

Anglesea Surf Lifesaving Club

61ST Annual Report & Financial Statement 2011/2012

.....

Congratulation to Janet Jones, Bernie Murray and Geoff Waters

Bernie and Geoff who were both inducted as Life Members of Life Saving Victoria at the 2012 LSV Awards of Excellence. We also congratulate Janet Jones who was awarded an LSV Outstanding Achievement Award for her key role in developing and implementing the Starfish Nippers program for kids with special needs.

President's Report

Anglesea SLSC's 60th Anniversary season was another highly successful one as a result of the sustained effort across all sections of the Club.

Our core business is lifesaving and this season we undertook over 5600 hours of patrol, performed several major rescues and over 1100 preventative actions. Under the direction of Lauren Chan, ably supported by Patrol Coordinator David Simpson, the Patrol Captains and Vice-Captains and Gear Steward Nick Tait, we delivered on our obligations in an effective and efficient manner. A pleasing feature this season was the number of new members on patrol late in the season. As always however we will be reviewing aspects of our performance with a view to ensuring an even better delivery of our services next season.

Closely allied to our patrolling capability is the work done in the Training and Development Services area under Tim Mason and the Chief Instructors. Based on a training needs assessment and a comprehensive, structured training plan for developing qualified members, this year the Club put through in excess of 300 awards and ran another highly successful Bronze Camp that is lifting the quality and expertise of our patrolling members.

Michael Sculz and his Nipper team again delivered a great program to our 500+ Nippers with a lot of very positive feedback. Special mention needs to be made of Janet Jones and her development of the Starfish Nipper Program for kids with special needs. What a great innovation and there has been interest shown from as far afield as the UK. Congratulations also to those Nippers who represented Anglesea at the State Titles at Lorne under really adverse conditions and to the parents who supported them.

Managing such a large Nipper program brings special challenges in respect to resources and risk management and satisfying LSV requirements is not getting any simpler. To this end we are currently reviewing the structure of this area in time for next season.

In the competition arena Anglesea again hosted a very successful carnival in early January and then backed-up to stage the Victorian Titles in March. Anglesea came a close 2nd in the Vic's but then stamped its authority at the National level with 2 Gold, 9 Silver and 7 Bronze medals across the Masters and Senior competitions, being the top Victorian club in both areas. Gary Brennan and Kevin Rigg need to be congratulated on their management of this area especially under the very difficult conditions that arose at Kurrawa this year. I would also like to make special mention of Tom Cullen who came on board as our Vic Titles Event Manager and delivered a terrific event.

This year saw us celebrate our 60th Anniversary and it was wonderful to be able to welcome back so many of our past members to help us celebrate the occasion in early February. One of the highlights was the inaugural Competition Hall of Fame and the announcement of John Worrell as a Legend of the Club.

To run a successful Club is a team effort and I would like to acknowledge and thank:

- All of our Directors and our Committee who work hard year round to ensure we remain at the forefront of every aspect of lifesaving. In particular I must acknowledge the tireless effort of Co-Club Captain Matt Solly. Matt epitomises the true 'clubbie' in his single minded endeavours to ensure Anglesea is at the forefront of lifesaving in all its aspects and that it is seen as an integral part of the local community. He is a wonderful role model for our younger members.
- Our sponsors for your support of our club events and the club in general. We hope that your association with our club continues to be a positive one for your company.
- The organising teams of our three major club fundraisers – the Golf Day, Rock2Ramp and the Door Knock. It takes a lot of work to prepare, conduct and review these events and the funds that they raise are essential for keeping the club financially sound.
- Our club patrons Dr Jake Foster, Robert Harding, Garry Johnson, John Worrell, Andrew Ramsden, Geoff Inman and Frank Herd for your ongoing support and valued contributions to our club.
- The Anglesea SLSC Foundation who continue to work quietly in the background and provide significant financial support.
- Our Office Manager, Diane Feudoloff, for the outstanding job she continues to do in keeping things ticking along.

Overall, financially the club has performed well this season and the audited financial report is contained later in this Annual Report.

As foreshadowed last year we are considering the re-development of the lower clubhouse to make it fit-for-purpose for the next 50 years. This will not be a quick fix as there are considerable issues to be overcome in respect to planning and financing. The building sub-committee is working hard on the planning and a finance committee is developing a funding strategy to ensure that we build a facility that best meets the long term needs of the club.

From time to time I hear members comment that the Club is changing, that we risk becoming a social club, not a lifesaving club and that perhaps we should return to an earlier operating model. Let me be very clear. Change is inevitable and Anglesea SLSC will always look forward while acknowledging, building upon and drawing from the successes of the past. Everything we do, every decision taken, is with a view as to how that supports our core business which is providing a lifesaving service at Anglesea and its environs.

In conclusion I would like to thank the wives, husbands, partners and families of our members for your support which is vital to the effective operation of any volunteer organisation.

Peter Williams

President

60 Years of Surf Life Saving

Several hundred people helped Anglesea Surf Life Saving Club celebrate its 60th anniversary over the weekend of 3rd, 4th & 5th February 2012.

On Friday night over 130 past and present members, many who had travelled from interstate and one who had travelled from as far away as the USA, gathered to catch up and share their memories. The highlight of the evening was the presentation of SLSA 60 Year Service Awards to Wally Hanlon and John Worrell, both Life Members of the Club. Wally had travelled from Queensland to be at the weekend and was accompanied by a number of his children and grandchildren. A number of 50 and 25 Year SLSA Service Awards were also made and Club stalwart John 'Jimpy' Shears was presented with his own engraved bar stool.

A history display, covering 60 years of service to the Anglesea community, was on show over the weekend and was a source of many memories, one or two debates over the size of waves, or who was responsible for the surfboat being upside down!

On Saturday the Club held a traditional midday swim with over 70 taking part. It was noted some of the older groups, in particular the Over 70's and Over 80's, had lost a little of the speed they once showed. The swim was followed by a BBQ on the surf club deck.

On Saturday night, over 230 people attended the Inaugural Anglesea SLSC Competition Hall of Fame Awards, to honour those who had made a significant contribution to Anglesea's success in the competition arena. The five inaugural inductees were the 1962-1964 Senior Rescue and Resuscitation Team of David Kennedy, Robert Kennedy, John Allen, Ian Smith, Bill Knott, Tony White, and coached by John Worrell, Stuart Fox (now CEO Hawthorn Football Club), Robert King, Shane Edmonds and Abby Lewtas. In addition, John Worrell was inducted as a Competition Legend - the highest honour which can be bestowed upon an inductee of the Anglesea SLSC Competition Hall of Fame, in recognition of his outstanding and lasting contribution at the highest level, to the culture, heritage and development of the club.

The weekend ended with a quiet Sunday and promises to meet old friends again in another 10 years.

As a further part of its 60th Anniversary, Anglesea, for the first time in 25 years, hosted the Victorian Surf Lifesaving Championships on the 10th and 11th March. Over 1000 competitors took part in an action packed weekend.

Administration Report

The Administration year has been positive – with the club going well and with a number of good outcomes, trying to keep up with our Club of the Year Award from the previous year, with a consistent Leadership model now under Peter Williams.

The Café and Bar outsourcing to Amanda and Chris Gross and their Deck Café was finally confirmed pre Summer for a three year arrangement, with a review which will take place shortly. Feedback to date has been very positive, with the improved furniture, facilities and certainly hours availability to club members has been received well. Chris and Amanda have ensured, during the winter periods the Café is open Friday nights and over the weekends to hopefully provide focus around the club's usage and for members to use the facilities and the café as a nucleus for discussion and activities.

On the membership front, we have processed 1940 members – up a little on the previous years, which is a huge administration task as it usually comes in from September through to January. I would remind and ask members to try to utilise the online facilities, as it does alleviate some of the administration. Family memberships are still a little difficult with the online process, but please prevail as it does help our processing. Speaking of administration, I would like to thank Di Feudoloff, with support from Judy Sutherland, for managing all our administration, paperwork and lots of other activities which go outside the task of administration from time to time. The administration then goes through to our Finance Director – Shane Edmonds, where we see the accounts at the end of each year – again, good to see Shane's report showing a positive contribution.

Fundraising was again positive this year with the Golf Day, Rock 2 Ramp and Door Knocks all doing well – at or above our targets, to ensure good cash flow momentum for the club and to ensure our beaches are kept safe and our facilities in good shape.

The shop this year came into the Administration area of the club, and pleased to see the work done by Tina Kay who picked up the reins from Tracey Price and has continued to provide a great service to our club in merchandising and ensuring we cover our costs and provide a small profit. Tina is keen to ensure we use her retail and buying skills to ensure our merchandise is bought well, across Rock 2 Ramp, Bronze Camp and competition, where we spend quite a considerable amount on merchandising.

The Green and White Rag has unfortunately been a struggle with our President, Peter Williams, who picked up the work from Aby Lewtas who did a great job, prior to going overseas. We are still looking for someone to pick this up and meet our communication targets of distributing it four or five times a year.

We are now preparing for the summer period and looking forward to another positive contribution from the administration to assist in the success of the club and ensuring we continue to keep our beach safe

Ingilby Dickson

Director of Administration

Club Captains Report

On behalf of the Directors, Hayley and myself, we would like to say thank you to Peter Williams for all his work over the past year. With change in the air, this may be the last Club Captain report for 60 years. It has been an honour to do this job over the past three years, opening my mind to how our club runs and how we operate as life savers to ensure the safety of the many more people who are visiting our coastline over the summer.

Unfortunately we have had a lot of rescues in our area of the coastline this season, with people unaware of the dangers of surf. Hopefully the education of the younger generation, via gaining skills and knowledge from us as life savers, will continue to help the club patrol our beaches.

Our future consists of willing people that help in many ways, from water safety at nippers, bronze groups, patrols and general fundraising. I would like to thank all of you, for putting time aside to help in some way or another. Without you being a part of our club a lot of work is put back on the committee to make things happen and keep our beaches a safe place to come to.

So see you around the club, with a smile and some sun screen on, chasing the dream of a life saving lifestyle.

Thank you all for a wonderful season.

Hayley Atkins & Matt Solly

Your Co-Captains

Seasons Wrap Up

Thank you to all members for helping make this year at The Deck Café outstanding. Thank you also to our hard working staff who willingly give up summer days to work with us, we look forward to seeing many of you next Summer.

We are breaking all the rules, in a good way! For the first time in history we are open Friday, Saturday and Sunday and have been well supported by ASLSC members, locals and tourists. With a view as fantastic as we've got it's just great to see people enjoying it all year round. There is constant wedding and function enquiries by both members and general public,

acknowledging the amazing potential of the Ray Marsh Room and the generation of revenue for the ASLSC.

We are proud to report that our relationship with the committee of ASLSC is strong and open. We welcome feedback and are constantly working on making things even better.

We thank you again for your support and look forward to seeing you over the Winter months.

Amanda and Chris Gross (and Harper!)

Rescue Services Report

Another summer - another lifesaving season gone. This season was a new and reinvigorated one. With some familiar faces stepping down from club roles and/or patrolling, this left me stepping up into a new role as Director and David Simpson stepping up into Patrol Co-ordinator for the first time. This season saw over 100 new patrolling members take to the beach in their new red and yellow uniform at a time where Anglesea's beach is growing in popularity despite our fluctuating summer.

KEY STATISTICS

Despite the cooler days on the beach, and Anglesea's rising tide (at times up to the fence!), Anglesea's volunteer life savers performed their outstanding duties to the public in all sorts of weather. Our patrollers have kept busy administering first aid and with an increase in preventative actions from the previous season, Anglesea has had a decrease in rescues. Well done team!

2011/2012 Anglesea Volunteer Lifesaving Patrol Statistics

290 hours of Anglesea beach patrolled

53,829 beach visitations

3,817 preventative actions

60 minor first aid

10 major first aid

12 rescues (9 rescues from call outs)

0 drownings

KEY HIGHLIGHTS

This season we saw a number of highlights and new equipment. One noticeable one was the change of the blue surfer and boating flag to a black and white quartered flag. This is to be consistent with the rest of the country and signs overseas. Furthermore, just in time for those hot scorching days or cold, windy and raining days,

saw the arrival of two brand new red and yellow patrol tents. These are both more practical and operationally easier to use as they can together accommodate larger patrol numbers or be used individually to accommodate the smaller core members of patrol in those quieter times.

To assist the volunteer members at Anglesea SLSC to provide a safe environment to the public at such a high level, Anglesea SLSC received 4 new radios with waterproof bags and 5 new binoculars under relevant grants. Half way through the season also saw the implementation of the red broad brim surf rescue hats to protect our lifesavers from the sun as well as appear more visible to the public.

Our radio tower had a makeover of its own. A new bench and door was installed and the radios replaced. It will increase its use next season. And if that wasn't enough for one season, we were still able to provide a public patrol for both days of the Surf Lifesaving Victoria State Titles near the Anglesea river mouth.

FUTURE DEVELOPMENTS

Season 2012/13 is looking at outdoing this past season. A patrol handbook is being reviewed for Anglesea Surf Rescue (ASR) members and the patrol system looking at being revamped and reinvigorated. A new uniform for ongoing ASR members is anticipated as is organising a few specialist groups to run patrols over the quieter times.

ACKNOWLEDGEMENTS

I would like to thank my team of volunteers for the endless hard work during the 2011/12 season. Without these people, providing a lifesaving service to the public would not be possible and with that make my job much more difficult. These people often went above and beyond their call of duty and stood by me in my first year in my new role, I am very appreciative.

Lauren Chan
Director Rescue Services

Rock2Ramp

Just over 800 swimmers entered the 2011 Rock2Ramp and again we were blessed with perfect weather conditions. Although there are some minor concerns running the event on a weekday the decision to lock in the 28th December for the next few years seems to have had a positive impact on the number of entries and the 2011 event raised over \$30,000 for the Club.

This year again saw some minor modifications to the event as a result of feedback from participants and again after the event more than one participant commented that the Anglesea Rock2Ramp is the best event on the calendar! Yet again Marketing Director Jim Geary scrounged his way to provide some top class prizes with a total retail value of over \$10,000 and the introduction of spot prizes has helped spread the good cheer.

Special mentions must go to Paul Lunny and David Simpson for managing safety across the event, Lloyd Simpson for coordinating first aid, Dave Kennedy for managing registrations, Jim Geary and Ingilby Dickson for marketing and PR, Adrian McNaughton for getting the gear there and back again, Helen Lee-Williams and her team for feeding everyone, and Jimpy for yet again providing security to swimmers belongings.

A great team effort - thanks to everyone involved and special thanks to our long time naming rights sponsor, Burson Auto Parts.

Peter Williams

Race Director

Junior Activities Report

Anglesea SLSC pulled off another fantastic Nipper program this season. With 500 plus Nippers registered, it was another extremely busy two weeks as our Nippers braved Anglesea's unpredictable summer conditions.

This year our club led by example, introducing the first ever 'Star Fish' program for children with special needs, which was incredibly well received. A huge accomplishment, one we should be proud of as a club, with congratulations to Naomi Symington and Janet Jones and their teams. Thank you too, to Jane Horne and parents who ran our 'Jelly Fish' program for the little ones.

We could not run this outstanding program without our sponsors, we sincerely appreciated their contribution.

Victorian Titles Results Lorne

Due to inclement weather, Saturday's competition was cancelled. Sunday, only Iron and Team events were run. The following age groups won gold -

U/9 Boys	Foam Board Relay <i>O. Solly, M. Mauderer, A. Szulc</i> Boys Surf Teams <i>O. Solly, Z. Potter, M. Suttle,</i> <i>N. Jewell</i>
U/10 Girls	Aqua Cameron Relay <i>A. MacVean, E. Hume, H. Fortey,</i> <i>L. Leckey</i>
U/12 Girls	Beach Relay <i>B. Hume, E. Cooney-Hunt,</i> <i>K. Bews, M. Wilkinson</i> Surf teams <i>A. Hume, C. MacVean, A. Toohey,</i> <i>G. Toohey</i>

Anglesea finished 8th on a total of 73 points out of 23 clubs who competed at States. The winning club was Torquay on 175 points, second was Mentone on 163 points & third was Pt. Leo on 161 points. Our club has the Nippers, we just need more children to compete at carnivals next year, in order to be more competitive.

In summary, I would like to thank everyone who assisted throughout the summer, no matter how small or large your contribution was, it is greatly appreciated. Special mention must go to all Water Safety and Age Group Leaders, for without you guys, the program would not function. To our fabulous BBQ team and all volunteers, a big thanks. To Dave Kaye, Matt Solly, Andrew and Jennie Mauderer, Andrew Murchie, Tim Mason, Di in the office, Bruce Coyne and his team of photographers and my wife Tanya, thank you for everything you have done.

To our sponsors, we are extremely grateful and your support is appreciated. Anglesea Nipper program is run by a group of very dedicated and loyal parents, a big thank you to all who continually assist, for without you, our program could not continue to grow.

Thank you and see you all again next summer.

Michael Szulc

Competition Report

The 2011/2012 season was another successful and busy season for the Anglesea SLSC Competition team.

The season started for us at the home carnival in early January, where a large contingent of Anglesea competitors helped us win the day. The carnival gave us the opportunity to assess the planning and requirements which would come into play in March when we were to host the Victorian State Championships. We won the carnival, thereby getting us off to a strong start in our endeavour to win back to back state titles. As is always the case, there was to be much water under the bridge along the way.

Lifesaving clubs are very fluid places and there is always a significant number of members coming in and going out and this season. It was no different for us as many of our young competitors lives moved into different phases. Graduating students taking up University placements in the northern states, saw at least three key water competitors move on and while all of us at the club wish these competitors every success in their academic pursuits, there is no hiding from the fact this had an impact on the team's overall points score, especially at States. The club wishes everyone who moved on, success in their future endeavours and trusts they will one day return.

Anglesea hosted the Victorian State Titles, with the event taking place on the long weekend in March. Anglesea entered a large contingent of competitors and additionally mobilised a large team of helpers who were ably led by Tom Cullen. We posted many significant results, some of my personal highlights being Sam Phillips' win in the surf race and Joel Simondson's efforts in competing with a broken foot, still managing to win individual races and contribute to teams as well. The Beach, Boats and R&R sections all contributed, with another highlight being the R&R Section winning the perpetual trophy for the first time ever. Thanks must go to Peter Williams, Tom Cullen, Kevin Rigg and the many helpers who contributed to our hosting of a very successful event, we will no doubt repeat when we do it again next year. Overall, we came second, and we look forward to chasing the title again next year.

Anglesea, once again, sent a large team to the Australian Titles. While everyone is aware of what transpired with the tragic loss of Matthew Barclay, we did still compete and manage to get on the podium a few times. On behalf of the whole club I would like to thank everyone who assisted in the search for Matthew, especially Michael Rigg who in his untiring capacity as a IRB water safety team member spent many hours on the water in difficult and trying conditions. Yet again, we were the number one Victorian team on the points table. A key result

in the open championships was Cat McArthur & Tom Penney winning silver in the Open Mixed Double Ski - this was Anglesea's first craft medal for many years and the achievement is worthy of high praise. Other podium appearances were Sam Horne's silver in the 2K run, Marcus Jones' silver in the U15 flags, Callum Beattie-Powell's bronze in the U15 beach sprint, Claire Lewtas' bronze in the open flags and the Open Women's R&R team also winning bronze. In the Masters, yet again, our small contingent achieved significant results in the water, on the beach and in the boats. An unexpected highlight was the 140 years plus Men's Beach Relay winning back to back gold medals and there was no hiding the sheer joy of the Masters Women's boat crew winning silver. Thank you to all the coaches, support staff, competitors and mum's and dad's for their fantastic efforts once again this year.

Easter saw a relaxed environment for competitors, with the club championships taking place and the annual Roadknight race. The surf was big and everyone who ventured in had fun. The chief judge (aka the director of competition) was tested time and time again by many of the competitors' interpretations of the rules, however, all is fair and a good time was had by all. The Roadknight race took place after a big night in the clubhouse where plans were hatched and came to fruition in the light of day, in retrospect might best have been left in the clubhouse the night before! That being said, 15 competitors comprised 10 teams and the handicapper had his work cut out for him. Trying to estimate the time taken for a floating bath tub to get to Roadknight and back was definitely a challenge. In the end the boys in the bath tub (Sam Phillips & Tom Penney) went off scratch along with a swimmer, followed by various ski teams, ski and board paddlers. At the end of the race Rohan Fanning was victorious having swum there and back in just over 47 minutes. For the record the bath tub did it in 60+ minutes (we stopped counting...). We look forward to a new sleeker, streamlined (and waterproof) bath tub at next year's event.

We also need to recognize Claire Lewtas and Tom Penny who were selected in the state team. Tom was also selected to the Wieland Shield together with Wayne Cartwright as team manager.

Club Championships

Open Mens Champ	Tom Penney	33
Open Female Champ	Janet Jones	24
U19 Male Champ	Sam Phillips	30
U19 Female Champ	Kate Walker	22
U17 Male Champ	Matt Mullins	23

U15 Male Champ	Lachlan Solly	33
	Marcus Jones	33
U15 Female Champ	Lucy Pearce	24
Masters Male Champ	Malcolm Plant	28
Masters Female Champ	Trina Porter	15

This year saw the third year of the Anglesea Mentone LSC competition partnership and again the Mentone crew, headed by Peter Hurst and Gary Simondson, contributed strongly at all levels of competition. The young Mentone members who have been involved across the last three years, will soon be moving into the open age groups and keeping these athletes competing at this level will be the ultimate success of this strong partnership. I know Peter and his crew at Mentone are working hard to ensure the ongoing success of the partnership and we at the Anglesea SLSC will continue to do likewise.

In conclusion I would like to once again take this opportunity to sincerely thank all those who have supported the competition team over the last twelve months, especially the clubs coaches, team managers and section captains whose contribution and hard work cannot be overestimated. Special thanks must also go to Tom Cullen for his organisation of the State Titles, Kevin Rigg for his can do attitude to almost everything competition, Peter Williams for his continued support and Warren Clarke for his ever optimistic approach to this sport. To all of our competitors keep up the hard work and prepare well for the upcoming season.

Gary Brennan

Director of Competition

Anglesea Surf Boat Section Report

Anglesea's boat crews put in a creditable performance during the past season, culminating in a bronze medal for Doug Solly's 'Anglesea Angels' in the 130+ years section at the Australian Masters at Kurrawa Beach. This followed another bronze at the ASRL Championships at Stockton Beach in February, in the 160+ age section and a win at the Victorian Masters. The crew performed exceptionally well in open women's competition throughout the season.

In the 240+ Master's category, the 'Anglesea Swampys' were again, competitive (despite the onset of years!) with a bronze medal at the ASRL Championships at Stockton while suffering some misfortune at each of the Victorian and Australian championships where success was thwarted by some unkind surf – although their 'wipe-out' at the latter event was one of the more spectacular performances of the day. Special thanks to Eliza and Karen for stepping in with the blokes to enable them to compete in several of the carnivals and the Aussies.

It was good to welcome Joe Bergin and his crew back to Anglesea this year with new-comer Don joining James, Jamie and Andrew. The crew competed well in Reserve Grade competition

although we expect them to step up again in future into Open competition where they have previously been among the top crews. Work, travel and family commitments this year, seriously disrupted training and competition and prevented the crew from reaching its full potential. It just missed wins at Jan Juc and in the Reserve Final at the Vic Championships. However, it did set the Anglesea team up with a silver medal in the Lifesaver Relay at the Vics.

Our 'regular' reserve grade crew, the 'Fins' swept by Doug Solly and later by David 'Fan Belt' Eades, also performed well despite a disrupted season. Early morning and early evening training sessions did however, prove challenging for both the crew, and for commercial shipping, as the crew's attempts to navigate by the stars generally ended in the main shipping channels. The 'Fins' won bronze in their age category at the Victorian VSRL Masters Championships at Lorne and made the Reserve Grade final at Jan Juc. An important win was in the first heat at the Anglesea carnival immediately after the beach-side tribute to the late Simon Hunter, well know to boaties around the coast.

A particularly positive sign was the appearance of an under 18 boat crew early in the season which showed great potential. School commitments prevented the boys from competing beyond a couple of early carnivals but if we can attract young people of this calibre, the boat section will be assured of success in the future.

It is anticipated that several crews will also feature in this year's World Life Saving Masters to be held in early November at Christies Beach S.A. with good prospects in a couple of sections.

We encourage anyone with an interest in surf-boat rowing to make themselves known to Paul Hearne, Doug Solly, Fan Belt, Joe Bergin or myself and join in with others in what is one of the most exciting and rewarding activities in surf life-saving. Already, we have started to introduce some new (and ex) Club members to boat rowing with crews building for next season. We would certainly welcome others to join in, so if you have family, friends or know someone that might be interested in becoming involved get in touch with one of the above. We are aiming to meet during the Winter for a row at Anglesea or Pt Roadknight on the first Sunday of each month to coincide with Polar Bears (which is a great opportunity to meet other club members and get to know one another).

Thanks to Paul Hearne as boat captain, and Doug Solly for sweeping duties, as well as doing some of the 'grunt' work around the section.

The following is a list of all who competed for the section during the season.

Barry White

Anglesea SLSC Boat Section

2011 CREWS

Anglesea Angels

Melinda Solly, Michelle Bent, Robyn Giles, Eliza Kerr, Holly Fowler & Doug Solly (SW)

'Fins'

David O'Brien, Matt Napier, Kevin Bent, Tom Walter & Doug Solly/David Fades (SW)

Joe's Crew

James Pinnis, Jamie Robertson, Andrew Downie, Don McNeil & Joe Bergin (SW)

Anglesea 'Swampys'

Ian McGain, Ray Wendt, Richard Holding, Ian Smith, Karen Costa, Eliza Kerr, Barry White & Paul Hearne (SW)

Juniors

Ed Manton, Hugh Simpson, James Schneider, Hugh Moodie & Paul Hearne (SW)

R & R (Section Report)

The three teams in competition in the R&R section this season were the U15's, who were coached by Warren Clarke, the U19's, who were coached by Geoff Waters and Emma Moore and the Open Women's team who were coached by Geoff Waters.

We were lucky to have some very experienced competitors transfer across to compete in our open women's team - Emma Moore (1st line), Sarah Harris (patient) and Ruby Wyett (reel) joined our ranks. In addition to recruiting a new belt swimmer - Mel Heathcote - our open women's team was finally completed with the return of Andrea Titter to R&R, after many years away (2nd line). After winning the State Titles, the team went to the Aussies. It was not smooth sailing at the Aussies for anyone this year, and with the change in circumstances to the R&R competition, a medal was by no means assured, especially as our 'patient' could no longer compete. Stepping up to fill in was young Maddie Brown. Maddie did a great job as a 15 year old competing against much older and experienced swimmers and, at the end of the day, the open women's team scored the bronze medal - a fantastic effort under the circumstances!

Our U19 team was essentially a new team retaining just one of the previous year's Aussie gold medallists in Shea Curwell (reel). Making up the rest of the team was some new recruits - Lachlan Travers (belt swimmer) & Maddie Brown (patient) - as well as some experienced competitors transferring in - Georgia Wyett (1st line) & Kirsten Davis (2nd line). They scored a silver medal at States and competed at the Aussies against some very experienced teams.

Our U15 team - was all new to R&R and based out of Mentone. The team comprised: Julia Howell, Darcie Van Den Broek, Shannon Russo, Ruby Martin & Gabby Blink. Their coach nicknamed them the 'Meerkats' because they could not stop looking around - this is an excellent survival trait in meerkats, but a deduction in R&R.

This year at States we made sure we competed in as many events as possible. Previous competitors including Warren Clarke, Callum Brennan &

Paige Brown helped us out and competed across various teams. In addition, our U15's, U19's & Open Women's competed across other events as well.

The results at State Titles achieved were:

Open Women's - 1st & 4th

Open Men's - 1st

Open Mixed - 2nd & 3rd

Open Six - 2nd

U19 - 2nd

U15 - 5th

The upshot of this great effort was, Anglesea won the LSV renamed 'Geoff Waters Perpetual Trophy' for the club with the most points in R&R competition at the State carnival.

It should be highlighted, our new and highly decorated Australian Championship R&R coach, Geoff Waters regularly travels from Bittern to Anglesea for training, at considerable personal effort, emphasising his absolute dedication to our teams and a passion for excellence.

A highlight of the State Titles was the presentation of our new reel. The reel is dedicated to Mr John Worrell, a legend of Anglesea and long-time supporter of R&R.

In 2012-13 we expect to field teams across all age groups, including U15's, U17's, U19's, open women and open mixed. Anyone interested should contact Angela Brennan.

Thanks to the Directors and Committee for the ongoing support and encouragement given to the R&R section.

Angela Brennan

Beach Team Report

Each year presents new challenges, goals, trials and tribulations; this season has been no exception.

State and National competition results speak for themselves as is shown with all other event areas in this Annual Report, but that in itself does not tell the story of the team and individuals, something I think needs to be celebrated.

The Masters team despite a few aches and pains trained consistently all pre-season, gathered new recruits and performed exceptionally well during the carnival season with a strong showing at the Vic's and an even more impressive Nationals.

Matta (Matt Symington) ever vigilant, Steve (Davies Evergreen), and Rhino (Ryan Hartshorne) who just keeps on keeping on got the crew back into shape to defend the National relay title. Date and Malcs were vying for the fourth spot. Malcs (Matt Plant) was focussed, Date (Matt Taylor) keen as mustard, but injury made life difficult for Date with Malcs getting the nod. In a winning position Malcs took the baton and was facing off against Kip McFarland, a former National Title holder in the open men's sprint. Not only did

Malc's hold him off but held his placing, which won the guys their second National relay gold medal, a great team result.

The ladies like the men's team turning out week after week at carnivals gaining valuable points for Anglesea showing great depth at States and developing excellent competition fitness. Sally Cumming gave the open women's team great support all season, was consistent, committed to the entire program always putting the team first. Andrea Titter seeing the potential of this team and wanting more from herself, was full steam ahead to the nationals. Georgina Davies with a great run for second in the 2 km backed up in the relay with multi skilled Julia Cullity, for the ladies to gain a much deserved third place in their relay.

Well done to all our Masters Beachies, as they show many of our Open and underage competitors just what club, team and squad commitment and loyalty are all about. A special mention and many thanks to Ben Owzinsky who rocks up to every carnival, always has a big smile on his face, runs the open men's 2km having a great time start to finish, rain hail or shine. Once again, great club spirit.

Beach Team Report (continued)

To be honest at Open and under age level this was a difficult season, one that tested my resolve. We had a few athletes with their minds on the job at hand, but for others studies, injuries and life in general played havoc and as a squad and more so as a competition team we were thin in numbers and team unity was fragmented.

The light at the end of the tunnel were the U/15 boys team who were some of our most consistent performers all season and their results at States and Nationals speak volumes as to what being an Anglesea Beachie is all about. Two silver medals at Nationals for these boys, one to Marcus Jones in the flags with an injured thumb and silver to Callum Beattie - Powel who dragged himself back from the disappointment of the relay not making the final to refocus and run the race of his life in the sprint, showed the determination and belief we need back in this team.

Claire Lewtas was not only the best female beach competitor for this club, but one of the best in the nation. Claire gained State selection for the interstate competition, dominated the State titles with three gold medals and then took equal fourth in the National sprint final, then her first individual Open medal in the flags with a bronze medal. What I was most proud of was how Claire stepped up to the plate as a leader during the season, especially at the Nationals, were in her own time and initiative helped our junior athletes in warm up and technique work prior to competition.

Lloyd Knight due to injuries to other squad members spent most pre-season training by himself, so it was a great effort for him to make the semis of the Open men's sprint, flags and relay. Chris Watts was our other State representative who along with Claire made the final of the U/19 men's flags for the second year in a row.

Sam Horne one of our most consistent performers all year in the 2km was in fourth position with 100m to go. With the whole team cheering him on Sam dug deep, pumped his arms hard, found an extra gear and kicked home in the final twenty metres to take bronze. Sam will be in U/17 age division again next season,

so we look forward to bigger and better things in 2013. Daniel Stonehouse also in the U/17 age division competed in all events, gaining huge points for us each week. The U/15 team move up into his age division next season which will create a very strong U/17 squad for us.

Brendan Maher showed just how fast he can run at the States and looked like he would make the National Open men's sprint final before doing a hammy in the relay semi. Brendan is back training with the squad and looks set for a good season next year. Michael Beltrame, or Bel's as we call him was injured all season and then puts it out there to make the National Open men's final to finish eighth. Bel's has already put in a few solid months of pre-season training and I can only imagine what a fit Bel's is capable of.

Molly Blanchonette is another athlete who was injured for nearly the entire season, but came back at the States for a silver and bronze medal and then giving our Open women's team the depth we needed to beat the Mordialloc women's team to take gold. We need Molly, Hayley Atkins, Matt Dyson and Annabel Rodway, back next year, not only because they are great competitors, but because they create character and spirit for the team that as a squad was missing this season. We need all these athletes, fit, well and ready to go next year.

David Walker and Kate Walker are not only back in training, but completing five to six sessions a week, along with Lloyd, Bel's and myself. Both athletes have committed themselves to the Beach team with Kate helping me with recruitment and ideas for how we can move forward in 2013.

Ryan Hartshorne (Rhino) like Sally, both of whom have been mentioned in the Masters section, played an integral role in the Open division, not just because they make Open carnival or State finals and in many cases finishes top three, but because they give this team structure, maturity and unselfish leadership.

Leadership is something that does not go unnoticed. Matt Woolnough as captain of this team, during a difficult season of many ups and downs and injury to himself, showed leadership at the Nationals. Unable to compete himself

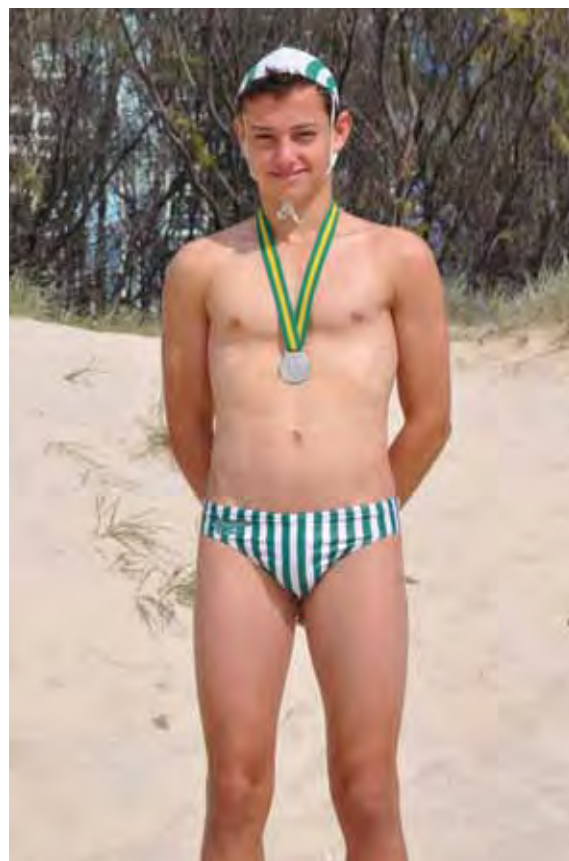

Matt took the U/15 boys under his wing and made sure they warmed up well and were ready to race on time. Having someone who can look beyond their own personal issues and concerns and give to the team is what being a leader and Beach Captain is all about and Wooly gave of himself when he was needed.

Lastly I would like to thank John Baldock (Ball's) without whom I just could not keep my sanity during competition season. Balls and I trudge over miles of sand each year back and forward from sprints, flags and relays because we love this club, the Beach team and this sport. What John and I need in 2013 is that everyone gives us their very best, their loyalty and support for each other. If we can come together as a team, then we will have success as a team.

Peter Van Miltenburg

Beach Team Coach

Marcus Jones - U/15 Aussies silver medal

Marketing Report

The 2011/12 year has been a challenging year due to the economic climate which saw a number of our sponsors from previous years drop away but the majority of our long term sponsors continued to support our club including Alcoa, Burson Autoparts, Linfox, Allans Music, Hardings Hardware, Hamlon Homes / Squeekies and also VB.

We have also continued to receive ongoing support from our Rock2Ramp Prize sponsors including Mantra Hotels & Resorts, XOSize, 2XU, Wyn Training and Anaconda along with Brown Magpie and Longboard wines. Without these sponsors we would not continue to offer the place getters in each age group category the best prize pool of all the surf coast based and possibly other swims.

This year has also seen some new sponsors for our boat section in Lighting & Electrical Distributors (LED) which has resulted in some pretty snappy paintwork on a couple of surfboats.

It is also with regret that after 5 years as major sponsor of the nippers and also the Anglesea bronze camp, Linfox have opted not to renew their existing sponsorship. Linfox has sponsored some 7 clubs nationally and as our sponsor for over 5 years Linfox funding has been utilised to replace the majority of the old cloth nipper boards, purchase some 500 rashies each season and has also provided funding for the employment of a fulltime instructor for the patrol season.

On behalf of the Anglesea SLSC, I would like to thank Linfox for their support and for sharing a common philosophy of making our beaches safe for everyone.

I would also like to again thank Tim Ellen @ Visibility Signs for his ongoing support of the club and making sure that all our signage is up to

date with the usual last minute additions to our sponsor stable which are emailed through the week before the start of nippers.

In addition to our sponsorship support, we have continued to enjoy the support of our local media including the Geelong Advertiser, Surf Coast Echo and in particular the Surf Coast Times, who provide coverage for our events but also recognition for the efforts and achievements of members.

Our run rate for grant applications has been similar to previous years, however, it has been a bit of a challenge receiving funding primarily due to the increased competition for grants. As donations to not for profit organisations and charities being significantly down on previous years, these bodies have increased their focus to alternative means of fundraising such as grant which has been particularly frustrating due to the time and effort that is put into each application.

In closing, I would like to thank on behalf of the committee and members of the Anglesea SLSC, all our sponsors and supporters and also the grant benefactors for their ongoing support and generosity in supporting our club..

I would also like to encourage all members and their families to consider our sponsors when purchasing any goods or services. We have many companies who support our club and when making purchase decisions we should consider goods purchased from our sponsors and supporters particularly those who may be involved in running a business on a day to day basis..

Jim Geary
Director Of Marketing

Development Services Report

As well as training a large number of people in lifesaving skills, this year has been another significant year in the development and maturation of our training capability. We conducted the largest training program in the state and the major awards issued were as follows:

Basic Awards

SRC	63
Bronze	162
Apply Senior First Aid	43

Advanced Awards

Advanced Resuscitation	
Techniques Certificate	69
Spinal Management	36
IRB Crew Certificate	63
Victorian Boat Licenses	50
Silver Medallion IRB Driver	7

Instructors Awards

Training Officers Certificate	37
Bronze Training Officer	32
Advanced Course Instructors Awards	23

Assessors Awards

Assessor Bronze	9
Advanced Course Assessors	9

The Bronze Camp is now a smoothly oiled machine, with our fantastic group of Senior Instructors understanding the structure of the camp and being gently pushed out of the way by the up and coming Junior Instructors.

Bronze Plus Camp remains a hot bed of development, with ongoing, sometimes spontaneous, changes to the curriculum continuing to occur. This year a real focus on IRB started with the planned introduction of a Victorian Boat License course and the shifted into running a variety of Crew and Drivers Courses. Thanks to Nick Tait and Issac Newcomb for their great work with the changes.

Despite the work done in the IRB area to fix the clubs shortage of drivers, we were only able to get 7 new drivers qualified over summer, but we think the changes to Bronze Plus, combined with some other changes to the running of IRB courses, along with 4 new IRB Trainers and a new IRB Assessor, will mean we will double the number of awards this coming year.

The Junior Instructors Camp not only produced 32 new Bronze Instructors, they all had a great week.

It provided a great spring board for a number to assist in other courses over Summer and become an instructor in those courses.

In addition to the Bronze Squad run in January, a number of smaller groups for Nipper parents were organised by Matt Solly, which enabled those people to get their awards.

Each year, a number of parents are interested in doing a Bronze, but are worried about the water component. Apply Senior First Aid is a 2 day course which has all the Bronze, apart from the water and radio sections to enable people to be able to patrol, as well as providing great instruction in CPR. It is a bridge into Bronze.

This year we created 9 new SFA Instructors and 4 Assessors, which will let us offer the course to 14 year olds, as well as parents over the coming summer. This will be an exciting development and is typical of how we need a year or two in order to train the trainers, before we expand the courses we offer.

We were also able to obtain some significant assistance from the government, to provide all the training. It has enabled us to offer some fee relief to parents who completed the application forms and also provided funds to let us enhance and expand the quality of the classrooms for next summer.

I would like to thank all the trainers and assessors who helped over summer. There were more than 50 people involved and every little thing they have done is appreciated. We are committed to expanding the number of trainers and assessors, so to be able to better share the load among a broader group. In particular I should thank the Chief Instructors - El Beavis, Caitlin Paton, Toby Dickson and Michael Teal for their efforts.

We plan to run an assessors course in the next few months, as part of the lead up to next summer and are also in planning with LSV to become a Licensed Training Provider for LSV. This will enable us to provide employment opportunities to our instructors and a constant revenue base for the club in delivering courses to schools and community groups throughout the year.

Tim Mason

Director of Development

Door Knock Report

Over the years we have a lot of help with fund raising, especially with the Annual Doorknock. On behalf of the club and committee we would like to say *THANK YOU* for your time as a volunteer.

Last year we tried holding the Doorknock a week earlier and found that it was an easier night with lots more helpers willing to door knock for around an hour and we raised over \$28,000 in 3 hours with more funds coming in as the year continued.

We are now looking for someone or a group of people willing to take over this event as I am taking on an other roll . If you have a spare weekend and the night to help give me a call again thanks you for your support.

Matt Solly
Club Co-Captain

Facilities Report

The Anglesea Surf Life Saving Club has come a long way from the first Club house of a tin shed in 1953. So in 2012 the club finds itself in the position to rebuild the lower part of the clubhouse to move into the next generation. This will be a long and hard road with lots of hard work to be done to achieve this goal. With this the facility as we know it today must change to keep up with the clubs every changing demands. You would have seen changes around the club in the past 2 years and more changes are needed if the club is to remain at the forefront of Lifesaving and serving the public.

I would like to take this opportunity to thank the Directors, Committee, Administration Team, Club Captains Hayley Atkins / Matthew Solly and the Members for the past year, working as a team is what this club dose best. I would also like to thank the clubs cleaner Rosie MacDonald for her hard and outstanding work around the club. To Chris and Amanda Gross in the Deck Cafe thanks for a great start to a long partnership between the running of the Deck Cafe and the club.

Thank you to all who turned out for the Clubs annual Working Bee another outstanding two days around the club to keep the facilities looking at it's best.

Highlights to the facilities in the past year:

- Painting of the Ray Marsh Room Deck
- New outdoor Furniture for the Deck
- New PVC screens to the Balcony
- Power to the awning on the window side of the Ray Marsh Room
- Upgrade to the Patrol Tower
- Installation of cameras to the Gym
- Pest Control around the club
- New Trestle Tables and Chairs for the Lower Clubhouse

Kevin Rigg
Director of Facilities

Competition Results

2012 Aussies

Congratulations to our team who competed at the 2012 Aussies. There were a lot of finals reached and some great results as shown below:

GOLD

Sally Cummings in the 30-34 Yr Women's Beach Sprint

Matt Symington, Ryan Hartshorne, Steve Davies and Malcolm Plant in the 140 Yr Men's Beach Relay.

SILVER

Tom Penney & Catherine McArthur in the Open Mixed Double Ski

Marcus Jones in the U15 Men's Beach Flags

Callum Beattie-Powell (Anglesea/Mentone) in the U15 Men's Beach Sprint

Peter Foster, Ross Peasnell and Shane Edmonds in the 130 Yr Men's Single Ski Relay

Ryan Hartshorne in the 30-34 Yr Men's Beach Sprint

Georgina Davies in the 30-34 Yr Women's 2km Run

Shane Edmonds in the 40-44 Yr Men's Iron Man

Peter Foster, Matt Solly & Shane Edmonds in the 130 Yr Men's Taplin Relay

Julia Cullity in the 35-39 Yr Women's Surf Board

Melinda Solly, Michele Bent, Robyn Giles, Jane Whitelaw & Doug Solly in the 140 Yr Women's Surf Boat Race

BRONZE

Claire Lewtas in the Open Women's Beach Flags

Sam Horne in the U17 Men's 2km Run

Sally Cumming, Julia Cullity, Georgina Davies & Andrea Titter in the 140 Yr Women's Beach Relay

Melissa Heathcote, Emma Moore, Ruby Wyett, Madeline Brown & Andrea Titter in the Open Women's 5 Person R&R

Shane Edmonds in the 40-44 Yr Men's Surf Race

Ingilby Dickson in the 50-55 Yr Men's Rescue Tube Race

Increase (decrease) in provisions	7,517	-
Net cash provided by (used in) operating activities	<u>101,193</u>	<u>111,563</u>

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the .

The financial report covers ANGLESEA SURF LIFESAVING CLUB INC. as an individual entity. ANGLESEA SURF LIFESAVING CLUB INC. is an association incorporated in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

The income of the Incorporation is exempt from income tax in accordance with the provisions of Section 23(g) of the Income Tax Assessment Act, as the Incorporation falls within the definition of a society, association or club established for the encouragement of a game or sport.

Non-member income of the association is only assessable for tax, as member income is excluded under the principle of mutuality.

Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Property

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is a policy of ANGLESEA SURF LIFESAVING CLUB INC. to have an independent valuation every three years, with annual appraisals being made by the directors.

The revaluation of freehold land and buildings has not taken account of the potential capital gains tax on assets acquired after the introduction of capital gains tax.

b) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

c) Depreciation

Notes to the Financial Statements

For the year ended 30 April 2012

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to ANGLESEA SURF LIFESAVING CLUB INC. commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Asset	Depreciation Rate %
Buildings	2.00 %
Equipment, Boats, Boards & Ski's	33.00 %
Furniture, Fittings & Equipment	20.00 %

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking in to account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive a dividend has been established. Dividends received from associates and joint venture entities are accounted for in accordance with the equity method of accounting.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount.

Contributions are made by ANGLESEA SURF LIFESAVING CLUB INC. to an employee superannuation fund and are charged as expenses when incurred.

ANGLESEA SURF LIFESAVING CLUB INC.

Independent Auditor's Report to the Members

Report on the Financial Report

We have audited the accompanying financial report of ANGLESEA SURF LIFESAVING CLUB INC. (the association), which comprises the Statement by Members of the Committee, the Statement of Comprehensive Income, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 April 2012.

Committee's Responsibility for the Financial Report

The Committee of the association is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the , and for such internal control as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, management also states in accordance with Accounting Standard AASB 101: Presentation of Financial Statements, that the financial report complies with International Financial Reporting Standards.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion:

- (i) The financial report gives a true and fair view of the financial position of ANGLESEA SURF LIFESAVING CLUB INC. as 30 April 2012, and of its performance and its cash flows for the year ended in accordance with the Australian Accounting Standards and the ; and
- (ii) the financial report also complies with International Financial Reporting Standards as disclosed in Note 1.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2012**

1 Statement of Significant Accounting Policies

The Trustees of the Anglesea Surf Life Saving Club Foundation have prepared the financial statements of the Foundation on the basis that the Foundation is a non-reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report that has been prepared in order to meet the needs of the Foundation's beneficiaries.

The financial report has been prepared in accordance with the significant accounting policies disclosed below which the Trustees have determined are appropriate to meet the needs of the Foundation. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of this report are as follows:

Financial Assets

Investments are measured at net market values. Dividends and interest are brought to account when received.

Financial assets are initially recognised on the cost basis, including acquisition charges associated with the financial asset. The carrying amount of financial assets are reviewed annually by the Trustees. The recoverable amount is assessed from the quoted current market value for shares in listed companies or the underlying net assets for other non-listed corporations. The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts, unless otherwise stated.

Income Tax

The income of the Foundation is exempt from income tax in accordance with the provisions of Section 23 (g) (iii) of the Income Tax Assessment Act, as the Foundation falls within the definition of a society, association or club established for the encouragement of a game or sport.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF ANGLESEA SURF LIFE SAVING CLUB FOUNDATION

Report on the Financial Report

I have audited the accompanying financial report, being a special purpose financial report, of Anglesea Surf Life Saving Club Foundation (the Foundation), which comprises the Balance Sheet as at 30 April 2012, Profit and Loss Statement, Statement of Cash Flows, a summary of significant accounting policies and other explanatory notes and the trustees' declaration.

Trustees' Responsibility for the Financial Report

The trustees of the Foundation are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Foundation's rules.

Auditors' Responsibility

My responsibility is to express an opinion on the financial report based on my audit. No opinion is expressed as to whether the accounting policies used, as described in Note 1, are appropriate to meet the needs of the members. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the trustees, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the trustees' financial reporting needs. I disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

In conducting my audit, I have complied with the independence requirements of Australian professional ethical pronouncements.

**ANGLESEA SURF LIFE SAVING
