Kilner, Daniel Stonehouse

U17 5 Person R&R – Madelaine Brown, Hannah Carboon, Mitchell Clarke, Yasmin Davis, Lucy Pearce

U15 5 Person R&R – Keeley Bottoms, Bronte Clarke, Alexandra Geary, Jessic Handreck, Sara McMillan

4TH PLACE

U15 Male 2km Run – Nicholas Foster

Open Female Beach Relay – Molly Blanchonette, Sally Cumming, Stephanie Larkin, Claire Lewtas

5TH PLACE

U15 Male 2km Run – Michael Hurst

Open 6 Person R&R – Callum Brennan, Shaun Butler, Brittany Fitzpatrick, Emma Moore, Katherine Self, Ruby Wyett

U15 5 Person R&R – Keeley Bent, Asha Bent, Zoe Perkins, Katie Takle, Eliza Toohey

6TH PLACE

Open Female Ski Relay – Madelaine Hurst, Olivia Keppell, Catherine McArthur, Bridget Tribe

Open Mixed 5 Person R&R – Melissa Bird, Callum Brennan, Georgina Brown, Shaun Butler, Brittany Fitzpatrick.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2013

1 Statement of Significant Accounting Policies

The trustees of the trust have prepared the financial statements of the trust on the basis that the trust is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of beneficiaries.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the trustees have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless stated otherwise in the notes. The accounting policies that have been adopted in the preparation of these statements are as follows:

Trade and Other Receivables

Trade receivables are recognised initially at the transaction price (i.e. cost) and are subsequently measured at cost less provision for impairment. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

At the end of each reporting period, the carrying amount of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in income statement.

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Dividend revenue is recognised when the right to receive a dividend has been established.

These notes should be read in conjunction with the attached compilation
report of West Carr & Harvey.

**COMPILATION REPORT
TO
ANGLESEA SURF LIFESAVING CLUB FOUNDATION
A.B.N. 14 944 812 708**

We have compiled the accompanying special purpose financial statements of Anglesea Surf Lifesaving Club Foundation which comprise the balance sheet as at 30 April 2013, profit and loss statement for the year then ended, a summary of significant accounting policies and other explanatory notes.

The specific purpose for which the special purpose financial statements have been prepared is to provide information relating to the performance and financial position of the trust that satisfies the information needs of the trustees.

The responsibility of trustees

The trustees are solely responsible for the information contained in the special purpose financial statements and have determined that the significant accounting policies adopted as set out in Note 1 are appropriate to meet their needs.

Our responsibility

On the basis of information provided by the trustees, we have compiled the accompanying special purpose financial statements in accordance with the significant accounting policies adopted as set out in Note 1 and APES 315: Compilation of Financial Information.

Our procedures use accounting expertise to collect, classify and summarise the financial information, which the trustees provided, in compiling the financial statements. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

The special purpose financial statements were compiled exclusively for the benefit of the trustee's and unitholders. We do not accept responsibility to any other person for the content of the special purpose financial statements.

ANGLESEA SURF LIFESAVING CLUB FOUNDATION ABN 14 944 812 708

Independent Auditor's Report

We have audited the accompanying financial report, being a special purpose financial report, of Anglesea Surf Lifesaving Club Foundation (the entity), which comprises the Trustees' Declaration, Balance Sheet, Income Statement, notes comprising a summary of significant accounting policies and other explanatory notes, for the year ended 30 April 2013.

Directors' Responsibility for the Financial Report

The trustees of the trust are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the financial reporting requirements of the trust's constitution and is appropriate to meet the needs of the members. The trustees' responsibility also includes such internal control as the trustees determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

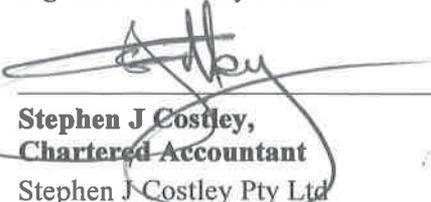

In our opinion, the financial report presents fairly, in all material respects, the financial position of Anglesea Surf Lifesaving Club Foundation as at 30 April 2013 and of its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements.

ANGLESEA SURF LIFESAVING CLUB FOUNDATION ABN 14 944 812 708
Independent Auditor's Report

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the trustees' financial reporting responsibilities under the trust's constitution. As a result, the financial report may not be suitable for another purpose.

Signed on : 24 July 2013.

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the .

The financial report covers ANGLESEA SURF LIFESAVING CLUB INC. as an individual entity. ANGLESEA SURF LIFESAVING CLUB INC. is an association incorporated in .

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

The association adopts the liability method of tax-effect accounting whereby the income tax expense shown in the Statement of Financial Performance is based on the profit from ordinary activities before income tax adjusted for any permanent differences.

Non-member income of the association is only assessable for tax, as member income is excluded under the principle of mutuality.

Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is a policy of ANGLESEA SURF LIFESAVING CLUB INC. to have an independent valuation every three years, with annual appraisals being made by the directors.

The revaluation of freehold land and buildings has not taken account of the potential capital gains tax on assets acquired after the introduction of capital gains tax.

b) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

c) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to ANGLESEA SURF LIFESAVING CLUB INC. commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Asset	Depreciation Rate %
Buildings	2.00%
Equipment, Boats, Boards & Ski's	33.00%
Furniture, Fittings & Equipment	20.00%

Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash out flows to be made for those entitlements.

Contributions are made by ANGLESEA SURF LIFESAVING CLUB INC. to an employee superannuation fund and are charged as expenses when incurred.

ANGLESEA SURF LIFESAVING CLUB INC. does not record, as an asset or a liability, the difference between the employer established defined benefit superannuation plan's accrued benefits and the net market value of the plans assets.

ANGLESEA SURF LIFESAVING CLUB INC. operates an ownership-based remuneration scheme, details of which are provided in the Notes to Accounts. Profits or losses incurred by employees, being the difference between the market value and the par value of the shares acquired, are not recorded as remuneration paid to employees.

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking in to account the interest rates applicable to the financial assets.

ANGLESEA SURF LIFESAVING CLUB INC.

ABN 14 544 659 974

Notes to the Financial Statements

For the year ended 30 April 2013

Dividend revenue is recognised when the right to receive a dividend has been established. Dividends received from associates and joint venture entities are accounted for in accordance with the equity method of accounting.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

Compilation Report to ANGLESEA SURF LIFESAVING CLUB INC.

We have compiled the accompanying general purpose financial statements of ANGLESEA SURF LIFESAVING CLUB INC., which comprise the Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows and Statement of Financial Position as at 30 April 2013, a summary of significant accounting policies and other explanatory notes. These have been prepared in accordance with the financial reporting framework described in Note 1 to the financial statements.

The Responsibility of the Committee of Management

The committee of management is solely responsible for the information contained in the general purpose financial statements and has determined that the financial reporting framework used is appropriate to meet the committee's needs and for the purpose that the financial statements were prepared.

Our Responsibility

On the basis of the information provided by the committee of management, we have compiled the accompanying general purpose financial statements in accordance with the financial reporting framework and APES 315: Compilation of Financial Information.

Our procedures use accounting expertise to collect, classify and summarise the financial information which the committee of management provided, in compiling the financial statements. Our procedures do not include verification or validation procedures. No audit or review has been performed and accordingly no assurance is expressed.

The general purpose financial statements were compiled exclusively for the benefit of the committee of management. We do not accept responsibility to any other person for the contents of the general purpose financial statements.

Independent Auditor's Report to the Members

Report on the Financial Report

We have audited the accompanying financial report of ANGLESEA SURF LIFESAVING CLUB INC. (the association), which comprises the Statement by Members of the Committee, the Statement of Comprehensive Income, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April 2013.

Committee's Responsibility for the Financial Report

The Committee of the association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the , and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, management also states in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial report complies with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion:

- (i) The financial report gives a true and fair view of the financial position of ANGLESEA SURF LIFESAVING CLUB INC. as 30 April 2013, and of its performance and its cash flows for the year ended in accordance with the Australian Accounting Standards and the ; and
- (ii) the financial report also complies with International Financial Reporting Standards as disclosed in Note 1.
