President's Report

It has been a landmark season for the Anglesea Surf Life Saving Club.

Our journey began with a trip to Sydney to present a case for why we believe that Anglesea is the best club in Australia. Fortunately the judges agreed and we won the prestigious Surf Life Saving Australia Club of the Year award for 2010.

Work continued by our Directors and Committee to put into place our existing programs and new initiatives for the season. Jane Horne's idea of holding a couple of impromptu Jelly Fish Nippers sessions for 4 and 5 year olds proved to be very popular.

Thank you to our partner clubs Mentone Life Saving Club and Port Melbourne Life Saving Club. The crew we work with at Mentone are such wonderful, enthusiastic and positive people and the competition partnership we share proved to be a very successful arrangement for the clubs and the athletes this year.

Port Melbourne Life Saving Club finds it very difficult to fulfil their requirement patrolling the beach from November to April. Hopefully the contribution our members have made to patrolling at Port Melbourne Life Saving Club has been of value to their club. We greatly appreciate having a central training base in Melbourne for our athletes and team's so the partnership has mutual benefits.

Thank you to Warren Clarke, immediate Past President, for his outstanding support this season. Warren has been the key person managing our partnerships with both Mentone and Port Melbourne Life Saving Clubs. Warren, I greatly value your guidance and the club was certainly in a great position when I stepped into the role.

A really exciting part of the journey of the 2010/2011 season started with an idea from Peter Hurst, Mentone Life Saving Club. He suggested we combine forces to hold a Girls Surf weekend at Anglesea to focus on retention

of our female members. It was so much fun that I could hardly drag Chloe home from the club after the Masterchef Challenge and the surfing sessions with the big girls. Thank you to Abby Lewtas, Hayley Atkins, Tahni Luckhurst, Claire Lewtas and Molly Blanchonette for their time contributed in organising the event, and the leadership displayed throughout the weekend.

In the competition section we set two goals for this season. The aim was to finish the top club in Victoria and to finish in the top 50 clubs at the Australian Titles. I am proud to say that both of these goals were achieved due to a lot of hard work from our competitors, coaches and management team. We won the Victorian Championships and placed 29th at

President's Report (continued)

the Australian Championships. In addition to these results Anglesea sent a small but talented team to the Victorian Masters and they placed an impressive 2nd; they also finished 13th at the Australian Masters. Our Nippers and their families showed great dedication to return to Lakes Entrance for the second year running and placed an impressive 6th. The Anglesea IRB team placed 4th at the 2010 Victorian Championships and 4th at the 2010 IRB Nationals. Thank you to everyone involved for the time contributed to training/coaching or organising logistics for carnivals and the Titles.

Congratulations to all of our Australian Title winners who you can read about in the competition section report. Two highlights for me from the State Titles were cheering the Anglesea Taplin team home for a win for the first time since 2002 and watching a nervous Charlotte Kay make the final in the beach flags competing for her first time at a senior event.

Two highlights from the Australian Masters Championships were Naantali Marshall winning five gold medals and the Masters Men winning the Beach Relay. Dear friend and former coach John Baldock couldn't hide what this meant to him as he stood on the dais crying as Steve Davies, Ryan Hartshorne, Matthew Symington and Peter Van Miltenburg accepted their gold medals.

Finally, the 2km walk from one end of Kurrawa Beach to the other was well worth it to see the joy and Anglesea pride on display as Warren Clarke tore off his Officials uniform and stripped down to his Anglesea striped bathers to congratulate each of the members of our winning Under 19 R&R team.

Thank you to the organisers of our three major club fundraisers - the Golf Day, Rock2Ramp and the Door Knock. It takes a lot of work to prepare, conduct and review these events and the funds that they raise are essential for keeping the club financially sound.

Thank you very much to our Directors and Committee who work tirelessly year round to ensure we remain at the forefront of every aspect of lifesaving services. The time, energy and commitment you dedicate to the club are incredible and I have had so much satisfaction working with our management team.

Thank you to Diane Feudoloff, Office Manager, for the outstanding job she continues to do in keeping things ticking along. This year we went to online membership renewal and some people may think that this made Di's life easier. It was actually a very time consuming task for Di to go through the appropriate process to accept or follow up all 1,800 members forms so thank you Di.

Thank you to our valued sponsors for your support of our club events and the club in general. We hope that your association with our club continues to be a positive one for your company. Australia for Life is the new slogan for Surf Life Saving Australia and we hope our sponsors remain sponsors of Anglesea S.L.S.C. for Life

Thank you to our patrol captains and professional lifeguards for your commitment to upholding 'Vigilance and Service' at all times. We had some major rescues and incidents this season and for each one of these the club has received a letter of thanks and commendation on the outstanding treatment and care provided, so congratulations to all patrolling members.

Thank you to our club patrons Dr Jake Foster, Robert Harding, Garry Johnson, John Worrell, Andrew Ramsden, Geoff Inman and Frank Herd; your financial support is appreciated and you are all valued contributors to our club.

Thank you to the members of the Anglesea Foundation; the financial guidance that you provide is invaluable and thanks for your contribution back to the club this year which enabled us to purchase the new commercial dishwasher and refrigerator for the kitchen

Overall, financially the club has performed well this season and the audited financial report is contained later in this Annual Report. We have continued to pay down the loan on the off-site storage facility and I'm sure this will prove to be a valuable investment.

Congratulations to Graeme Weber and Warren Clarke on being elected as Life Members of the club. Both Warren and Graeme have made significant long term contributions and the achievement was well deserved.

Our next major project is the re-development of the lower clubhouse. We are working to ensure our lease is in place prior to commencing with the re-development. We have a building sub-committee who will be working hard over the coming years to ensure that we build a facility that best meets the long term needs of the club.

2012 is Anglesea Surf Life Saving Club's 60th year and we will be inviting current and past members to help celebrate this milestone on the 3rd, 4th and 5th February 2012. Please mark this weekend in your diary and help us spread the word so that members of the Anglesea S.L.S.C. community from far and wide can be in attendance on that weekend.

We have focussed on working as one club, with one brand following one pathway this season. I hope that we have lived up to this motto and trust that you have enjoyed your involvement with the Anglesea Surf Life Saving Club this

season and we look forward to your continued membership.

The past season as President of the Anglesea Surf Life Saving Club has been wonderful and I keep saying to Matt that although there were many challenges it was just the perfect season. I got to work with amazing directors who guided and supported me wholeheartedly, the members of our club are so dedicated and it was a pleasure to meet so many new members this season. We experienced so many highs in many facets of the club and thankfully we didn't experience any loss of life on the Anglesea Main Beach or surrounding beaches.

Matt, Chloe, Jemma and I are proud to announce that we're expecting a new addition to our family; ironically the baby is due on January 10th - Anglesea Carnival Day! Although I would have liked to undertake the role for a longer period and carry out fully the plans that we had laid the foundations for this year I have decided that my beautiful family has to take priority.

A final very special thanks to Matt, Chloe and Jemma for enabling me to share my time with the surf club; I have thoroughly enjoyed the challenge and immense honour of being President this season and deeply value their support. I wish the new President all the best for the coming season.

NAOMI SYMINGTON

President

Administration Report

The administration area has had another big year and I am very proud to be able to call ourselves 'Club of the Year' which is a great accolade to those who have been in leadership positions across our committee for the last few years, this is a legacy we can hopefully continue.

The Administration function has been well supported as always by Di Feudoioff with support from Judy Sutherland to ensure that the every increasing administration task of processing memberships is completed. Keeping our accounts in line and ensuring our cash flows and accounting activities meet the requirements of our Finance Director Shane Edmonds, have all been managed particularly well as always.

On the membership front 1849 members have been processed which is a little up on the previous years which is a huge administration task. This year for the first time we used the Surf Life Saving online membership process which I might add had a number of challenges in reconciling monies and particularly for those signing up for online family memberships where each individual has to be processed separately, hopefully this will be improved over the future years as it is tedious. We have also had the difficult task of Working With Children Certificates which is becoming a little more accepted now in our general membership however those who signed up 3 years ago the bad news is you will need to get a renewal of this certificate going forward so another challenge on the administration front but we will be up to the task!

Fundraising again was in good shape with the Golf Day, Rock 2 Ramp and Door Knock all exceeding or meeting their targets ensuring good cash flow to continue the momentum that our club Directors and other have led and ensuring that we have the equipment required to keep our beaches safe and our facilities in reasonable shape.

The cafe and bar this year was outsourced to Amanda and Chris Gross under the name of the Deck Café. We have had excellent feedback from many members and visitors where we saw almost a doubling of opening hours for both the bar and café during the summer season to ensure greater facilities available to all.

The club also received positive cash contributions from the Deck Café for both the bar and café, greater than previous years although much of this has been invested back into maintaining our

equipment which unfortunately has deteriorated over the years and still remains a challenge. We have also seen some excellent entertainment brought in by the Deck Café to support the summer evenings which together with meals provided this was an excellent ambiance for all.

The current intention is that we will appoint an operator for the bar and café facilities for a longer period to ensure an operator can invest in some of this equipment and provide a more continuous and effective service going forward which is a process we hope to conclude by late August ready for the forthcoming Summer.

The Green and White Rag has been a highlight this year we have had Abby Lewtas stepping up to provide a fantastic job and ensuring effective communications to all.

The administration continues to support competition rescue services and the development team throughout the year with a crushendo during the summer months which is often testing but good to see we have survived another summer in pretty good shape with most of our equipment being renewed as much as possible with our limited cash flows and capital.

I look forward to another summer and hopefully will be able to continue in the role of Director of Administration and be able to support our fantastic President Naomi Symington as we endeavour to continue the legacy of being Club of the Year!

I look forward to seeing you on the beach.

INGILBY DICKSON
Director Administration

Club Captains Report

The 2010/11 season at Anglesea SLSC has been inspiring, fulfilling and exciting. Starting the year on a high Anglesea SLSC took out the 2010 Club of the Year. Special thanks must go to Lachie Holbery-Morgan, Naomi and Chris Symington for all their preparation and hard work through the application process. The result, literally second to none!

Congratulations to Naomi on her first year as President. She approaches every task with a positive attitude, exceptional leadership, and willingness to learn and empower others. A special thank you must go to the Directors and Committee members for their commitment and hard work throughout the entire year.

Thanks to the hard work of Lachie Holbery-Morgan, Lauren Chan and their team of dedicated patrolling members. Although on some occasions patrols were stretched thinly we managed to complete the season.

The time, effort and support that go into our primary fundraising events are extraordinary. The Golf Day, Rock2Ramp swim and the Door Knock are fantastic events. Designed to raise much-needed funds for the club. These events continue to strengthen year after year because of the ongoing support of our members. They have also been molded into social occasions for members to come together as a club.

This year's Door Knock was a huge success raising over \$30,000. This does not happen without our generous members who offer their time to collect for us. Special thanks to all the behind the scenes helpers who assist with the letter drop prior to the collection. Thanks to Prue and Graeme Weber who collected from areas we were unable to finish on the evening.

Another great year in Nipper land with special thanks to Michael (BUD) Szulc and team for all his great work over the school holidays. Many great results were gained, over all on the competition side with Anglesea sitting about sixth over all. Thanks to all the parents for their time helping out over the season. Next season is looking promising with a couple of black cubs showing up to Bears on its first weekend.

The club championships were conducted in January, although the weather was not in our favor, the turnout was better than expected. Everyone wanted to come together to enjoy the fun and contest the events.

Along with Hayley Atkins and Tahni Luckhurst we were tasked with creating the inaugural "Girls Surf Weekend." An idea put forward by Peter Hurst from our sister club Mentone.

A weekend of fun, run by girls for girls. The weekend saw an opportunity to simply have fun at the club and attracted 20 young females from Anglesea and Mentone. Participating in a range of activities the girls thoroughly enjoyed themselves forming new friendships within our club.

A highlight of the season would have to be the Victorian State Championships at Lakes Entrance. A team dinner saw opportunity for competitors and families to come together from the Nipper and Senior competition team. As we learnt the 'family friendly' version of our club song everyone enjoyed a laugh. No doubt the highlight of the weekend was the Open Men's Taplin relay. Anglesea members from all sections lined the beach to support and cheer on our team. The boys led from start to finish but we were kept on edge with the race being a contest until the very end. A proud moment to not only to win the race but also to see our competitors come together in support of the final race. To top it off, we won the carnival.

It amazes me how members continually give to support our club. This attitude of never wanting to rest on what we have and always wanting to be better, attracts the like-minded people to our club to make it what it is. Moving forward we look forward to celebrating 60 years of this great club. The members are the ones who make this club so special. Everyone has a similar passion and in turn makes this club truly great.

Thank you all for a wonderful season.

ABBY LEWTAS & MATT SOLLY

Your co captains

Rescue Services Report

And so we reflect on another great season on patrol with the Anglesea SLSC. As always we have out done ourselves with the standard of our patrols, thanks to the dedication and commitment of our volunteer lifesavers who all do such a great job. It seems like not long ago we were looking forward to a warm relaxing summer by the beach and now it's time to rug up and get ready to do all again.

During the 10/11 season Anglesea Main Beach had approximately 85 500 visitors, our volunteer Lifesavers recorded 17 rescues, 28 minor first aid cases, 5 major first aid cases and 1490 preventative actions. These are interesting statistics, whilst our total attendance is down roughly 5 000 from last year, we have still maintained a large number of number of first aid cases, rescues and preventative actions. This suggests that even with a slight drop in beach visitors Anglesea Lifesavers have still been busy, well done and thanks to all of you.

Some notes worthy aspects of the season include the purchase of 4 new UHF radios, Due to a change in the way the frequencies are allocated across Victoria and Australia 5 of our Motorola portable radios were forced into early retirement. Thankfully Alcoa were able to assist us in purchasing the replacement models that are capable of many more channels and ensure that Anglesea SLSC is up to date in the state wide radio program. .

Special mention must be made to highlight the great work done by the Anglesea Lifesavers, both off and on patrol. This season has seen some very serious patients attended to by of duty Anglesea SLSC lifesavers. There were

thanks to the dedication and commitment of our volunteer lifesavers who all do such a great job.

separate instances that Anglesea Lifesavers rendered assistance to members of the public, This highlights the standard of both our training and our members. Moreover, demonstrates our ability to work in with the other emergency services to provide assistance not only during the summer months, but indeed all year round.

Another highlight for the club this season was the return of the Rescue Services run nipper

carnival for grade 5 and 6 students from eight primary schools in the area, this event was again a great success and saw over 300 students participate in Lifesaving activities and learn important surf awareness skills. Special thanks to all who volunteered their time to run the day.

This Season would not have been possible if it wasn't for the countless hours spent by so many, I would like to thank the following members of the rescue services team for their incredible time and effort: Lloyd Simpson – First Aid Officer, Nick Tait – Gear Steward, Lauren Chan – Patrol Coordinator, Jake Foster – Radio Officer, Jeremy Farrington – IRB Captain, and finally to all Patrol Captains –

Ben Mason

Darcy Holbery-Morgan

Paul Lunny

Ken-Gene Yap

Ben Marks

David Simpson

Toby Dickson

Tom Cullen

It is the skills, time and devotion of these people and their patrols that makes our club so great, and our beach so safe.

Due to increasing work and study commitments I will not be re-nominating for the position of Director. I have thoroughly enjoyed the last three years of being on the board of the Anglesea SLSC, It has been a fantastic experience and opportunity. As a club we are very lucky to have a group of people who are so dedicated and professional to represent us. I would particularly like to thank Lloyd Simpson for his on going support and expertise, and Jim Geary for his tireless efforts and Lauren Chan for running the show.

Anglesea SLSC has always been proud of the high standard we maintain in Lifesaving Services and I'm sure that this will continue into the future, as the future is in the capable hands of a strong Rescue Service team.

I look forward to seeing you all down the beach!

LACHLAN HOLBERY-MORGAN

Rescue Services Director

Junior Activities Report

THE SEASON THAT WAS NIPPERS 2010/2011

Another successful summer for Anglesea Nippers, great weather, great waves, great friends and great memories. This season we had just over 500 Nippers participating, and with the new 9am start time, Nippers still managed to get out of bed bright and early and be at the beach.

To our fabulous sponsors, age group leaders, water safety, parents and friends who all helped out. I say a big THANK YOU, as you have ensured that each session ran like a 'fine oiled machine' and mostly without any hiccups.

We could not run this outstanding program without our sponsors, we sincerely appreciated their contribution.

Our Nippers continued to excel in all areas, it was very pleasing to see the improvement from session to session, and the sheer joy in their faces. Some of our Nippers chose to compete in the surf carnivals culminating at the Victorian State Titles held in Lakes Entrance this year. Our Nipper section that competed in the State Titles finished 6th out of 30 clubs competing, an outstanding job!

2010/2011 NIPPER CLUB CHAMPIONSHIPS

Beach Relay	1st Place
-------------	-----------

A particular thank you must go to David Kay, Matt Solly, Peter Foster, Tim Mason, Chris Porter, Jake Foster, Dianne in the office who gave me great support throughout the season. All age group leaders/water safety, without you, the program doesn't run, so great job again. Two guys who stood up to run the BBQ, Andrew Varlamos and Mal Wilson, along with their apprentice Jeremy, cooked the perfect snag (well sometimes), thank you to them and all the parents who volunteered.

Anglesea Nippers is a very well regarded and respected program, it is our objective to see our Nippers not only have a great time, but we hope that they leave with life skills, whether it be new found confidence, new friends, new water skills, appreciation for our beach, or a new self belief. Our Nippers are the foundation of our future, the more we can give and assist them over the summer period, the richer their lives will be.

I hope we can all meet again next Summer.

I look forward to the early starts, the cold water, burnt snags, and good times at Anglesea Surf Club.

Competition Report

The 2010/2011 season has been an extremely successful season for the Anglesea SLSC Competition team. From a purely individual perspective the joy and immense pride I have received this season watching our young and not so young competitors celebrating the successes of teammates has been a highlight. I was told many years ago by a successful AFL coach that the difference between good teams and great teams is that the great teams get genuine enjoyment out of the successes of their teammates. This was most evident at the State Championships at Lakes Entrance this season.

This season the Anglesea Surf Life Saving Club has been able to confirm itself as the premiere surf club in Victoria by not only winning the Surf Club of the Year but also by winning the State Titles and being the leading points scorer of all Victorian clubs at this year's Australian titles in Kurrawa.

While we can all sit back and bask in the glow of our great successes we must also take time to reflect on the journey taken to arrive at the strong results achieved this season, the dedication and effort of our competitors over a long period and especially the tireless efforts of our team of dedicated coaches. I would like to take this opportunity to thank Chris Porter, Marc Lionnet, Peter Hurst, Peter Van Miltenburg, Warren Clarke, Sally Jones and the many others who have helped out over the past season.

On a personal note I would like to thank Tom Cullen and Naomi Symington for their continued support, both have been and are still willing to help me fumble my way through this role. I must

“Anglesea Surf Life Saving Club has been able to confirm itself as the premiere surf club in Victoria”

also acknowledge the tireless work of Kevin Rigg as Team Manager, without his help I would surely have floundered. This year, stepping into the Competition directorship has given me a far deeper understanding of the workings of the competition side of surf life saving and no doubt has shown me how hard some of the unsung heroes of our club work to achieve the great results we have this year. The ongoing success of our team is reliant on this continued effort and I encourage all our coaches, section captains, parents and competitors to again put their shoulders to the stone and drive for further success.

Well done and keep up the good work.

TOM CULLEN / GARY BRENNAN
Directors of Competition

Water Section Report

Over the past few seasons it has often been a challenge to document the season's events from a water sections perspective.

This season is truly an exception.

As a club we were able to dominate competition throughout the 6 Premiership Carnival season winning the outright point score in 5 carnivals, Anglesea, Point Leo, Jan Juc, Lorne and Point Leo. As a club we saved our best result until last by winning the Overall Point Score at the Victorian State Titles, which for the last 11 years had been dominated by Ocean Grove.

In part these results were due to the fantastic performances of the water section (Ski, Board, Swim)

Firstly I would like to express my heartfelt thanks to the coaches and parents of all the competitors, who I know put in an extraordinary amount of work to get the best out of their athletes and kids. To Marc Lionnet, Cameron McGill, Peter Hurst, Gary Simonson, Peter Foster and Shane Edmonds all of whom have spent their own time to coach, mentor and transport our athletes around over the past season, thank you from the entire club. If you are the same as me the best reward is the performances of the athletes that you coach and they have certainly done you proud this season. Thanks also must go to Gary Brennan and Tom Cullen for the thankless task of acting as the Director of Competition. Not

to finish there, I would also like to thank both Kevin Rigg for his commitment at Team Manager and Mick Rigg for being Anglesea's IRB driver at every carnival this season. Without Mick volunteering his services we would not be have been able to compete.

This season we had a total of over 70 athletes competing in the water section. There have been some absolute standout performances, frankly, too many for me to mention every single one. But I will mention a few:

The standout performance of the season in my mind was to watch a fantastic, committed, passionate and youthful (except for Eddo) group of athletes win the Open Men's Taplin Relay at the State Titles. For as many years as I can remember this has been the event to win at any carnival, it is a test of a clubs depth and strength and for Anglesea to have half of the team competing as U19 or U17's it shows that we are only going to get stronger. Not only did this team win the State Title but it also won at the majority of the carnivals for the season.

In the female area although we had 12 competitors throughout the season they were dominant. Marc and Cameron have done a great job over the last few years to bring a number of specialist kayak paddlers to our club and this season we began to see the rewards. Add to that, some of Mentone based girls and we

ended up with an amazing ski section. The U19's of Catherine McArthur, Marlena Ahrens, Bridget Tribe and Georgia Rowe won the majority of the open and Under 19 ski races and team events. Their swimming was even tested by have a few attempts at Iron Women and Swim Teams. The Under 17's of Emily Bray, Stephanie Campbell, Maddie Hurst and Georgie Baker had their ranks bolstered halfway through the season with Maddy McDonald joining from Jan Juc. These girls again had some brilliant performances all throughout the season with Maddy Hurst being the standout U17 paddler winning the majority of her races for the season, winning the State Title and being the standout paddler at the Aussies winning her Heat and Semi Final and unfortunately coming to grief in the final due to a competitors ski landing on top of her at the start of the race.

I would also like to congratulate both Cat McArthur and Maddy Hurst on their selection in the Australian Sprint Kayak teams to travel to Europe in the middle of this year. Cat has been selected in the U23 Sprint Team and Maddie in the Olympic Hopes team.

Finally I would like to pay tribute to two of our "more experienced competitors" Naantali Marshall and Julia Cullity. Both Naant and Jules made a comeback of sorts this season to compete at the Aussies Masters Titles. Although both have kept impressively fit and healthy over the past few years they both stepped it

up a notch to dominate at the Aussies in the 34-39 age group division. Naant competed in 5 races and came home with 5 Golds (Surf Race, Board Race, Board Rescue, Tube Race and Iron women) Jules came home with 2 Golds (Board Rescue, and Champion lifesaver) and a fourth in the board. This was an impressive effort and I was very proud to be able to witness the girls winning their races. Both Jules and Naant are fantastic roles models for our younger up and coming girls and I am looking forward to their continued input

The Male area throughout the season was dominated by the underage competitors. We have a large group of U15's, U17's a couple of U19's and very few senior competitors other than a contingent of evergreen masters. Our U17's not only were winning races in their own age group but in the U19's and Opens as well. With over 55 competitors it is impossible to mention everyone in this report but again the standout competitors were our U17's. Joel Simonson, Harrison Vulcan, Tim Edmonds, Hudson Keppell, Jarred Campbell, Matt Mullins, Michael Evans and James Short all stepped up from the U15's last season and allowed us to field 3-4 teams in most U17 events (winning most of them). The top age competitors, Harry Pearce, AJ Rigg, Dave Ceddia and Jamo Porter provided the experience to a point where the U17's across the season won a staggering majority of the entire U17 board and ski event in their age group.

Joel and Jamo stepped up to be members of the dominant Open Taplin Relay and were the competitors of the State Titles with Joel winning 8 Gold, 3 Silver and 2 Bronze Medals and Jamo winning 8 Gold, 5 Silver and 2 Bronze medals

Unfortunately our numbers in the U19 male area were low but with Campbell McDonald and James Campbell being supported by the U17 boys in team events, again we were able to capitalise and win a large number of events throughout the season. Campbell dominated the U19 Board races and was very unlucky not to make it back to back State open board titles as well

The Open men's ranks were boosted by the Penny brothers, Will and Tom and with Shane Edmonds, Peter Foster, Peter MacDonald, Reid Coutts, Arthur Alger, Nick Byrne, Ross Peasnell and Mark Scotland were competitive throughout the season. As mentioned Anglesea won the majority of the Taplin Relays and also a number of Open Board Relays but we still have some improving to do in this age group although with our very strong group of females we dominated throughout the entire season in the Mixed Double Ski.

Unfortunately we only sent a small number of competitors to the Aussies this year but there were some very pleasing results. In the Masters Peter Foster won Gold in the 50-54 Ski Race and then teamed with Ross Peasnell to win Gold in the 40-44 Double Ski Race. Tom Penney was Victoria's best performed single ski paddler just missing out on the semi final of the open ski. Will Penney qualified into the final of the open surf race to cap of an injury ridden season for him. Campbell McDonald, Harrison Vulcan and Jamo Porter made it through to the final of the U19 Board Relay but finished out of the places. Jarred

Campbell, AJ Rigg and Jamo Porter also made it to the final of the U17 relay after a dominant performance in qualifying but after the leading the race in the first leg were wiped out in very testing surf. The two standout performances where AJ Rigg and Jarred Campbell making it through to the final of the U19 Double Ski, how they managed to do this by being totally out of time throughout all their races is truly amazing, and Jamo Porter dominating all his ski races in the U17 ski only to be leading in the final and to be wiped out and losing his ski on the way home.

Some very valuable lessons were learnt by those who attended the Aussies this year, mainly that we cannot rest on our great results in Victoria, we need to train harder, compete in the conditions we race in at Aussies, and compete against our toughest rivals from interstate more often.

Special mention should go also needs to go the Peter MacDonald (Charger Skis) for his unwavering support of our club and ski section in particular. Macca has gone out of his way to provide our competitors with the best skis that he can build and I personally am eternally grateful. I would also like to thank John Turner for has support, most of you are probably unaware that every year John makes a donation to support a young member of the board and ski section to purchase a new board or ski. This year Lachie Solly was assisted with the purchase of a new Dolphin racing board, thanks John!

We have an amazing group of competitors, but they can be much better. We have seen the start of a revival this season let's keep it going!

CHRIS PORTER / PETER HURST / MARCLIONNET

Water Section Managers

R & R Team Report

This season we had 2 teams in competition - the open mixed and U19's. Essentially the same competitors from the previous year came back, however the open mixed team recruited a new belt swimmer - Tom Cotter. This meant that Callum Brennan moved across to the first line position and added some much need 'muscle' to the pay-out & haul-in sections of the event. Warren Clarke took over the duties of the reelman after a long absence from competition; however, it was clear he had not forgotten much over the years! Will Penney joined us at States as the tube swimmer in the open 6 person event.

Our two teams attended all carnivals with various competitors from each team filling in for their teammates when they were unable to attend. This gave our teams some much needed competition experience which was bolstered when they travelled to NSW to compete in the Manly & Freshwater carnivals in late January. During this time both teams benefitted from some interstate coaching and they also had an opportunity to size up the competition for Aussies.

Our teams had a very successful State Titles. The U19's won the title and the Open Mixed came second. We pulled together an Open Men's team which also came second and an Open 6 Mixed team which came third.

At the Australian Titles, the U19's and Open Mixed teams competed. The conditions were tough for all concerned. The open mixed did not make the final and the U19 heat was complicated by the cans breaking free from their anchors. This resulted in the cans washing over the beltmen and patients, thus entangling most of the teams lines. The end result was that almost all the beltmen pulled the pin and the event was terminated. The U19 team then competed in the final. They drilled very well, won the belt swim and with no swim points against them went onto win the event with a score of 4 even. This is the first time since 1966 that an Anglesea team has won an Australian Title in R & R and was a fantastic effort by the competitors and coaches whose hard work and efforts of the last several months have been rewarded.

Thank you to one of our club Patrons, Mr John Worrell who again donated funds that were

used to support our teams competing at the National Titles.

We are keen to recruit as many competitors as possible, specifically U15 and U17's. Please contact Angela Brennan for more information.

Finally thanks to the Directors and Committee for the ongoing support and encouragement given to the R&R section.

TEAMS:

Open Mixed:

Callum Brennan, Warren Clarke, Tom Cotter, Mykaela Gage, Tahni Luckhurst

Under 19:

Damon Brennan, Paige Brown, Georgia Canning, Shea Curwell, Eloise Gage

Open Mens: (competed at states)

Damon Brennan, Callum Brennan, Tom Cotter, Shea Curwell, Warren Clarke

Open 6 Person: (competed at states)

Callum Brennan, Tom Cotter, Warren Clarke, Mykaela Gage, Tahni Luckhurst, Will Penney

COACHES: Warren Clarke, Sally Jones.

ANGELA BRENNAN

R&R Manager

IRB Report

Due to the Australian Titles being held in early April last year and late July this year, there are no results to be reported in this year's annual report.

This season has been one of change for the Anglesea IRB team, whereby the team has been made up of relative newcomers. In previous years Anglesea would be sitting high up in the overall standings of local carnivals, this year has proved to be about development of crews which will hopefully produce results in years to come. All our teams are achieving fantastic results however the consistency is lacking.

Hopefully the experience gained and all the hard work will pay off when we travel to Glenelg SA for the IRB Australian Championships! It is certainly a positive to see such a young group work together, something which is exciting for the IRB team's future.

Part of the team's development is encouraging members to gain their coaching award. It is therefore rewarding for Anglesea that Brooke Gee, Morgan Day and Jasmin Ellis have all obtained their Level 1 Coaching Accreditation. With all three having won National IRB medals they certainly have the capability to pass on their skills to the newcomers.

We would also like to thank the following people who are a valuable part of our team:

Mary Kennedy-Jones, Paul Day, Mike Martin, Carol Martin, Ben Ozwinsky, Bill Johnson - thanks for your hard work on the beach, officiating at carnivals no matter what the weather is doing!

Thanks to Wayne Cartwright, Brooke Gee & Nick Creevey for their continued organisation, support and guidance as Team Managers. It's great that we have three highly successful competitors who continue to help Anglesea IRB team develop.

Thank you to our coaches Julia Cullity, Jeremy Farrington and Justin Burton for running sessions throughout the year at Anglesea and Port Melbourne. Countless hours have been put in (including filling out logbooks) but the reward is seeing our crews making finals (that they never thought was possible).

A big thanks to Nick Tait and Nathan Latta who have fixed, towed and moved gear, it has been much appreciated.

Finally we would like to wish all our competitors the greatest success for this year's Aussies in Glenelg!

JEREMY FARRINGTON & JULIA CULLITY

Anglesea IRB Co-Captains

Boat Captains Report

The boat section experienced a year of mixed fortunes with five crews commencing the season. Neil 'Hector' Heathcote swept the Men's Reserve and Open Ladies crews while Doug Solly competed with crews in the Ladies Masters and Men's

Reserve sections. Unfortunately, several crew members either withdrew or were unable to compete due to overseas travel, work and other sporting commitments.

These were very competitive crews with several finals appearances during the early part of the season but absences prevented these crews from achieving the full potential that we know they are capable of.

Our most successful crew was again the 240+ Men's Masters crew which followed up its 2010 Victorian title with a repeat performance this year. This crew comprising Ray Wendt (ex Woolamai), Richard Holding, Ian McGain, Ian Smith and swept by Paul Hearne, performed exceptionally well during the season and was most unlucky to miss a place at the Australian Masters at Kurrawa, although they did attract the crowd pleaser award' for 'wipe-out' of the competition with an impressive 'candlestick!

The section plans to embark on a renewal program in 2011 to rebuild the section and introduce younger sweeps and rowers to the Club to support our existing crews and improve our competitiveness during the forthcoming

season. We will also be seeking sponsors for the section with opportunities for advertising and company logos available as part of the livery for each boat and we invite all Club members to encourage prospective corporate parties who might be interested to participate in boat sponsorship.

Crews have already commenced training and over Easter, experienced some of the best surf seen at Anglesea in a couple of decades. The section commenced a program of combined crews training last season to coincide with 'Polar Bears' on the first Sunday of each month during 2010 and while this was only partially successful, it is our intention to build on this in 2011 not only to improve our fitness and surf skills but also to develop stronger social relationships with other crew members, and Club members more generally.

Congratulations to all crew members who competed over the past season and we look forward to better performances in the forthcoming season. I feel confident that with commitment from all sweeps and crew we will again become a major force in surfboat rowing in this State.

BARRY WHITE

Boat Section Manager

Beach Team Report

For the Anglesea beach team season 2010/11 was another year packed full of hard work, strong racing and a lot of fun. After the strong performances at the 2010 Aussies everyone was really keen to take the team to the next level and with some handy recruiting masterminded by Peter Van Miltenburg and Kate Walker we were able to see some very classy juniors, the likes of Matt Clarke (3rd in the Australian u17 2km) and Annie Rodway (4th in the Australian under 15 beach sprint) join the Anglesea line up.

Undoubtedly the Anglesea beach team had one of its best seasons to date, dominating the summer series over arch rivals Portsea and once again showing that Anglesea was the club to beat on the beach. This year all eyes were clearly on our girls, with the return of Claire Lewtas, the good recruiting of Molly Blanchonette, the fighting come back from injured star Abby Lewtas, and the continuing dominance of the gutsiest runner on the sand Hayley Atkins. It was clear from early on that this season was going to be the year that our Open Girls could go all the way and boy did they deliver. Strong runs at Anglesea carnival, Manly-Freshwater and a missed opportunity with a dropped baton at the

State Championships gave these girls some fire in the belly. Their eventual 3rd placed running at the Australian Titles was a well deserved reward for all the hard work the girls had put in. What was most pleasing from a captain's point of view this year was that for the first time in a long time it wasn't just the open girls flying the flag for Anglesea on the sand. This year saw some super star efforts from the future of our Anglesea girls, names such as Walker, Larkin, Cormack, Moss, Cooke, Yu and Rodway. We look forward to seeing what these girls can produce in years to come.

For the boys it was another year of consolidation. For the Open Men (Knight, Woolnough, Faulkner, Beltreme & Hartshorne) a tough fought out 6th place in the relay at the Australian title was another step in the right direction, however it highlighted to some what could be achieved if both mind and body were committed to the task. In our junior ranks we saw some outstanding results, with our 2km team proving unstoppable. In the under 15 men's four finished inside the top 10 (Ewart Murphy, Heatley, Hurst & Lam) which showed the force of these young guys. In the under 17 mens, Matt 'Clarkey' Clarke, took out the

bronze and in the under 19s David Walker was a strong placed 5th. Two of our best results came from our up and coming flaggers Chris Watts and Matt Dyson who both made the under 19 final. Matt was the better performer on the day finishing in 4th, but more importantly he was out to prove that he still had what it took to mix it with the best. Undoubtedly the most outstanding achievement of the week came from our Masters Men, Peter Van Miltenburg, Matthew Symington, Steven Davies & Ryan Hartshorne, who took out gold in the Masters Relay. For these men the disappointment of last year's disqualification, combined with the mountains of silver medals in the open men's relays over the years came together to provided a little bit of sweet justice for the years of effort these gents have put in... Well done guys!!

Finally I wanted to highlight the efforts of one particular athlete who I feel undeniably defied all the odds this year and that was Abby Lewtas. For someone who a mere 18 months ago ruptured her achillies tendon and has fought her way back to achieve the performance she is a credit to her character and her love of this sport. Her inspirational win of the Open Women's Flags at the State Championship, making both sprint & flags final at the Aussies and of course the bronze medal in the Open Women's Relay, to me really highlights this athlete's determination and willingness to put it all on the line in search of being the best she can be. Well done Abby!!! Moving forward is an exciting time for the Anglesea beach team, with lots of juniors coming through, the likes of Marcus Jones and Charlotte Kay I am sure we shall see some fantastic results next year. I would like to thanks head coach Peter Van Miltenburg and his ever inspirational assistant John 'Balls' Baldock for all their hard work this year, they are two of the most passionate coaches on the beach and we thank them greatly for it.

LLOYD KNIGHT

Anglesea Beach Team Captain

Marketing Report

This last year has seen a lot of activity around the club that has enhanced our relationship with our sponsors and supporters. Winning the 2010 DHL Australian Surf Club of the Year has provided us with the opportunity to demonstrate to sponsors and potential sponsors that we are serious about not just lifesaving activities but also our community engagement.

This year has also seen the continued support of our major sponsors including Alcoa, Linfox, BananaBoat, Burson Autoparts, India Equities, Bendigo Bank Anglesea, Allans Music and new major sponsor VB (Fosters Brewing).

The Rock 2 Ramp sponsor base continues to provide a great base to this fundraising event but importantly we continue to be well supported by long term sponsors such as Burson Autoparts, Harding's Hardware, Squeekies and Hamlan Homes and with Wyn Training again providing major prizes for the Open Category.

The major Rock 2 Ramp sponsors combined with the many prize sponsors continue to make our annual swim one of the most lucrative on the Victorian Ocean Swim circuit.

This year has also seen the continued support of our local media including the Geelong Advertiser, Surf Coast Echo and in particular the Surf Coast Times, who provide coverage for our events but also recognition for the efforts and achievements of members.

Earlier this year we also announced that Linfox has again committed to another year's sponsorship with the key focus around Rescue Services and Junior Development and their ongoing support is very much appreciated.

Funding from our sponsors and also numerous grants from public and private institutions has again enabled us to purchase important rescue equipment and support with the refurbishment of the bunkrooms.

Once again, I look forward to the outcomes of our grant 'pipeline' that we currently have in place and members will be informed as outcomes become known.

In closing, I would like to thank on behalf of the committee and members of the Anglesea SLSC, all of our sponsors and supporters and also the grant benefactors for their ongoing support and generosity in supporting our club..

I would also like to encourage all members and their families to consider our sponsors when purchasing any goods or services. We have many companies who support our club and when making purchase decisions we should consider goods purchased from our sponsors and supporters particularly those who may be involved in running a business on a day to day basis..

JIM GEARY

Director Of Marketing

Rock2Ramp

The 2010 Rock2Ramp attracted about 780 swimmers who participated in what turned out to be a swim/run due to the amount of sand on Roadknight beach. Irrespective it was another highly successful event run in a very professional manner, contributing around \$35,000 to the Club.

The Club has settled on the 28th of December as Rock2Ramp day for the next few years and this certainty has had a positive impact on the number of entries.

This year saw some minor modifications to the event as a result of feedback from the survey run during 2010 and again after the event more than one participant commented that the Anglesea Rock2Ramp is the best event on the calendar! And so it should be as again this year our prizes had a retail value in excess of \$15,000, most of which were scrounged by Jim Geary – great job Jim.

The support provided by all sections of the Club was good but, as always, we need more patrolling members to increase the level of

water safety and allow us to rotate people out of the water. A special thanks to those who spent a few hours sitting on boards and ski's providing support and encouragement to the swimmers – a point that was gratefully mentioned by a number of participants.

Special mentions must go to Paul Lunny for managing safety across the event, Lloyd Simpson for coordinating first aid, Dave Kennedy for managing registrations, Jim Geary and Ingilby Dickson for marketing and PR, Adrian McNaughton for getting the gear there and back again, Helen Lee-Williams and her team for feeding everyone, and Jimpy for yet again providing security to swimmers belongings.

Again we had a lot of good feedback to the effect that we were a friendly swim and that we look after our swimmers as much as possible.

A great team effort – thanks to everyone involved and special thanks to our long time naming rights sponsor, Burson Auto Parts.

PETER WILLIAMS

Race Director

Door Knock

Another great year of fundraising, a big thanks to all that helped on the night with over \$29,000 dollars taken in four hours on the night. In total over \$32,000 was donated. There is a lot of planning and a lot of letters to drop out before the night all by volunteers, so thank

you very much for all your help. This year's plan is already started, so if you would like to help please call me (0404676036) and we can give you a job.

MATTHEW SOLLY

Door Knock Coordinator

Development Services Report

This year started with high expectations and challenges, could we:

- develop 'Big Bronze Camp III' into a self sustaining model where the new wave of instructors assumed control of the camp?
- learn from 'Bronze Plus Camp I' and see it fulfil its potential?
- get 40 new Training Officers qualified?
- develop an effective IRB training model?
- run courses over summer?
- have a summer holiday?

Remarkably for all those involved we managed to get it all done (even the "holiday" bit?).

Bronze Camp

This year was the second year at Camp Wilkin using the redesigned format and the third of the big format camps. The universal comment was that it was a much easier camp this year. The Instructors knew what was expected of them, how the camp was structured and what was needed to ensure a successful outcome. Watching the evening revision classes where junior instructors spontaneously joined clusters of students answering their questions and offering advice was a very rewarding experience.

It was a most successful camp, with more than 100 students gaining their Bronze Medallion.

Both Camp Wilkin and the club house were left in great shape after the camp.

Bronze Plus Camp

Bronze Plus was run for the second year and the changes suggested by last year's attendees worked wonderfully. Numbers nearly doubled on last year. We focused the camp more on the club house and less on Camp Wilkin and the camp leaders had a range of organised activities along with providing water safety and attending at the Training Officers Course and cleaning the club.

Well done to the record number of attendees and to the leaders, particularly Ben Mason and Tim Dodds.

How do we deal with the exploding demand for this camp?

Training Officers Course

We conducted a Training Officers Course as part of Bronze Plus. Despite the last minute withdrawal of the instructor we managed to work our way through it with great help from

Zeb Phoenix and James Burnett and also Anna and Jenelle from LSV. In 2009/10, 70 people completed that course in Victoria including a record 20 from Anglesea. While in 2010/11 season 60 people from Anglesea and 10 from Fairhaven were put through our course.

This is a remarkable development and if we are able to enshrine that as part of our summer calendar, we will be able to overcome the historic shortage of instructors that has restricted the club's development.

We also successfully conducted an Assessors course with 10 attendees in February 2011 (another record).

IRB Training

There has been a chronic shortage of IRB instructors for many years with the burden falling on too few and leading to a shortage of Crew and Drivers.

During Bronze Week, we were able to get four new IRB instructors and two new IRB Assessors qualified, more than in the last 10 years!

Nick Tait was one of those instructors and Nick then did fantastic service over summer, running many courses resulting in 10 people completing Drivers and 40 completing Crew awards.

Summer Courses

We conducted an ambitious range of courses over summer again this year, Surf Rescue Certificate for 60, Bronze Squad for 20, Senior First Aid for 30, Spinal, Basic Beach Management, Advanced Resuscitation and some 300 or so Proficiency exams.

Thanks to James Burnett, Caitlin Paton, Toby Dickson, Tap Ky-Duong, Mike Martin, Zeb Phoenix, Andrew Rechtman (Doc), Ingilby Dickson, Bruce Anderson and all the others who participated with such grace, commitment, enthusiasm and intelligence during the program.

Club members should be extremely proud of the fine young men and women who are helping in these courses. I know that the "old guys" who keep a light hand on the tiller can think of no better role models for our Nippers and young members coming through.

TIM MASON

Director of Development

Facilities Report

Over the last twelve months there has been plenty of activity relating to the clubs facilities.

As in previous years, some works are still ongoing however much has been achieved over the past season.

Late last year a two day working bee was organised and was extremely well attended by dedicated members. A great amount was achieved, the highlights being:

- The completion of paths and edging below the Ray Marsh Room
- Cleaning out and tidying up of some of the storage sheds, including the Nippers cleaning out the Nipper shed
- Cleaning of windows in the lower clubhouse
- Cleaning up (clearing out) of the kitchen in the lower clubhouse
- Painting of the lower clubhouse (thanks especially to the Beach Team)
- Installation of numerous photos in the lower clubhouse and Ray Marsh Room thanks to the art savvy eye of Peter Van Miltenburg and the support of Prue Weber
- Lots of tidying up with several trips to the tip

A huge thank you to all the people who helped

out - we could not have done it without you and the club looked great for summer!

Another great achievement was the installation of air-conditioning and heating in the ladies bunkrooms. I know the girls have found this very useful on many occasions.

Recently we were very lucky to be the recipients of a very good quality awning which we have installed on the deck of the Ray Marsh Room. Thank you to the generous Nipper family for their donation of the awning, we're sure it will be useful over summer.

The plans for the lower clubhouse re-development continue. We have established a sub-committee and planning is well underway. There are many logistics being discussed and worked out in relation to this substantial undertaking by the club and thanks must go to committee members. Interested parties should contact Graeme Weber, chairperson of the building sub-committee, for more information.

I must also thank Naomi Symington, the Directors and all club members for a great year and many more to come.

KEVIN RIGG

Director of Facilities

Notes to the Financial Statements

For the year ended 30 April 2011

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board and the Associations Incorporation Act 1981.

The financial report covers ANGLESEA SURF LIFESAVING CLUB INC. as an individual entity. ANGLESEA SURF LIFESAVING CLUB INC. is an association incorporated in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money, values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

The income of the Incorporation is exempt from income tax in accordance with the provision of Section 23(g) of the Income Tax Assessment Act, as the Incorporation falls within the definition of a society, association or club established for the encouragement of a game or sport.

Non-member income of the association is only assessable for tax, as member income is excluded under the principle of mutuality.

Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is a policy of ANGLESEA SURF LIFESAVING CLUB INC. to have an independent valuation every three years, with annual appraisals being made by the directors.

The revaluation of freehold land and buildings has not taken account of the potential capital gains tax on assets acquired after the introduction of capital gains tax.

b) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

c) Depreciation

The accompanying notes form part of these financial statements.

ANGLESEA SURF LIFESAVING CLUB INC.

ABN 14 544 659 974

Notes to the Financial Statements

For the year ended 30 April 2011

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to ANGLESEA SURF LIFESAVING CLUB INC. commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Asset	Depreciation Rate %
Buildings	[2.00 %]
Equipment, Boats, Boards & Ski's	[33.00 %]
Furniture, Fittings & Equipment	[20.00 %]

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expense. Receivables and payables in the statement of financial position are presented inclusive of GST

Statement by Members of the Committee

For the year ended 30 April 2011

In the opinion of the Committee, the Statement of Financial Position, Statement of Financial Performance, Statement of Cash Flows and Notes to the Financial Statements:

1. Presents fairly the financial position of ANGLESEA SURF LIFESAVING CLUB INC. as at 30 April 2010 and its performance for the year ended on that date in accordance with Australian Accounting Standards, mandatory professional reporting requirements and other authoritative pronouncements of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Naomi Symington (President)

Dated 30th June, 2011

Shane Edmonds (Director of Finance)

Dated 30th June, 2011

Independent Auditor's Report to the Members

Report on the Financial Report

We have audited the accompanying financial report of ANGLESEA SURF LIFESAVING CLUB INC. (the association), which comprises the Statement by Members of the Committee, the Statement of Comprehensive Income, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April 2011.

Committee's Responsibility for the Financial Report

The Committee of the association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Associations Incorporation Act 1981, and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, management also states in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial report complies with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation, and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion:

- (i) The financial report gives a true and fair view of the financial position of ANGLESEA SURF LIFESAVING CLUB INC. as at 30 April 2011, and of its performance and cash flows for the year ended 30 April 2011 in accordance with the Australian Accounting Standards; and
- (ii) the financial report also complies with International Financial Reporting Standards as disclosed in Note 1.

The accompanying notes form part of these financial statements.
